(Pages 119 - 150)

12.1 Urgent Questions (Part 4 - Paragraph 9.2.(b) of Constitution – Page 4-9)

With the permission of the Mayor, questions on urgent issues may be tabled with the proviso of a subsequent written response if the issue requires research or is considered by the Mayor to be minor.

Please note that the Mayor will decide whether a question is urgent or not.

The definition of an urgent question is “An issue which could not reasonably have been foreseen or anticipated prior to the deadline for the submission of questions and which needs to be considered before the next meeting of the Council.”

Submission of urgent questions to Council requires the Member when submitting the question to specify why the issue could not have been reasonably foreseen prior to the deadline and why it has to be considered before the next meeting.

A supplementary question is not permitted.

12.2 Councillors' Questions (Part 4 – Paragraph 9.2(a) of Constitution – Page 4 - 8)

The forty four questions and responses are attached to the agenda.

**13. MOTIONS**

13.1 In the name of Councillor Neville

“The Council welcomes and supports the government’s proposals for ending the dependency culture which has grown, particularly under the last Labour government, to unsustainable levels and which delivers little benefit to individuals and actively discourages claimants from seeking work.”

13.2 In the name of Councillor Oykener

“This Council believes:

1. that less well-off people should not be pushed into Outer London Boroughs and the Mayor of London should emphatically resist any attempt to recreate a London where the rich and poor cannot live together; and
2. that the answer to solving Enfield’s, and London’s, housing situation is to build more affordable housing.

This Council resolves that the Leader of the Council write to the Secretary of State for Communities and Local Government and the Mayor of London, bringing to their attention the expected impact on Enfield as a result of the Housing Benefit Cap and the need for more affordable social housing.”

13.3 In the name of Councillor McGowan

“Contrary to its commitment in the Conservative Party manifesto, the Conservative-led government is planning a top down reorganisation of the NHS. Enfield Council believes that this broken promise by the Conservatives to reform the NHS, and with the future of Chase Farm Hospital already under threat, will make the health of local residents worse.

This Council commits itself to defending the health interest of local people by opposing the Conservative-led government’s detrimental NHS reforms.”

13.4 In the name of Councillor Taylor

“Enfield Council notes the increase in VAT of 2.5% from January 2011. The Chancellor, George Osborne, described this as a progressive tax rise but many see this as a tax on the poorest and a major hit for retailers. At this time, Enfield Council opposes this and agrees to make our opposition to the VAT rise known to the Chancellor”.

**14. URGENT DECISIONS REQUIRING THE WAIVING OF THE CALL-IN PROCEDURE (PART 4.2 – PARAGRAPH 17.3 – PAGE 4-34)**

Council is asked to note the decision taken and the reasons for urgency. The decision set out below was made in accordance with the Council’s Constitution and Scrutiny Rules of Procedure (Paragraph 17.3 – relating to the waiving of the requirement to allow a 5-day call-in period):

i. Contract Hire of 43 Tipper Vehicles

Decision:

The award of a contract following a retendering exercise for the contract hire of 43 tipper vehicles to be used across the Council.

Reason for Urgency:

The Council was advised on the 9<sup>th</sup> November that the existing vehicle contract hire supplier was to cease trading and the Council could either purchase the vehicles or they were to be returned within 7 days. It was therefore essential that the new successful contractor be advised immediately so the new vehicles can be ordered without delay. In addition the urgent award will enable officers to agree temporary arrangements with SHB Hirer Limited who have agreed that they will purchase all of the vehicles in question from TLS and will provide the vehicles to the Council on the same payment arrangements which the Council had with TLS.
