24. **NOW AGREED:** Children under the age of 18 must be accompanied by an adult at all times whilst on the premises and must be off the premises by 21:00, unless partaking in a table meal when they must be off the premises by 22:00 or if attending a private function when they will be permitted to remain on the premises until close'

25B. The noise limiter shall be recalibrated annually to ensure that the music volume does not exceed the level at which a noise nuisance to neighbours will occur. A copy of the calibration certificate shall be kept on the premises and made available to the Police or Council Officer on request.

All door supervisors shall be easily identifiable by wearing high visibility jackets or armbands.

*In relation to C.27: The licence holder has offered an alternative suggesting the need for door supervisors be risk assessed. The Licensing Authority still thinks it is appropriate for door staff to be employed on Friday and Saturday nights. If the committee decides to go with the wording suggested by the licence holder in relation to condition 27, the Licensing Authority would suggest an amendment to their wording to add that 'at a minimum door staff shall be employed during large football tournaments when England are playing such as the Euros and World Cup, during functions and all specifically advertised events' as these events may attract different clientele, so:*

27D: The premises will risk assess the need for door supervisors. When on duty at least one door supervisor shall remain directly outside the premises for 30 minutes after the premises has closed or until all customers have dispersed. The duties of these staff will include the supervision of persons entering and leaving the premises to ensure that this is achieved without causing a nuisance. All door supervisors shall be easily identifiable by wearing high visibility jackets or armbands. At a minimum door staff shall be employed during large football tournaments when England are playing such as the Euros and World Cup, during functions and all specifically advertised events

28B. Any door supervisor employed must be from an SIA approved contractor scheme.

29B. There shall be no entry or re-entry of patrons to the premises after 22:00 hours on Friday and Saturdays with the exception of those people who have gone outside to smoke.

30D: The premises will have an over 21s entrance policy on Friday and Saturdays from 21:00 with all under 21s leaving before this time unless partaking in a table meal when they must be off the premises by 22:00 or if attending a private function in the upstairs function room when they will be permitted to remain on the premises until close.

31A. A noise limiting device shall be installed to any amplification equipment in use on the premises and shall be maintained in effective working order. The noise limiter should be set so that noise does not emanate from the premises so as to cause a nuisance to nearby properties.

*This condition should have been included previously but accidentally omitted from the report.*
