2 TEMPORARY EVENT NOTICE (TENs) HISTORY – THE KINGS HEAD:

- 2.1 The following information may be used as a benchmark in recent years for TENs at The Kings Head:
- In 2021, 5 TENs were applied for around the December period, which were not objected to.
 - In 2019, 4 TENs were applied for around the December period, which were not objected to.
 - In 2018, 4 TENs were applied for around the December period, which were not objected to.
- 2.2 On behalf of The Kings Head, 7 TENs have been applied for in 2022 in total.
- 2.3 In May 2022, a Late TEN was authorised for 3rd to 5th June 2022, extending the hours from 00:30 to 3am. This TEN was not subject to any representation. The applicant was Chelsea Dakin.
- 2.4 NB. A Late TEN is a notice submitted less than 10 working days but more than 5 working days before the day of the event).
- 2.5 On 23 November 2022, a Late TEN was submitted by Chelsea Dakin for 2nd to 4th December 2022, extending the hours from 1am to 3am. As the Police submitted an Objection Notice to this TEN, Chelsea Dakin was issued a Counter Notice and the TEN could not proceed.

3. TENS TO BE CONSIDERED BY THE LICENSING SUB-COMMITTEE – THE KINGS HEAD:

- 3.1 Each of the Responsible Authorities required to be consulted for TENS were consulted in respect of the application, namely the Police and Environmental Health.
- 3.2 On 29 November, a (standard) TEN was submitted by Chelsea Dakin for 18th to 20th December 2022. A Police Objection Notice was received in relation to this application. This TEN is later referred to as TEN2.
- 3.3 On 30 November 2022, a Late TEN was submitted by Chelsea Dakin for 9th to 12th December 2022, extending the hours from 1am to 3am. - 3.12 Michael Fallon also contacted the Licensing Team, that email can be found in Annex 7 (applies to both premises).
- 3.13 For background purposes, Chelsea Dakin has confirmed that although Part 3 “relevant entertainment” section of the TENS applications has been completed, she does not seek “relevant entertainment” but had inserted information here in instead with regards to the proposed regulated entertainment.

- 3.14 Furthermore, Chelsea Dakin was not aware of the minimum of 24-hour requirement between separate TENs, see Paragraph 7.15 under Section 8 of the Statutory Guidance below. Therefore, the full TENs as per the dates sought in the applications exceed the limits and would need to be amended.

7. PROPOSED LICENCE CONDITIONS:

- 7.1 The conditions attached to both premises licences are set out in Annex 1 and 9. The Licensing Sub-Committee may decide not to give a counter notice under section 105 of the Act and instead may impose one or more conditions on the notice (TEN) in accordance with section 106A(2) of the Act.

8. RELEVANT LAW, GUIDANCE & POLICIES:

STATUTORY GUIDANCE:

7.2 The system of permitted temporary activities is intended as a light touch process, and as such, the carrying on of licensable activities does not have to be authorised by the licensing authority on an application. Instead, a person wishing to hold an event at which such activities are proposed to be carried on (the “premises user”) gives notice to the licensing authority of the event (a “temporary event notice” or “TEN”).

7.3 The TEN must be given to the licensing authority in the form prescribed in regulations made under the 2003 Act. The form requires the user to describe key aspects of the proposed event, including the general nature of the premises and the event, the licensable activities intended to be carried on at the proposed event, including whether they will include any relevant entertainment as defined in Schedule

3 to the Local Government (Miscellaneous Provisions) Act 1982 (i.e. displays of nudity designed to sexually stimulate any member of the audience including, but not limited to, lap dancing and pole dancing). Under the 2003 Act ‘premises’ can mean any place. Events authorised under a TEN will therefore not always be in a building with a formal address and can take place, for example, in public parks and plots within larger areas of land. In all cases, the premises user should provide a clear description of the area in which they propose to carry on licensable activities, including whether the premises are, for example, an open field or a beer tent. Local authorities and “relevant persons” (see below) may wish to make enquiries where appropriate to satisfy themselves of the exact location for where a TEN is being given.

7.4 Unless it is sent electronically, it must be sent to the relevant licensing authority, to the police and “local authority exercising environmental health functions” (“EHA”) at least ten working days before the event. A premises user may also give a limited number of “late TENs” to the licensing authority less than 10 working days before the event to which they relate, although certain restrictions apply (see paragraphs 7.12-7.14). “Working day” under the 2003 Act means any day other than a Saturday, Sunday, Christmas Day, Good Friday or Bank Holiday. For limited purposes in relation to a TEN, the 2003 Act defines a “day” as a period of 24 hours beginning at midnight.

7.5 If a TEN is sent electronically via GOV.UK or the licensing authority’s own facility, the licensing authority must notify the police and EHA as soon as possible and no later than the first working day after the TEN is given.

7.6 The police or EHA (“relevant persons” for the purposes of TENs) may intervene to prevent such an event taking place by sending an objection to the licensing authority, which the licensing authority must consider on the basis of the statutory licensing objectives and decide whether the event should go ahead. A relevant person may also intervene by agreeing a modification of the proposed arrangements directly with the TENs user (see paragraph 7.36). If a relevant person sends an objection, this may result in the licensing authority imposing conditions on a TEN but only where the venue at which the event is to be held has an existing premises licence or club premises certificate. When giving a TEN, the premises user should consider the promotion of the four licensing objectives. The licensing authority may only otherwise intervene if the statutory permitted limits on TENs would be exceeded (see paragraphs 7.15-7.22).

Standard and late temporary event notices

7.8 There are two types of TEN: a standard TEN and a late TEN. These are subject to different processes: a standard notice is given no later than ten working days before the event to which it relates; and a late notice is given not before nine and not later than five working days before the event.

Standard temporary event notices

7.9 “Ten working days” (and other periods of days which apply to other requirements in relation to TENs) exclude the day the notice is received and the first day of the event.

7.10 The police and EHA have a period of three working days from when they are given the notice to object to it on the basis of any of the four licensing objectives.

7.11 Although ten clear working days is the minimum possible notice that may be given, licensing authorities should publicise their preferences in terms of advance notice and encourage premises users to provide the earliest possible notice of events planned by them. Licensing authorities should also consider publicising a preferred maximum time in advance of an event by when TENs should ideally be given to them.

Limitations

7.15 A number of limitations are imposed on the use of TENs by the 2003 Act:

... • the minimum period between events authorised under separate TENs in relation to the same premises (not including withdrawn TENs) by the same premises user is 24 hours.

7.20 TENs may be given in respect of premises which already have a premises licence or club premises certificate to cover licensable activities not permitted by the existing authorisation.

7.22 There is nothing in the 2003 Act to prevent notification of multiple events at the same time, provided the first event is at least ten working days away (or five working days away in the case of a late TEN). For example, an individual personal licence holder wishing to exhibit and sell beer at a series of farmers' markets may wish to give several notices simultaneously. However, this would only be possible where the limits are not exceeded in the case of each notice. Where the events are due to take place in different licensing authority (and police) areas, the respective licensing authorities and relevant persons would each need to be notified accordingly.

Role of the licensing authority

7.25 The licensing authority must check that the limitations set down in Part 5 of the 2003 Act are being observed and intervene if they are not (see paragraph 7.15). For example, a TEN would be void unless there is a minimum of 24 hours between events notified by the same premises user, or an associate or someone who is in business with the relevant premises user in respect of the same premises. This is to prevent evasion of the seven-day (or 168 hour) limit on such events and the need to obtain a full premises licence or club premises certificate for more major or permanent events. In addition, for these purposes, a TEN is treated as being from the same premises user if it is given by an associate.

7.26 Where the application is not within the statutory parameters described earlier, the licensing authority will issue a counter notice to the premises user.

7.27 Where the TEN is in order, the relevant fee paid and the event falls within the prescribed limits, the licensing authority will record the notice in its register and send an acknowledgement to the premises user (which may be given electronically). The licensing authority must do so, no later than the end of the first working day following the day on which it was received (or by the end of the second working day if it was received on a non-working day), unless an objection notice is received beforehand from the police or EHA on the basis of any of the four licensing objectives (see paragraphs below).

7.28 If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection unless all parties agree that this is unnecessary. The licensing committee may decide to allow the licensable activities to go ahead as stated in the

notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions (a "notice (statement of conditions)") and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.

Police and environmental health intervention

7.32 The system of permitted temporary activities gives police and EHAs the opportunity to consider whether they should object to a TEN on the basis of any of the licensing objectives.

7.33 If the police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. The objection notice must be given within the period of three working days following the day on which they received the TEN.

7.34 Where a standard TEN was given, the licensing authority must consider the objection at a hearing before a counter notice can be issued. At the hearing, the police, EHA and the premises user may make representations to the licensing authority. Following the hearing, the licensing authority may decide to impose conditions which already apply to an existing premises licence or club premises certificate at the venue or issue a counter notice to prevent the event going ahead. As noted above, there is no scope for hearings in respect of late TENs and if objections are raised by the police or EHA in relation to a late TEN, the notice will be invalid, and the event will not go ahead.

7.35 Such cases might arise because of concerns about the scale, location, timing of the event or concerns about public nuisance – even where the statutory limits on numbers are being observed. The premises user who signs the form is legally responsible for ensuring that the numbers present do not exceed the permitted limit at any one time. In cases where there is reason to doubt that the numbers will remain within the permitted limit the premises user should make clear what the nature of the event(s) is and how they will ensure that the permitted persons limit will not be exceeded. For example, where notices are being given for TENs simultaneously on adjacent plots of land it may be appropriate for door staff to be employed with counters. In each case it is important that licensing authorities and relevant persons can consider whether they believe that the premises user intends to exceed the 499-person limit or will be unable to control or know whether the limit will be exceeded. Where the planned activities are likely to breach the statutory limits or undermine the licensing objectives, it is likely to be appropriate for the police or EHA to raise objections.

Modification

7.37 As noted above, the police or EHA (as “relevant persons”) may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified (for example, by changing the details of the parts of the premises that are to be used for

the event, the description of the nature of the intended activities or their duration). The other relevant person has to agree for the modification to be made. There is no scope under the 2003 Act for the modification of a late TEN.

Applying conditions to a TEN

7.38 The 2003 Act provides that only the licensing authority can impose conditions to a TEN from the existing conditions on the premises licence or club premises certificate at the venue. The licensing authority can only do so:

- if the police or the EHA have objected to the TEN;
- if that objection has not been withdrawn;
- if there is a licence or certificate in relation to at least a part of the premises in respect of which the TEN is given;

- and if the licensing authority considers it appropriate for the promotion of the licensing objectives to impose one or more conditions.

7.39 This decision is one for the licensing authority alone, regardless of the premises user's views or willingness to accept conditions. The conditions must be notified to the premises user on the form prescribed by regulations.

9. OPTIONS AVAILABLE TO THE LICENSING SUB-COMMITTEE

9.1 Having considered the TENS, the objection notice(s) received from responsible authorities and any further representations made by parties to the hearing:

a) The Sub-Committee must decide whether to give the premises user a 'counternotice' under section 105(2) of the 2003 Act, if they consider it appropriate for the promotion of a licensing objective to do so, setting out the full reasons for this decision;

b) If a counter-notice is not issued, then the Sub-Committee must resolve to take no action, and the deemed authorisation will permit the event to take place as proposed. Conditions may be added and amended dates of the TENS sought for these particular TENS (to allow a 24-hour gap between separate TENS).

9.2 Full reasons must be given in support of any decision made by the Licensing Sub-Committee.

9.3 The premises user will have a right of appeal to a magistrate's court against a decision to issue a counter-notice. The objecting responsible authorities will have a right of appeal to a magistrate's court against a decision not to issue a counternotice. Any appeal must be brought within 21 days of notification of the decision, but no later than 5 working days prior to the first day of the proposed event.

Afternoon

Regarding this late Ten application .We object to the later hours cessation for reasons stated previously(in recent late Ten applications) .Namely

PREVENTION OF CRIME AND DISORDER

For the reason that a search of the Police incident indices shows incidents of disorder and violence have occurred near the terminal time of the licensable activities from the premises and the premises have been identified as being a catalyst in that the suspects /perpetrators of this crime and disorder have been identified as visiting and or being present within the premises.

It is felt that the current terminal times for licensable activities is sufficient and extending these times will only lead to an increase in alcohol intoxication related incidents of a violent nature with patrons having extended drinking periods into the small hours of the morning .This has shown in the past to be a draw on Police resources having to respond to the disorder in the street with reports of assaults being prevalent.

From these incidents it can be shown that in a short period of time in or around the terminal time for licensable activities for these premises crime and disorder in the form of assaults and violence break out. It is also worthy of note that there are residential premises in and around this location and any extended hours would impact upon the quiet enjoyment of their premises into the small hours when they are sleeping .

It is felt by the Police that a request to further extend the terminal hours for licensable activity to 0300 hours (on their latest application for 9th,10th ,11th and 12th December 2022) in light of the incidents would further act as a crime generator with this sort of alcohol fuelled violent behaviour leading to further crime and disorder .We therefore oppose this application.

It is felt by the Police that a request to further extend the terminal hours for licensable activity respectively to 0300 and 0100 hours and unreadable (where applicant failed to reply within the given time), in light of the incidents revealed would further act as a crime generator with this sort of alcohol fuelled violent behaviour leading to further crime and disorder .We therefore oppose this application.

Counter Notice (Late Temporary Event Notice) – Permitted Temporary Activities

On 30 November 2022 the licensing authority received from you, Chelsea Dakin, a late temporary event notice (“the notice”) in respect of proposed temporary licensable activities, as follows:

TEN1

- 9th December 2022, between midnight and 1am;
- 10th December 2022, between 2am and 3am;
- 11th December 2022, between 2am and 3am;
- 12th December 2022, between midnight and 1am;

at The Kings Head, 9 Market Place, ENFIELD, EN2 6LL. The licensing authority has received objections under section 104(2) of the Licensing Act 2003 (“the Act”).

The objections which apply is indicated by an “X” in the following table:

Objection	Insert “X” as applicable
A chief officer of police for any police area in which the premises are situated is satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.	X
A local authority exercising environmental health functions for the area in which the premises are situated is satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.	

A copy of this notice will be sent to the chief of police and the local authority exercising environmental health functions for the area in which the premises specified in the late temporary event notice you gave is situated.

The Licensing Act 2003 does not make provision for you to appeal against this counter notice.

Under section 136 of the Licensing Act 2003, a person commits an offence if he carries on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation; or if he knowingly allows a licensable activity to be so carried on. A person convicted of such an offence is liable to imprisonment for a term not exceeding six months or to a fine of any amount, or to both.

Dear Chelsie

I refer to your following Temporary Event Notices for the above premises:

1. TEN1: WK/222064176 – Late TEN for dates 9th, 10th, 11th, 12th December 2022.
2. TEN2: WK/222063537 – Standard TEN for dates 18th, 19th, 20th December 2022.
3. TEN3: WK/222064127 – Standard TEN for dates 21st, 22nd, 23rd, 24th, December 2022.
4. TEN4: WK/222064169 – Standard TEN for dates 27th, 28th, 29th, 30th, 31st December 2022.

The Metropolitan Police have submitted objections to all four of these TENs as they consider the applications undermine the licensing objectives, namely prevention of crime and disorder. The Police representations for each TEN are attached, and have the full reasons for their objections.

As TEN1 was a Late TEN, the Council has today issued you with a Counter Notice under the Licensing Act 2003 in relation to this, also attached.

As a result, licensable activities must not take place at The Kings Head during the following times and dates:

TEN1:

- 9th December 2022, between midnight and 1am;
- 10th December 2022, between 2am and 3am;
- 11th December 2022, between 2am and 3am;
- 12th December 2022, between midnight and 1am;

Under section 136 of the Licensing Act 2003, a person commits an offence if he carries on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation; or if he knowingly allows a licensable activity to be so carried on. A person convicted of such an offence is liable to imprisonment for a term not exceeding six months or to a fine of any amount, or to both.

Please inform us by midday tomorrow (7 December 2022) if you wish to appeal the Police objections at a hearing before the Licensing Sub Committee, regarding TEN2, TEN3 and TEN4 (dates set out above).

Alternatively, you can withdraw these 3 x TEN applications and therefore a hearing would not be required. Please advise us also **by midday tomorrow (7 December 2022)** if you wish to withdraw.

I must emphasise that TEN2, TEN3 and TEN4 cannot proceed without a hearing. The licensing sub-committee may decide to allow the licensable activities to go ahead as stated in the TEN application. The licensing sub-committee may also impose one or more of the existing licence conditions on the TEN if it considers that this is appropriate for the promotion of the licensing objectives. Alternatively, the licensing sub-committee can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing sub-committee must give a Counter Notice.

If you do not withdraw the TENs and you do not attend a hearing, then the section 136 offences under the Licensing Act also applies in this instance should you proceed with the event i.e. the event would be unlicensed.

You are advised that on the existing premises licence for The Kings Head (LN/201100360), it permits the following seasonal hours:

Christmas Eve : 10:00 - 01:30

Boxing Day : 10:00 - 01:30

New Year's Eve : from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day.

Further Advice:

You have requested timings which mean there is not a 24 hour gap between two separate TEN applications, for example you sought to seek to close at 1am on 12th December 2022 on TEN1 but start at midnight on 13th December 2022 on another TEN. The same issue applies where you sought to seek to close at 3am on 17th December 2022 on a TEN but start at 2am on 18th December 2022 on TEN2. It is a legal requirement that the minimum period between events authorised under separate TENs in relation to the same premises (not including withdrawn TENs) by the same premises user is 24 hours.

You have also applied for "relevant entertainment". This means entertainment, such as lap dancing, stripping or of a similar nature. Do you intend to provide "relevant entertainment" or did you believe this meant regulated entertainment? Regulated entertainment is deemed a licensable activity under the first box in Section 3 of the application form.

The email received today from Mick Fallon is noted (attached), but as Mr Fallon is not the applicant for these TENs, we do need a formal response from you Chelsie.

As required by the law, I am copying the Chief of Police in via the Police Licensing Team, for his attention/information.

Yours sincerely
Ellie

To Ellie

I am disappointed that these TENS have been objected to, these extra hours are very important to our business, so I have no other choice but to appeal against the decision.

As for the application forms (further Advise), we have always filled these in this way and have not had any problems before, I had ticked the box where it asks if the tens is within 24 hours, I was not aware of this and if I had done something wrong, a phone call to discuss this would have been greatly appreciated, I have filled in these forms every year for many years and this has not been highlighted before.

As for the "relevant entertainment" the relevant entertainment to our business is Music so I wrote when the music would be playing and finishing as I have every year. If these an error in my grammar, then I apologise.

Chelsie

Subject: objecting on TENS

Dear Sir / Madam,

With disappointment we received your objection to our Temporary Events Notices over the Christmas period.

The reason for your objection is totally unfounded for the following reasons.

We have successfully ran The Taps Bar since 2004 with these extra Christmas hours with no problems on our premises.

We have successfully ran the Kings Head business since 2010 with these extra Christmas hours and yet again no problem on our premises.

Our business is a small family run business and we take pride in getting to know our clientele personally.

Our staff are from the local community and they also take the time to get to know our clientele.

In fact, most of our customers are family and friends of either the owners who live locally or management or our staff.

To assist with the smooth running of our business we employ experienced security door personnel who work closely with our management.

These security personnel spend the majority of their working time quietly picking up glasses and talking to patrons as there is little to no issues on our premises.

With regards to Police resources in the area,

The Taps have only called the Police on one occasion in the last 3 years to assist with Travellers on the premises.

The Kings Head have called the police on one occasion to assist with a mental health patient who was uncontrollable on the premises.

Neither of the above were over the Christmas period.

We have noise limiter procedures in operation on both our premises with up to date records .

Please feel free to visit either of premises and view our records on noise , incidents and refusals.

We would welcome the opportunity to return to having regular meetings with the local license officer as we feel this would be mutually beneficial.

As a business we have always paid our business rates towards this service.

The extra hours over the Christmas period gives our staff the opportunity to earn extra money for their family shopping.

Our staff, door security and management rely on this extra income especially in the current environment, with the cost of living crisis.

Our patrons are local and regulars and look forward to spending Christmas with family and friends in our facilities.

Having just gotten over covid and now dealing with cost of living crisis we feel it's very unfair to object to our Temporary Event Notice.

We kindly ask you to reconsider in light of the above.

Your faithfully

Mick Fallon

Owner.

LONDON BOROUGH OF ENFIELD LICENSING AUTHORITY
LICENSING ACT 2003 (HEARINGS) REGULATIONS 2005
DECISION NOTICE

LICENSING SUB-COMMITTEE – 16 MARCH 2016

Application was made by the **METROPOLITAN POLICE SERVICE** for a summary review of the Premises Licence held by **MR MICHAEL FALLON** at the premises known as and situated at **BAR TAPS, 29 SILVER STREET, ENFIELD, EN1 3EF**.

The Licensing Sub-Committee **RESOLVED** it appropriate for the promotion of the licensing objectives **to modify the conditions of the licence; as follows:**

Conditions (in accordance with Annex 10 of the LSC Supplementary Report):

Conditions 1 to 11, which are not disputed,

(ii) Modifications:

Proposed conditions 18, 19, 21, 22, 23, 24, 26, 28, 29 and 30 agreed.

Proposed Condition 20 – delete all text after “from 21:00 hours”.

Proposed Condition 25 – change 23:00 to 00:00.

Proposed Condition 27 – change 20:00 to 21:00.

Proposed Condition 31 – change 20:00 to 21:00.

(iii) Additional conditions:

Breathalysers shall be used to test customers to assist door supervisors in assessing whether customers shall be permitted entry. Customers with a red reading shall be refused entry.

Records shall be kept of the time and date for all breathalyser tests administered, and of any issues discovered. These records shall be kept for 12 months. Records must be made available to an authorised officer of the Council or Police, upon request.

A prominent, clear and legible notice shall be displayed at the entrance to the premises advising of the alcohol screening test.

Appeal:

Should the premises licence holder appeal this Decision, the interim steps as per the Decision Notice dated 1 March 2016 must be complied with until the appeal is heard.

Reasons:

The Chairman made the following statement:

“After reading all the submissions and listening to all parties concerned, with these amendments to the licence we are happy that the licensing objectives will be met. The LSC was persuaded by the representations of Bar Taps that some of the steps proposed by the Police would not prevent the unfortunate incidents the Police had relied on in their evidence. The LSC noted that some of the incidents occurred outside the premises and were beyond the control of Bar Taps. The LSC was not

persuaded that Bar Taps was a bad establishment from a licensing perspective and the evidence showed that Bar Taps had historically shown a willingness to work with the Police to ensure that the licensing objectives are being promoted. Bar Taps had been willing to co-operate with the Police by accepting some of the interim steps proposed by the Police such as reducing capacity during busy hours to 150 instead of 175. Further conditions have been added in respect of use of breathalysers at the venue, as proposed in the premises licence holder statements in Annex 9 of the report.”

Date Notice Sent : 21 March 2016

Signed:

Principal Licensing Officer

I wish to make representation to disallow this application under the licensing objective of

PREVENTION OF CRIME AND DISORDER

For the reason that a search of the Police incident indices shows incidents of disorder and violence have occurred near the terminal time of the licensable activities from the premises and the premises have been identified as being a catalyst in that the suspects /perpetrators of this crime and disorder have been identified as visiting and or being present within the premises.

It is felt that the current terminal times for licensable activities is sufficient and extending these times will only lead to an increase in alcohol intoxication related incidents of a violent nature with patrons having extended drinking periods into the small hours of the morning .This has shown in the past to be a draw on Police resources having to respond to the disorder in the street with reports of assaults being prevalent.

From these incidents it can be shown that in a short period of time in or around the terminal time for licensable activities for these premises crime and disorder in the form of assaults and violence break out. It is also worthy of note that there are residential premises in and around this location and any extended hours would impact upon the quiet enjoyment of their premises into the small hours when they are sleeping .

It is felt by the Police that a request to further extend the terminal hours for licensable activity to 0300 hours in light of the incidents would further act as a crime generator with this sort of alcohol fuelled violent behaviour leading to further crime and disorder .We therefore oppose this application.

I wish to make representation relating to the LATE TEN application under the licensing objective of

PREVENTION OF CRIME AND DISORDER

For the following reason:

A search of the Police systems shows incidents of disorder and violence have occurred near the terminal time of the licensable activities from the premises and the premises have been identified as being a catalyst in that the suspects /perpetrators of this crime and disorder have been identified as visiting and or being present within the premises.

It is felt that the current terminal times for licensable activities is sufficient and extending these times will only lead to an increase in alcohol intoxication related incidents of a violent nature with patrons having extended drinking periods into the small hours of the morning .This has shown in the past to be a draw on Police resources having to respond to the disorder in the street with reports of assaults being prevalent

From these incidents it can be shown that in a short period of time, in or around the terminal time for licensable activities for these premises, crime and disorder in the form of assaults and violence break out is on the increase. It is also worthy of note that there are residential premises in and around this location and any extended hours would impact upon the quiet enjoyment of their premises into the hours when the residence are sleeping .Additionally the premises are within an enclosed market square whereby noise carries off the surrounding buildings and patrons leaving at 0300 hours would create a public nuisance with the noise and the proximity to nearby residential properties.

It is felt by the Police that a request to further extend the terminal hours for licensable activity respectively to 0100 and 0300 hours, in light of the incidents revealed would further act as a crime generator with this sort of alcohol fuelled violent behaviour leading to further crime and disorder .We therefore oppose this application.

- 10th December 2022, between 2am and 3am;
- 11th December 2022, between 2am and 3am;

at Bar Taps, 29 Silver Street, Enfield, EN1 3EF. The licensing authority has received objections under section 104(2) of the Licensing Act 2003 (“the Act”).

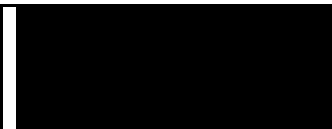

The objections which apply is indicated by an “X” in the following table.

Objection	Insert “X” as applicable
A chief officer of police for any police area in which the premises are situated is satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.	X
A local authority exercising environmental health functions for the area in which the premises are situated is satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.	

A copy of this notice will be sent to the chief of police and the local authority exercising environmental health functions for the area in which the premises specified in the late temporary event notice you gave is situated.

The Licensing Act 2003 does not make provision for you to appeal against this counter notice.

Under section 136 of the Licensing Act 2003, a person commits an offence if he carries on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation; or if he knowingly allows a licensable activity to be so carried on. Dear Lorna

I refer to your following Temporary Event Notices for the above premises:

1. TEN1: WK/222063628 – Late TEN for dates 9th, 10th, 11th, 12th December 2022.
2. TEN2: WK/222064033 – Late TEN for dates 13th 14th 15th 16th 17th December 2022.
3. TEN3: WK/222064070 – Standard TEN for dates 18th, 19th, 20th December 2022.
4. TEN4: WK/222064101 – Standard TEN for dates 21st, 22nd, 23rd, 24th, December 2022.
5. TEN5: WK/222064155 – Standard TEN for dates 27th, 28th, 29th, 30th, 31st December 2022.

The Metropolitan Police have submitted objections to all five TENs as they consider the applications undermine the licensing objectives, namely prevention of crime and disorder. The Police representations for each TEN are attached, and have the full reasons for their objections.

As TEN1 and TEN2 were Late TENs, the Council has today issued you with a Counter Notice under the Licensing Act 2003 in relation to these, also attached.

As a result, licensable activities must not take place at Bar Taps during the following times and dates:

TEN1:

- 9th December 2022, between 1am and 2am;
- 10th December 2022, between 2am and 3am;
- 11th December 2022, between 2am and 3am;
- 12th December 2022, between midnight and 1am;

TEN2:

- 13th December 2022, between midnight and 1am;
- 14th December 2022, between midnight and 1am;
- 15th December 2022, between midnight and 1am;
- 16th December 2022, between 1am and 2am;
- 17th December 2022, between 2am and 3am.

Under section 136 of the Licensing Act 2003, a person commits an offence if he carries on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation; or if he knowingly allows a licensable activity to be so carried on. A person convicted of such an offence is liable to imprisonment for a term not exceeding six months or to a fine of any amount, or to both.

Please inform us by midday tomorrow (7 December 2022) if you wish to appeal the Police objections at a hearing before the Licensing Sub Committee, regarding TEN3, TEN4 and TEN5 (dates set out above).

Alternatively, you can withdraw these 3 x TEN applications and therefore a hearing would not be

required. Please advise us also **by midday tomorrow (7 December 2022)** if you wish to withdraw.

I must emphasise that TEN3, TEN4 and TEN5 cannot proceed without a hearing. The licensing sub-committee may decide to allow the licensable activities to go ahead as stated in the TEN application. The licensing sub-committee may also impose one or more of the existing licence conditions on the TEN if it considers that this is appropriate for the promotion of the licensing objectives. Alternatively, the licensing sub-committee can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing sub-committee must give a Counter Notice.

If you do not withdraw the TENs and you do not attend a hearing, then the section 136 offences under the Licensing Act also applies in this instance should you proceed with the event i.e. the event would be unlicensed.

You are advised that on the existing premises licence for Bar Taps (LN/200501647), it permits the following seasonal hours:

Christmas Eve (if on a Monday to Wednesday) : 11:00 - 01:00

Christmas Eve (if on a Thursday) : 11:00 - 02:00

Christmas Eve (if on a Friday to Saturday) : 11:00 - 03:00

Christmas Eve (if on a Sunday) : 12:00 - 01:00

Boxing Day (if on a Monday to Wednesday) : 11:00 - 01:00

Boxing Day (if on a Thursday) : 11:00 - 02:00

Boxing Day (if on a Friday to Saturday) : 11:00 - 03:00

Boxing Day (if on a Sunday) : 12:00 - 01:00

New Year's Eve : from the end of permitted hours on new Year's Eve to the start of permitted hours on New Year's Day.

Further Advice:

You have requested timings which mean there is not a 24 hour gap between TEN1 and TEN2 (sought to seek to close at 1am on 12th December 2022 on TEN1 but start at midnight on 13th December 2022 on TEN2). The same issue applies between TEN2 and TEN3 (sought to seek to close at 3am on 17th December 2022 on TEN2 but start at 2am on 18th December 2022 on TEN3). It is a legal requirement that the minimum period between events authorised under separate TENs in relation to the same premises (not including withdrawn TENs) by the same premises user is 24 hours.

You have also applied for "relevant entertainment". This means entertainment, such as lap dancing, stripping or of a similar nature. Do you intend to provide "relevant entertainment" or did you believe this meant regulated entertainment? Regulated entertainment is deemed a licensable activity under the first box in Section 3 of the application form.

The email received today from Mick Fallon is noted, but as Mr Fallon is not the applicant for these TENs, we do need a formal response from you Lorna.

As required by the law, I am copying the Chief of Police in via the Police Licensing Team, for his attention/information.

Yours sincerely
Ellie

Hi Ellie

I forgot to add Further notice remarks. I am unaware of errors with the entertainment, we have always put the time the music finishes in that box, was totally unaware it meant strippers etc. I have always put the timings in that box in previous TENS also I thought as long as they were separate TENS with in the 24 hours, it was ok, I gave some notice on these applications and if something was incorrect it would have been great to have some feedback and this could have been amended.

Thank you
