5.0 PROPOSED LICENCE CONDITIONS

- 5.1 The applicant offered conditions in Section M of the application form. Should the licence be granted in part or in full, the Responsible Authorities seek conditions be attached to the licence. All conditions can be seen together in Annex 07. Ongoing discussions are taking place with regards to these conditions; as a result some of the conditions overlap/duplicate one another.**

6.0 RELEVANT LAW, GUIDANCE & POLICIES:

- 6.1 The paragraphs below are extracted from either:**
6.1.1 the Licensing Act 2003 ('Act'); or
6.1.2 the Guidance issued by the Secretary of State to the Home Office of March 2015 ('Guid'); or
6.1.3 the London Borough of Enfield's Licensing Policy Statement of January 2015 ('Pol').

General Principles:

- 6.2 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].**
- 6.3 The licensing objectives are:**
6.3.1 the prevention of crime and disorder;
6.3.2 public safety;
6.3.3 the prevention of public nuisance; &
6.3.4 the protection of children from harm [Act s.4(2)].
- 6.4 In carrying out its functions, the Sub-Committee must also have regard to :**
6.4.1 the Council's licensing policy statement; &
6.4.2 guidance issued by the Secretary of State [Act s.4(3)].

Cumulative Impact Policy:

- 6.5 The applicant premises/club premises is located in the Edmonton Cumulative Impact Policy Area [Pol s.9.22/23].**
- 6.6 The application is for a variation of a premises licence [Pol s.9.22/23].**
- 6.7 The application is subject to a relevant representation [Pol s.9.22/23].**
- 6.8 Therefore the Cumulative Impact Policy applies to this application [Pol s.9.22/23].**
- 6.9 The Core Hours for this application are:**
6.9.1 Sale/supply of alcohol (off supplies only): Monday to Sunday Indoors and/or outdoors 08:00 to 00:00 [Pol s.9.24.1]:

6.10 The Council's policy is that this application (which is outside the Core Hours set out above) is subject to the presumption against grant that is implicit in a cumulative impact policy [Pol s.9.23].

6.11 Where the cumulative impact policy applies to an application, applicants are expected to demonstrate an understanding of how the policy impacts on their application; any measures they will take to mitigate the impact; and why they consider the application should be an exception to the policy [Guid 8.35].

Hours:

6.12 The Sub-Committee decides licensed opening hours as part of the implementation of the licensing policy statement and is best placed to make decisions about appropriate opening hours in their area based on their local knowledge and in consultation with responsible authorities. However, licensing authorities must always consider each application and must not impose predetermined licensed opening hours, without giving individual consideration to the merits of each application. [Guid 10.13].

6.13 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods [Pol s.8.4].

Decision :

6.14 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation. [Guid 9.36].

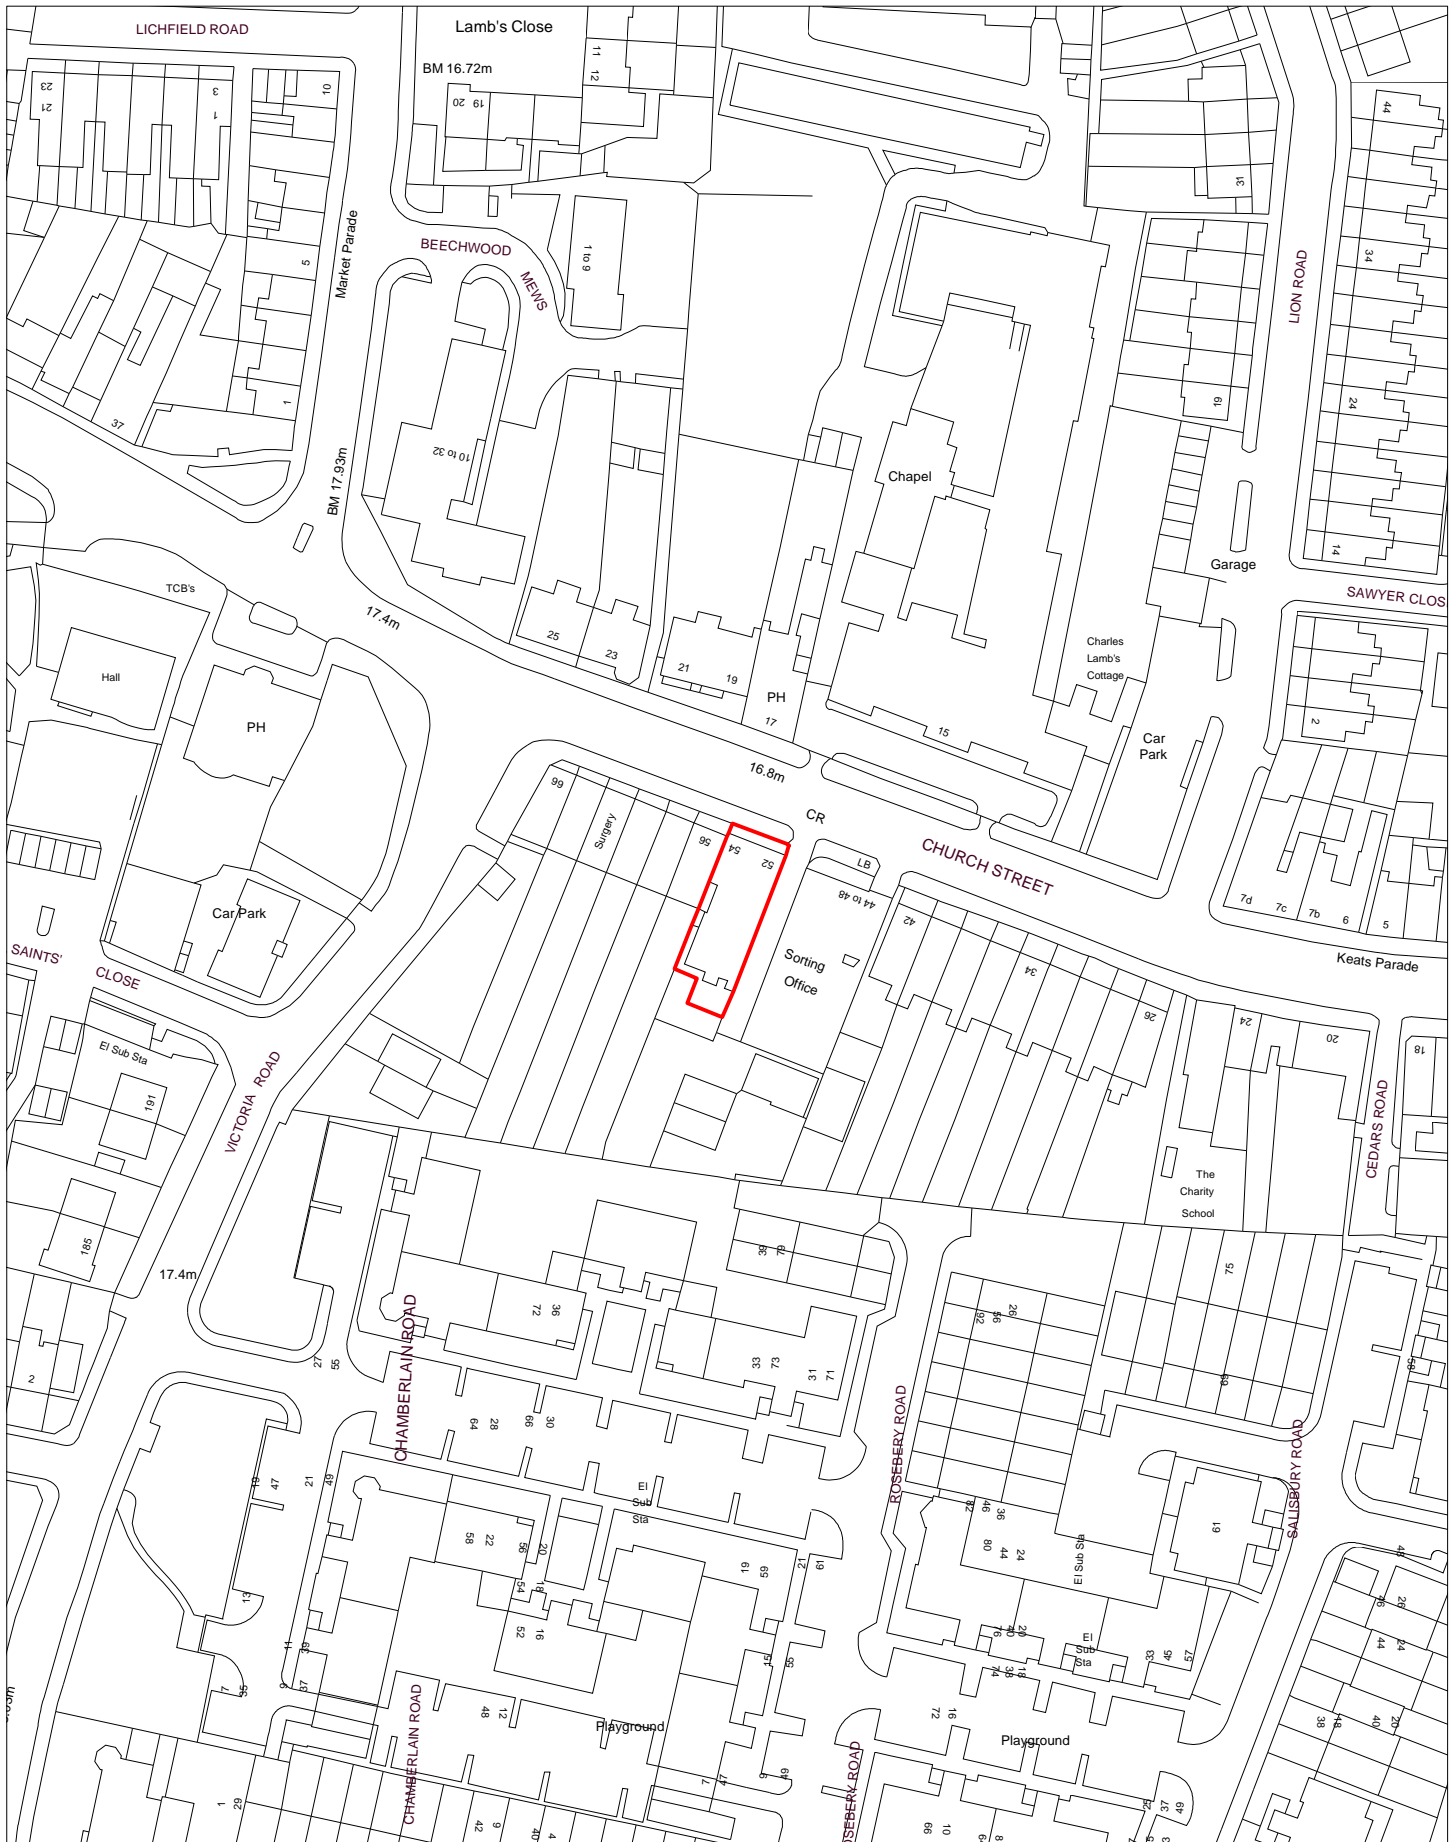

6.15 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:

- 6.15.1.1** the steps that are appropriate to promote the licensing objectives;
- 6.15.1.2** the representations (including supporting information) presented by all the parties;
- 6.15.1.3** the guidance; and
- 6.15.1.4** its own statement of licensing policy [Guid 9.37].

- 6.16** Having heard all of the representations (from all parties) the Sub-Committee must take such steps as it considers appropriate for the promotion of the licensing objectives. The steps are:
- 6.16.1** to grant the application subject to the mandatory conditions and such conditions as it considers necessary for the promotion of the licensing objectives;
- 6.16.2** to exclude from the scope of the licence any of the licensable activities to which the application relates;
- 6.16.3** to refuse to specify a person in the licence as the premises supervisor;
- 6.16.4** to reject the application [Act s.18].

New Year's Eve – from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

The information provided in this box is solely for information only and not intended to be converted into conditions on the licence.

The Lamb has the benefit of an existing premises licence, number LN/200501732.

The existing premises licence permits licensable activities from 10:00 hours to midnight on Monday to Sundays. Opening is permitted from 8am and continues until for 30 minutes after the end of licensable activities.

The purpose of the new premises licence application is to seek an additional one hour of trading on Friday and Saturdays, additional non standard timings and to update the premises licence to ensure that it is suitable for the style of operation at the premises.

A new and robust operating schedule is proposed. The applicant does not propose any change to the hours of operation on Sundays to Thursdays. The application does seek permission for licensable activities to continue until 01:00 hours the following day on Fridays and Saturdays, with close 30 minutes thereafter. Additional non standard timings to those already permitted by the premises licence are also sought.

The applicant is seeking later hours on Fridays and Saturdays in part following requests from our customers, who want to continue their night in a safe, supervised and comfortable environment in particular, when entertainment is offered. In addition, the experience of the premises and of Stonegate is

that the later hours sought will allow a longer wind down period and a more gradual dispersal which can be managed and contained.

The premises underwent a significant investment and refurbishment in late 2016 to improve the quality and customer experience. The operating schedule of the existing premises licence contains some outdated conditions along with other conditions which are still suitable for the style of operation however the wording of them is not clear. Much of the current operating schedule is replicated and offered as new conditions in boxes b) to e) below. However, new conditions are also offered which bolster the operating schedule ensuring it is robust, clear, appropriate and enforceable. These include in particular conditions regarding last entry and CCTV.

Prior to submission of the application, we contacted the Police and Licensing Officers of Enfield Council for their comments. Their comments have been taken into account in considering and drafting this application.

In particular, the applicant proposes to keep the existing last entry time of midnight when the premises trades until 1am. This reinforces the purpose of the application which is to keep our existing customers to allow them to enjoy their evening and supervise a controlled dispersal, rather than attract a new clientele.

Annemarie Hunt, the DPS, has been the manager at the premises for some time and works closely with the management team at Stonegate and the responsible authorities to ensure that the premises are promoting the licensing objectives at all times.

We have considered the impact of the new premises licence application and in particular note that the premises fall within the Edmonton cumulative impact area. However, during our discussions with the Council Officers they indicated that there are no concerns with the premises from a crime and disorder perspective. The low level of incidents attributed to the premises, strong management and the purpose of the application to benefit dispersal indicates that the proposed operation will continue to promote the licensing objectives. In addition, new conditions regarding last entry will ensure that this application actually supports the cumulative impact policy.

Stonegate Pub Company Limited have in place an extensive licensing manual detailing both company policies appropriate across the whole estate, along with procedures in place at a local level to ensure the premises operates to the highest standard and promotes the licensing objectives. These include policies regarding social responsibility, underage sales, and procedures to prevent crime and disorder and public nuisance.

The plans attached to this application are those attached to the existing premises licence. There has been no change to the layout of the premises.

The premises has also successfully used Temporary Event Notices to trial the later hours and no concerns have been raised.

In the event that this new premises licence is granted as applied for or in an acceptable form, the intention will be to surrender the existing premises licence number LN/200501732.

b) The prevention of crime and disorder

1. A CCTV system shall be installed at the premises and maintained in good working order and used at all times when the premises are open for licensable activities. Any CCTV footage shall be held for at least 28 days and shall be made available to an officer of the Licensing Authority or Police on reasonable request.

- d. Any complaints of noise nuisance from residents

3. The premises shall maintain a written dispersal policy, which shall be made available to the Police or an authorised officer of the Council upon request.
4. The premises shall maintain a written drugs policy, which shall be made available to the Police or an authorised officer of the Council upon request.

7. Alcoholic drinks shall not be removed from the premises in open containers save for consumption in any external area.

New Years Eve - from the end of permitted hours on New Years Eve to the start of permitted hours on New Year's Day

Location

This venue is situated within a busy commercial road with a number of other businesses nearby. There are residential properties to one side of the venue and on the opposite side of the street.

History

I have researched Police crime and intelligence systems relating to this venue and can find no events of any concern to Police that would affect the granting of the new licence. The venue has applied for and held approx 10 temporary events, running until 02:00, within the last year without incident.

Cumulative Impact Policy

London Borough of Enfield

Licensing Act 2003

Licensing Policy Statement (Fifth Edition 28th January 2015)

- 9.21 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.
- 9.22 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.

This premise is within Enfield Boroughs Cumulative Impact Policy area. Hours sort are not within the limits set out and as such, section 9.22 refers.

In summary I wish to make representation on the following:

- Prevention of crime & disorder

As the venue is within the CIP the Police have to object to the hours applied for but would agree to the licence being granted with hours in line with the CIP.

However, should the committee agree to this application and the licence were granted in full or part, I suggest that the following conditions be attached to the licence, as set out below, to further promote the licensing objectives. I have considered the applicants substantial operating schedule when making these requests.

CCTV

CCTV is an essential ingredient in deterring crime and gathering evidence if crime is committed. Although CCTV is discussed in the operating schedule, insufficient detail has been provided to ensure its quality and integrity. Police therefore request the following condition is applied to the premises licence to ensure quality performance.

A digital CCTV system must be installed in the premises complying with the following criteria:

1. Cameras must be sited to observe the entrance and exit doors and floor areas.
2. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
3. Cameras overlooking floor areas should be wide angled to give an overview of the premises.
4. Provide a linked record of the date, time, and place of any image.
5. Provide good quality images.
6. Operate under existing light levels within and outside the premises.
7. Have the recording device located in a secure area or locked cabinet.
8. Have a monitor to review images and recorded picture quality.
9. Be regularly maintained to ensure continuous quality of image capture and retention.
10. Have signage displayed in the customer area to advise that CCTV is in operation.
11. Digital images must be kept for 28 days.
12. Police or authorised local authority employees will have access to images at any reasonable time.
13. The equipment must have a suitable export method, e.g. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy. If this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Immediate copies must be made available to Police or authorised local authority employees on request.

An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:

LICENSING AUTHORITY REPRESENTATION

This representation is made by Enfield's Licensing Enforcement Team and is made in consultation with and on behalf of the Trading Standards Service (inspectors of Weights & Measures), Planning authority, Health & Safety authority, Environmental Health authority and the Child Protection Board.

I confirm I am authorised to speak at any hearing on behalf of the Licensing authority, Trading Standards Service (inspectors of Weights & Measures), Planning authority, Health & Safety authority, Environmental Health authority, and Child Protection Board).

Name and address of premises: The Lamb Public House
52 Church Street
Edmonton
N9 9PA

Type of Application: New Premises Licence

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the following reasons:

Background History:

This is a new application for a public house to provide the following activities;

Activity	Proposed Times
Opening hours	08:00 – 00:30 Sun – Thurs 08:00 – 01:30 Fri - Sat
Alcohol (on and off supply) Films Indoor Sporting Events Live Music Recorded Music Performance of Dance	10:00 – 00:00 Sun – Thurs 10:00 – 01:00 Fri - Sat
Late Night Refreshment	23:00 – 00:00 Sun – Thurs 23:00 – 01:00 Fri - Sat

This application is also to increase the licensed hours by one hour on approximately 29 other specified days. If granted, this would mean that if, for example, St Patrick's Day fell on a Friday or Saturday then the terminal hour for licensable activities would be 02:00 instead of 01:00 and if St Patrick's night was on a Sun – Thursday midnight would increase to 01:00.

The premises already has a premises licence to allow licensable activities every day until midnight.

Cumulative Impact Policy (CIP)

This premises is located in a Cumulative Impact Policy (CIP) area and the hours exceed those permitted by the CIP.

The CIP relates to all new and variation applications and states that the core hours granted for this type of premises in this particular location should not exceed the following:

Plays, films, indoor sporting events, boxing or wrestling entertainments, live music, recorded music and / or performance of dance:

Monday to Sunday 09:00 – 24:00.

Sale/supply of alcohol (on supplied only or on & off supplies):

Monday to Sunday 10:00 – 24:00.

Late night refreshment:

Monday to Sunday 23:00 to 24:00

Where the hours applied for exceed those specified in the CIP there is a presumption that the application will be refused.

The CIP does not prevent Temporary Event Notices from being permitted. This premises has held the following TENs within the last 12 months:

18/03/17 - 00:01 – 19/03/17 – 02:00

02/02/17 - 00:01 – 02:00

25/12/16 - 00:00 – 02:00

27/08/16 - 01:00 – 02:30

29/06/16 - 00:01 – 02:00

05/06/16 - 00:01 – 02:00

29/05/16 - 00:00 – 02:00

01/05/16 - 00:00 – 02:00

24/04/16 - 00:00 – 02:00

10/04/16 - 00:00 – 02:00

Complaint History

The only complaint received about this premises in the last 12 months relates to noise from waste collections.

Residents

There are residential properties adjoining the premises on one side. There are additional residential properties further down the street.

Children (On-Licence) Policy

Section 8.6 of Enfield's Licensing Policy states 'There is a strong presumption that the Council will not license premises to permit persons under the age of 18 to be present on premises after 23:00, where the premises are exclusively or primarily used for the sale and consumption of alcohol on the premises'.

I wish to make representation on the following:

- **Prevention of Crime and Disorder**
- **Prevention of Nuisance**
- **Protection of Children from Harm**

As this premises is in a CIP the Licensing Authority has to object to the hours applied for and instead recommend that the licence be granted with hours in line with the CIP.

The applicant will need to persuade the Licensing Sub Committee as to why they should go against council policy and grant the licence.

The Licensing Authority is concerned about the additional hours requested on the days specified in the application as ambient noise levels will be reduced further at these times and residents could be affected by noise from those leaving the premises during the early hours of the morning.

I have taken into consideration the conditions offered in the operating schedule of this application. If the licence is granted in full or part I recommend that the following conditions be attached to the licence in order to fully promote the licensing objectives:

- All bar staff shall receive induction and refresher training (at least every three months) in relation to the sale of alcohol and the times and conditions of the premises licence.
- All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises (this may be in electronic format). These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.
- A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed at the premises.
- A log (which may be electronic) of refused sales shall be kept on the premises detailing all refused sales of alcohol. This log shall contain the date and time of the refusal, a description of the customer, the name of the staff member who refused the sale, and the reason the sale was refused. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.
- The Designated Premises Supervisor shall regularly check the refusals book to ensure it is being consistently used by all staff.
- The premises shall maintain a written dispersal policy, which shall be made available to the Police or an authorised officer of the Council upon request.
- The premises shall maintain a written drugs policy, which shall be made available to the Police or an authorised officer of the Council upon request.
- Save for on New Years Eve, when the premises are open for the sale of alcohol beyond midnight, there shall be no new admission to the premises after midnight, save for customers who have temporarily left the premises to smoke.
- Alcoholic drinks shall not be removed from the premises in open containers save for consumption in any extremal area belonging to the premises.
- When regulated entertainment in the form of live music or DJ led entertainment is taking place, staff will monitor noise both internally and externally.

- When regulated entertainment in the form of live music or DJ led entertainment is taking place, doors and windows will be closed except for access or egress.
- Customers shall not be permitted to take their drinks into the front external area of the premises after 23:00 hours Mondays to Saturdays and after 22:30 hours on Sundays.
- No waste or recyclable materials, including bottles, shall be moved or placed in the front external area between 23:00 and 07:00 the following day.
- Prominent, clear and legible notices shall be displayed at all public exits from the premises requesting customers respect the needs of local residents and leave the premises and area quietly. These notices shall be positioned at eye level and in a location where those leaving the premises can read them.
- Children under the age of 18 shall only be permitted on the premises if accompanied by an adult and only until 23:00 hours.

I reserve the right to provide further information to support this representation.

If these amended times and conditions were accepted in full I WOULD withdraw my representation.

IP1 Objection

Dear Gill

Thanks for sending me this licensing application.

I find having such an establishment on sharing the same building as residential apartments above worrying.

Notwithstanding the application restrict music to the front part of the establishment they are still requesting leave to play music every night of the week until 10:00pm, below habitable rooms of the apartments above. It is highly likely the apartments above and adjacent will be occupied by families with children young children. Subjection to nightly music until 10:00pm cannot be said to facilitate peaceful enjoyment of their accommodations.

Although music will not be played at the rear of the premises the proposal want to be able to have clientele in the rear garden. The occupants of the apartments above and neighbours will be subjected to loud conversation and laughter of the kind generally occur after prolong drinking of alcohol. This will become unbearable on hot nights when to relieve the heat Windows have to be opened. Allowing people to congregate, every night of the week in the rear garden presumably drinking, cannot be sanctioned by the council as this will effect the have an adverse effect on the standard of living of the neighbours and the occupants of the apartments above.

I am also concerned that in event of a fire residents in the apartment above are forced to exit through the establishment. Is this exist adequate?

Response to Objection from Cllr Donald McGowan

From: Mansur Duzgun

Subject: 112 High Street, Enfield, EN3 4ES

Dear Committee members,

I would like to put forward the following response to Cllr Donald McGowan's objections following my application to vary some of my current licensable activities/conditions.

The application to vary the licence has been submitted because the premises has undergone building/decorating works changing part of the existing layout of the property. One of these changes is to completely close off the rear garden creating an enclosed rear room in place of the garden, therefore one of the amendments requested is to remove the rear garden description from the current licence and refer to the space as a rear room. The new rear room is completely enclosed and has a newly installed ventilation system. The rear room is to be used for electronic shisha smoking. Alcohol is not permitted in the rear room. The front of the premises is a restaurant where alcohol is consumed however I would like to point out that the sale of alcohol contributes to a very small percentage of the businesses income.

The amendments we are requesting can only lessen any noise nuisance to the occupants living in the flat above or any neighbours, even though we have not had any noise nuisance complaints from the neighbours or the occupants above.

Enfield council licensing team are aware of the changes and advised that we make an application to amend certain conditions of the current license, they are as followed:

Music: (I would like to state that although our current licence permits us to play live music, we do not, we play soft recorded background music)

1. **Rear garden: condition 16 of the current licence to be amended to:** music shall not be provided to the rear room of the premises. Currently we play background music to this area, if the amendment is accepted, we will not be playing any form of music to the rear room. This area is no longer a rear garden, it is an enclosed rear room. The front of the premises is a restaurant, therefore if we do play any music, it can only be soft background music.
2. **Condition 17 of the current license to be amended to:** There shall be no more than 30 people in the rear room of the premises from opening time until 21:00 and no more than 10 people shall be permitted in the rear room between 21:00 and 22:00. The current licence does not state how many people we can have in this area, if the amendment is granted, it will only lessen the amount of people whom can use the rear room resulting in less noise.

3. **Exit from flat in case of fire:** The flat above has its own separate entrance and exit and the business has its own entrance and exit.
4. **Residential apartments above:** We have never had any noise nuisance complaints from the residents living in the above apartment. This is due to the fact that we have always played soft background music at a low level as well as having good installation.
