732**GAMBLING ACT 2005 - ENFIELD'S LICENSING POLICY (REPORT NO. 75)**

LICENSING COMMITTEE - 26.9.2018

RECEIVED the report of the Principal Licensing Officer.

NOTED

1. Introduction by Ellie Green (Principal Licensing Officer) that this report was presented to Licensing Committee as part of the formal approval of the Council's licensing policy Gambling Act 2005.
2. This was the fifth edition of the statement, which must legally be published every three years.
3. The authority's position remained strong in respect of a resolution not to issue casino premises licences.
4. The local area profile alongside the policy was highlighted and that updates could be done more frequently and efficiently.
5. The public consultation had received no unexpected comments. Where possible the comments had been included. Annex 3 of the report showed the responses. Matters regarding cumulative impact and online gambling were not in the Council's remit to consider. Consideration may only be given to the three licensing objectives set by the Gambling Act 2005. Consideration of the cumulative impact of betting shops was prohibited by the Gambling Act. Enfield's records showed that the number of betting shops in the borough had varied between 80 and 73 and the current actual number was 77, so there had been no surge in shops opening at any one time.
6. Discussions were ongoing, for example the campaign in relation to fixed odds terminals. There had been mention of introducing cumulative impact and additional licensing objectives but at the moment the scope for changing the Council's policy was limited.
7. Members welcomed the engagement, and the responses received during the consultation period, and observed that the maps and correlations were interesting and useful.
8. Members supported not issuing casino premises licences.

AGREED to

1. note the results of the public consultation and amendments made to the proposed Statement of Principles, under the Gambling Act 2005;
2. approve the Statement of Principles, under the Gambling Act 2005, attached as Appendix 1 of the report;
3. resolve not to issue casino premises licences, under the Gambling Act 2005.

**SAFETY ADVISORY GROUP (SAG) AND THE LICENSING PROCESS
(REPORT NO. 76)**

LICENSING COMMITTEE - 26.9.2018

RECEIVED the report of the Principal Licensing Officer.

NOTED

1. The introduction by Esther Hughes (Chair of LB Enfield Safety Advisory Group (SAG)) of the report produced in response to councillors' requests for more information in respect of their advice being provided to Licensing Sub-Committees (LSC).
2. The template to collate the SAG advice was a work in progress, and the latest draft was circulated to Members for feedback. This tried to draw out the pertinent points to help the LSC in making decisions.
3. Important points were the date of the SAG meeting and the representatives of the event in attendance.
4. SAG meetings were scheduled every third Tuesday of the month, to ensure attendance by all key partners, including Police and Emergency Planning.
5. It was aimed to bring events for consideration by SAG in good time to then be able to pass advice to LSC.
6. SAG would consider anything pertinent to the licensing objectives or anything giving concern, or outstanding. The consideration of crime and disorder issues fell to the Police at SAG. Public safety considerations fell mainly to Environmental Health, including traffic management. A lot of events had been running for some years and the authorities had built up a good relationship with the organisers and focus would be on trying to control factors outside the event. Prevention of public nuisance was important, particularly how noise and disturbance could be minimised and managed so there was not severe detrimental impact.
7. SAG would give a recommendation to object or to grant with conditions. The industry guidance (purple guide) was used by SAG as a benchmark.
8. There would be an agreed date for a final event management plan to be submitted, recognising the need for some flexibility around this. The basic plan would be published, but it would be the case that some sensitive information may need to be not disclosed.
9. Details of how an event would be monitored were important. There would always be clear lines of communication, and real-time communications. There would always be Parks staff in place, and the Council was looking to skill up staff with more environmental health knowledge and awareness to help in monitoring.
10. The Chair confirmed his preference for the SAG information to be provided to Members by being handed out to LSC on the day of a hearing.
11. The taking of a higher bond from event organisers was discussed, with a greater amount subsequently to be given back for good behaviour.
12. In response to Members' queries, it was advised that the notification letters sent to residents by the Parks Department would be improved and would set out the grounds on which objections could be submitted.
13. The advice from SAG would provide evidence to demonstrate that the responsible authorities had given full consideration to licence applications and should assure residents and ward councillors that background work had been done and that all concerns were taken seriously.

LICENSING COMMITTEE - 26.9.2018

14. Members approved the proposed procedure and that the template included the information required by LSC.

1. EXECUTIVE SUMMARY

- 1.1 The Council has a statutory duty , following public consultation, to publish its licensing policy Licensing Act 2003, every five years.
- 1.2 The Council may also, every five years, resolve not to adopt the sexual entertainment venues licensing provisions contained within the Policing and Crime Act 2009.

2. RECOMMENDATIONS

- 2.1 To approve the minor changes in the 6th Edition of the licensing policy Licensing Act 2003.

3. THE CONSULTATION AND ITS RESULTS

- 3.1 The current 5th Edition of Licensing Policy Statement is attached as Annex A.
- 3.2 The 6th Edition of our Licensing Policy Statement must be approved by full Council by January 2020 and that draft is attached as Annex B.
- 3.3 The 6th Edition Licensing Policy Statement now has:
- 3.3.1 Clarified definitions (Sections 5, 12 and 15);

- 3.3.2 Updated borough statistics (Section 6) and crime statistics (Section 9 and annexes);
 - 3.3.3 Updated responsible agencies and referral agencies such as Canal River Trust (Section 2.11) and Safer Sounds Partnership (Section 14.2);
 - 3.3.4 Included the 2015 Statutory Guidance (1.5) and 2018 Public Space Protection Order (Section 17).
- 3.4 It was recommended and agreed with the Council's consultation and web team that the public consultation should take place between 12 August and 22 September 2019 (six weeks). The consultation was published on the Council's website, and general comments were to be sent to Licensing, rather than a questionnaire format.
- 3.5 Emails advising of the consultation were sent to:
- 3.5.1 All Responsible Authorities and other bodies listed as required by the policy, as per page 4 of the draft 6th Edition;
 - 3.5.2 North London Chamber of Commerce;
 - 3.5.3 Voluntary Community Services (who included it in newsletters and council's Facebook page);
 - 3.5.4 All councillors, and was included in the Members Newsletters;
 - 3.5.5 Relevant communications newsletters;
 - 3.5.6 PubWatch members.
- 3.6 The Licensing Team received two responses to the consultation, which although appears a low response rate, is not unsurprising due to the low-level changes made by the 6th Edition draft.
- 3.7 The responses were received on behalf of Transport for London and London Fire Brigade and are summarised in Annex 3.

1. INTRODUCTION

- 1.1 This Licensing Policy Statement ('the Policy') is issued by the London Borough of Enfield ('the Council'), as Licensing Authority, under the Licensing Act 2003 ('the Act').
- 1.2 The Policy relates to all licensing activities falling within the provisions of the Act, namely :
- 1.2.1 the supply of alcohol (either sold by retail or supplied to a club member);
 - 1.2.2 the provision of regulated entertainment;
 - 1.2.3 the provision of late night refreshment.
- 1.3 Supply of alcohol includes the retail sale of alcohol, including for consumption on or off premises, with or without food, and the supply of alcohol by or on behalf of a club to, or on the order of, a member of the club.
- 1.4 Regulated entertainment occurs where the entertainment takes place in the presence of an audience and is provided for the purpose, or for purposes which include the purpose, of entertaining the audience and includes :
- 1.4.1 a performance of a play;
 - 1.4.2 an exhibition of a film;
 - 1.4.3 an indoor sporting event;
 - 1.4.4 a boxing or wrestling entertainment;
 - 1.4.5 a performance of live music;
 - 1.4.6 any playing of recorded music;
 - 1.4.7 a performance of dance;
 - 1.4.8 entertainment of a similar description.
- 1.5 Late night refreshment is the provision of hot food and/or drink between the hours of 23:00 and 05:00.
- 1.6 The Policy takes into account Guidance ('the Guidance') issued by the appropriate Secretary of State under section 182 of the Act.
- 1.7 The Policy supports the Council's vision to make Enfield a better place to live and work, delivering fairness for all, growth and sustainability and strong communities.

2. LICENSING OBJECTIVES

- 2.1 The Council, in carrying out its licensing functions under the Act, will promote the Licensing Objectives, which are :
- 2.1.1 the prevention of crime and disorder;
 - 2.1.2 public safety;
 - 2.1.3 the prevention of public nuisance;
 - 2.1.4 the protection of children from harm.

3. POLICY STATEMENT

- 3.1 The purpose of the Policy is to inform Members, applicants, residents and businesses of the key principles under which the Council will make licensing decisions.
- 3.2 Every application considered by the Council under this Policy, will be considered on its merits where relevant representations are made in respect of any application and a hearing is convened and regard is given to the Act and the Guidance and any supporting regulations.
- 3.3 The Council maintains that licensing is about the control of licensed premises, qualifying clubs and temporary events within the terms of the Act and any terms and conditions attached to licences will be focused on matters that are within the control of individual licensees and in the vicinity of premises.
- 3.4 The Crime and Disorder Act 1998 promotes the practice of partnership working to reduce crime and disorder and places a statutory duty on police and local authorities to develop and implement a strategy to tackle problems in their area. In doing so, the responsible authorities are required to work in partnership with a range of other local public, private, community and voluntary groups and with the community itself.
- 3.5 This approach recognises that both the causes of crime and disorder and the interventions required to deliver safer, more secure communities lies with a range of organisations, groups and individuals working in partnership. Crime reduction is not solely the responsibility of the police.
- 3.6 For people in the community the quality of their life in their neighbourhoods is affected by a whole range of influences. Quite rightly, they do not apportion responsibility for solutions uniquely to each individual agency and as part of our own community, we recognise situations in which the actions of one agency can positively contribute to the work of another. Local organisations working together can collectively provide interventions and responses to tackle problems and provide earlier, more effective solutions.

4. CONSULTATION

- 4.1 The Policy is made following consultation with (amongst others) :
- 4.1.1 The Chief Officer of Police;
- 4.1.2 The London Fire Brigade;
- 4.1.3 Bodies representing local holders of premises licences;
- 4.1.4 Bodies representing local holders of club premises certificates;
- 4.1.5 Bodies representing local holders of personal licences;
- 4.1.6 Bodies representing businesses and residents in the Council's area.

5. DEFINITIONS

- 5.1 'Interested Party' is defined in section 13(3) of the Act and means any of the following :
- 5.1.1 a person living in the vicinity of the premises;
 - 5.1.2 a body representing persons who live in that vicinity;
 - 5.1.3 a person involved in a business in that vicinity;
 - 5.1.4 a body representing persons involved in such businesses
- 5.2 'Responsible Authority' is defined in section 13(4) of the Act and means any of the following :
- 5.2.1 the chief officer of police for any police area in which the premises are situated;
 - 5.2.2 the fire authority for any area in which the premises are situated;
 - 5.2.3 the enforcing authority within the meaning given by section 18 of the Health and Safety at Work etc. Act 1974 for any area in which the premises are situated;
 - 5.2.4 the local planning authority within the meaning given by the Town and Country Planning Act 1990 (c.8) for any area in which the premises are situated;
 - 5.2.5 the local authority by which statutory functions are exercisable in any area in which the premises are situated in relation to minimizing or preventing the risk of pollution of the environment or of harm to human health;
 - 5.2.6 a body which (i) represents those who, in relation to any such area, are responsible for, or interested in, matters relating to the protection of children from harm, and (ii) is recognised by the licensing authority for that area for the purposes of this section as being competent to advise it on such matters;
 - 5.2.7 any licensing authority (other than the relevant licensing authority) in whose area part of the premises is situated;
 - 5.2.8 in relation to a vessel (i) a navigation authority, (ii) the Environment Agency, (iii) the British Waterways Board, or (iv) the Secretary of State;

- 5.3 'Provisional statement' means a statement issued under section 31(2) or (3) (c) of the Act, which relates to premises that are about to be constructed, extended or otherwise altered.
- 5.4 The Council regards 'irresponsible price promotions' as those that encourage people to drink faster and more than they would when normal pricing arrangements apply.
- 5.5 'Significant event' is deemed by the Metropolitan Police Service to be any occasion in a premises licensed under the provisions of the Licensing Act 2003, where there will be a live performer(s) – meaning musicians, DJs, MCs or other artiste; that is promoted in some form by either the venue or an outside promoter; where entry is either free, by invitation, pay on the door or by ticket.

6. THE BOROUGH OF ENFIELD

6.1 Enfield is London's northernmost Borough and covers 32 square miles. There are five major roads passing through, including the M25 in the north. About one third of the Borough is residential comprising some 115,000 homes. Another third is Green Belt land (predominantly in the north and west) comprising country parks, farmland and open land (including urban parks, sports fields, golf courses, allotments and school playing fields). There are also fifteen conservation areas. The Borough has a population of 281,775 (Office of National Statistics 2001 census updated 2002).

7. CHILDREN

7.1 The Act imposes certain controls by way of criminal penalty relating to the access to certain premises by unaccompanied children. In addition, Policy may create further restrictions for certain premises relating to access by children.

7.2 The Council recognises the wide variety of premises for which licences may be granted. It also recognises that there are many circumstances where it is appropriate for children to be present on premises and seeks to encourage their access to constructive leisure pursuits that support the social fabric of the Borough. It also recognises that there are circumstances where it is appropriate to limit or prevent access by children for the purposes of the Licensing Objectives.

7.3 The Council will not therefore impose conditions that restrict or prevent access by children unless this is necessary to promote the Licensing Objectives. It will however seek to ensure that children are not permitted to remain at or enter certain premises after a specified cut-off time or times.

7.4 In determining a specified cut-off time, the committee will take into account :

7.4.1 the concerns of Responsible Authorities and Interested Parties who have made representations;

7.4.2 the steps set out in an operating schedule that the licensee will take to meet the Licensing Objectives having regard to the nature of the premises or events for which the licence is required.

CHILDREN (OFF-LICENCE) POLICY

7.5 For premises supplying alcohol for consumption off premises, the Council normally requires applicants to have arrangements to ensure that children under 14 years, not accompanied by an adult, are not permitted to remain at or enter the premises after 21:00.

7.5.1 NB. The age-limit of 14 years is intended as an upper limit and does not imply that this limit will be permitted for all relevant applications.

- 7.6 There will be a strong presumption against access by persons under 18 to premises where any of the following apply :
 - 7.6.1 where adult entertainment is provided;
 - 7.6.2 where there have been convictions of the current management for serving alcohol to minors;
 - 7.6.3 where requirements for proof of age cards or other age identification to combat the purchase of alcohol by minors is not the norm;
 - 7.6.4 where there is a known association with drug taking or dealing;
 - 7.6.5 where there is a strong element of gambling on the premises;
 - 7.6.6 where the supply of alcohol for consumption on the premises is the exclusive or primary purposes of the services provided at the premises

- 7.7 In order to protect children, the Licensing Committee or Sub-Committee's options would include, among other things, requiring conditions relating to :
 - 7.7.1 requirements for the production of proof of age cards or other age identification before sales are made;
 - 7.7.2 limitations on the hours when children may be present;
 - 7.7.3 age limitations below 18;
 - 7.7.4 limitations or exclusions when certain activities are taking place;
 - 7.7.5 access limited to parts of the premises;
 - 7.7.6 requirements for accompanying adults;
 - 7.7.7 full exclusion of people under 18 from the premises when any licensable activities are taking place.

- 7.8 No conditions will be imposed to the effect that children must be admitted to licensed premises.

- 7.9 Conditions may be imposed on licences for premises where children will be present during regulated entertainment to the effect that adult staff must be present to control the access and egress of children and to ensure their safety.

- 7.10 Children and cinemas :
 - 7.10.1 The Council will require licensees to include in their operating schedules arrangements for restricting the viewing of films by children below the age of any restriction for that film as classified according to the recommendations of the British Board of Film Classification or the Council, as the case may be;
 - 7.10.2 In respect of all premises licences and club premises certificates that authorise the exhibition of films to children, a mandatory condition will be required for the exhibition of any film to be restricted in accordance with the recommendations given to films by a body designated under section 4 of the Video Recordings Act 1984 or by the Council;
 - 7.10.3 The Council will expect the premises to provide adequate numbers of attendants in accordance with model conditions from the Guidance;
 - 7.10.4 It is not the Council's intention to re-classify films that have been classified by a body designated under section 4 of the Video Recordings Act 1984. However, the Council reserves the right to do so in exceptional circumstances.

8. LICENSING HOURS

- 8.1 The Council will deal with licensing hours on the merits of each individual application, again, only if relevant representations are made and there is a hearing to consider them. Applicants are expected to provide details of the measures they intend to take in order to promote the Licensing Objectives.
- 8.2 The Council recognises that variable licensing hours for the sale of alcohol may be desirable to ensure that concentrations of customers leaving premises simultaneously are avoided. However where this may lead to longer opening hours the Council also recognises the potential for additional crime and disorder and/or public nuisance that may arise.
- 8.3 However, there is no general assumption in favour of lengthening licensing hours and the four Licensing Objectives should be paramount considerations at all times. Where there are representations against an application and the Sub-Committee believes that extending the licensing hours would undermine the Licensing Objectives, they may reject the application or grant it with appropriate conditions and/or different hours from those requested.
- 8.4 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods. It is accepted that applicants' operating schedules may adequately provide for such circumstances and the Council will not seek to impose stricter conditions unless relevant representations are received and a hearing takes place.
- 8.5 The Council takes the view that persons under 18 may be at risk by late night access to premises primarily used for the sale and consumption of alcohol. In particular, exposure to late night drinking may encourage illegal drinking and detrimentally affect studies and work.

CHILDREN (ON-LICENCE) POLICY

- 8.6 There is a strong presumption that the Council will not license premises to permit persons under the age of 18 to be present on premises after 23:00, where the premises are exclusively or primarily used for the sale and consumption of alcohol on the premises.**

- 8.7 'Off sales' :
- 8.7.1 The Guidance recommends to Licensing Authorities that shops, stores and supermarkets should normally be permitted to sell alcohol during their normal trading hours, for consumption off premises, where consistent with the Licensing Objectives;
- 8.7.2 Whilst accepting this principle in respect of certain premises, the Council also recognises that in individual cases availability of alcohol, particularly late at night, can contribute to anti-social behaviour around premises licensed to sell alcohol for consumption off premises;
- 8.7.3 Licences for the sale of alcohol for consumption off premises, particularly late night sales, will be resisted and/or limitations may be imposed in the case of specific premises known to be or likely to be, a focus of crime and disorder, nuisance or those presenting a risk of harm to children.
- 8.8 Late Night Takeaway Premises :
- 8.8.1 Applications for premises offering late night take away food and drink will be considered on their individual merits and in the absence of relevant representations shall be granted in accordance with the application subject only to such conditions as are consistent with the operating schedule and conditions that are mandatory under sections 19 to 21 of the Act;
- 8.8.2 However, the impact upon the licensing objectives from people gathering at such premises, particularly after other licensed premises have closed, can be considerable. In determining licensing hours, regard will therefore be had to the density and closing times of licensed premises in the vicinity;
- 8.8.3 The cumulative effect of litter in the vicinity of premises carrying on licensable activities can cause public nuisance. For example, it may be appropriate and necessary for a condition of a licence to require takeaway premises to provide litterbins in order to prevent the accumulation of litter.

9. CUMULATIVE IMPACT POLICY

Introduction

- 9.1 The Guidance provides that the cumulative impact of licensed premises on the promotion of the licensing objectives is a proper matter for a licensing authority to consider in developing its licensing policy statement. Cumulative impact means the potential impact on the promotion of the licensing objectives of a significant number of licensed premises concentrated in one area.
- 9.2 The steps to be followed in considering whether to adopt a special policy relating to cumulative impact within the council's statement of licensing policy are as follows :
- 9.2.1 Identify concern about crime and disorder or public nuisance;
- 9.2.2 Consider whether there is good evidence that crime and disorder or nuisance is happening and is caused by the customers of licensed premises or, that the risk of cumulative impact is imminent;
- 9.2.3 Identify the boundaries of the area where problems are occurring;

9.2.4 Consult those specified in section 5(3) of the Act, and subject to the outcome of the consultation, include and publish details of the cumulative impact within the licensing policy statement.

9.3 The effect of adopting a cumulative impact is to create a rebuttable presumption that applications for new premises licences or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, following relevant representations, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on the licensing objectives.

Identifying Concern about Crime and Disorder or Public Nuisance

9.4 In 2009 the Council's Community Safety Service, in partnership with the Metropolitan Police, identified two areas where there was a positive correlation between the concentrations of licensed premises and the levels of anti-social behaviour and crimes of violence against the person. After due consideration, it was not considered appropriate at that time to adopt those areas as being subject to cumulative impact within the Council's licensing policy.

9.5 Further work by the Community Safety partnership and the police has now led to the conclusion that the cumulative impact of a concentration of licensed premises in four areas of Enfield is undermining the promotion of the licensing objectives in those areas.

9.6 Police statistics are known to underestimate the numbers of alcohol related crime because of the high level of under reporting. Government estimates suggest that almost a half of all violent crime is alcohol related. But nationally the burden of alcohol related crime goes much wider than that, because alcohol related crime and drunken offenders place a huge burden on the police and other public services :

9.6.1 from approximately 10.30pm to 3am the majority of arrests are for alcohol-related offences;

9.6.2 there is the potential for routine incidents of public nuisance to escalate to more serious, especially violent, offences;

9.6.3 dealing with intoxicated offenders can be difficult and time consuming. For example, they may have to be kept in cells long enough to sober up; while they are there the police have a duty of care and have to ensure the offender does not come to harm by choking on their own vomit. The offender may have to be checked every 15 minutes. Medical attention may be necessary. Female offenders need female police officers to attend certain procedures who may have to be taken off other duties;

9.6.4 intoxicated prisoners can be disruptive, uncooperative and may present severe hygiene problems, urinating or defecating in their clothing during or after arrest.

9.7 The Council has also taken note of the results of the 2010/11 Enfield resident's Ipsos MORI survey and in particular that, whilst 70% of residents were either very satisfied or fairly satisfied with their local area as a place to live, they also had significant concerns about crime and disorder. Of those

surveyed, 64% said they thought the level of crime was one of the most important things in making somewhere a good place to live and almost 40% said the level of crime was one of the things that needed improving. Almost a third of those surveyed considered that people being drunk or rowdy in a public place was a problem.

- 9.8 All local authorities must fulfil their responsibilities under section 17 of the Crime and Disorder Act 1998 when carrying out their functions as licensing authorities under the Licensing Act 2003. Section 17 places a duty on local authorities and the police to do all they reasonably can to prevent crime and disorder in their area.
- 9.9 The Guidance states that the four licensing objectives are paramount considerations at all times. But the Guidance also identifies a number of other key aims and purposes which it says should be the principal aims for everyone involved in licensing work. They include ‘the necessary protection of local residents whose lives can be blighted by disturbance and anti-social behaviour associated with the behaviour of some people visiting licensed premises of entertainment.’

Evidence that crime and disorder or nuisance are happening and are caused by the customers of licensed premises, or that the risk of cumulative impact is imminent

- 9.10 Recent analysis of police statistics by the Enfield Community Safety Unit has shown an increase of 23% in what they describe as ‘alcohol and night time economy offences in the last 12 months. Most such offences are occurring on Friday nights into Saturday mornings and Saturday nights into Sunday mornings. Those are the times when pubs, clubs and bars are most highly populated.
- 9.11 Typically, most such offences are recorded between midnight and 3am. That information has been confirmed by comparing London Ambulance data which identifies people taken to hospital who have been the victims of assault, or who are treated for problems that are alcohol related.
- 9.12 The areas that show the highest levels of such incidents, or the most significant increases are: Fore Street, Hertford Road (where although there has been a decrease in the overall levels of night time alcohol related incidents comparative levels remain high) and Enfield Town.
- 9.13 **Annex 1** is a table showing police data records for crime and anti-social behaviour calls in Edmonton, Enfield Highway, Enfield Town and Southgate. It displays the numbers of crimes in three categories : All Crime; Violent Crime only; and Anti-Social Behaviour Calls. The first column of numbers displays the total crimes in those categories between 11am and 3pm, the second column those between 11pm and 3am and then in subsequent columns the total numbers on each day of the week.
- 9.14 The comparison between four of the busiest hours of the day, when footfall may be expected to be at its highest in a town centre, and four night time

hours, which may be expected to see far fewer people on the streets because shops and offices are closed is informative because places of entertainment are the main attraction at those times.

- 9.15 As may be expected, the 'all crimes' category during the day for Edmonton, Enfield Highway and Enfield Town show higher levels of crime than the night time period, particularly because the 'all crimes' totals include acquisitive crime. However, the 'violent crimes' only category which is so often associated with alcohol shows high levels during both periods in Edmonton, but a higher number of recorded incidents of violence during the night time period in each of Enfield Highway, Enfield Town and Southgate, as compared to the day time.
- 9.16 For 'anti-social behaviour' calls, there are a higher number of calls to the police during the night time period up to 3am in Edmonton, in Enfield Town and in Southgate, with a similar number during each period in Enfield Highway. Police experience shows that after 10pm anti-social behaviour calls are most often alcohol related.
- 9.17 **Annex 2** is the analysis of noise data in these four areas shows a clear peak for noise complaints in Enfield Highway at around midnight. In Southgate the second highest peak time for noise complaints is at midnight.
- 9.18 Public nuisance caused by noise is a cause of great concern to local residents who may be trying to sleep themselves or who have young children who are woken at night by intoxicated revellers.
- 9.19 **Annex 3** provides alcohol related crime data for the period to September 2014.

Identify the boundaries of the area where problems are occurring

- 9.20 Following analysis of the police data and of council records relating to public nuisance, four areas have been identified which the evidence indicates are subject to high levels of public nuisance and certain categories of crime and disorder which are connected to the concentrations of licensed premises in those areas. Those four areas are designated as :
- 9.20.1 **Edmonton**, as delineated and highlighted on the map at **Annex 4**;
- 9.20.2 **Enfield Highway**, as delineated and highlighted on the map at **Annex 5**;
- 9.20.3 **Enfield Town**, as delineated and highlighted on the map at **Annex 6**;
- 9.20.4 **Southgate**, as delineated and highlighted on the map at **Annex 7**.

Consultation on Cumulative Impact Policies

- 9.21 In light of the concerns and evidence about alcohol related crime and disorder and public nuisance, set out above in this policy statement, the Council consulted those specified in section 5(3) Licensing Act 2003.

CUMULATIVE IMPACT POLICY

- 9.22** Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.
- 9.23** Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.
- 9.24** **Core Hours** :
- 9.24.1** Sale/supply of alcohol (off supplies only) :
Monday to Sunday 08:00 to 24:00
- 9.24.2** Plays, Films, Indoor sporting events, Boxing or wrestling entertainments, Live music, Recorded music and/or Performance of dance :
Monday to Sunday 09:00 to 24:00
- 9.24.3** Sale/supply of alcohol (on supplies only or on & off supplies) :
Monday to Sunday 10:00 to 24:00
- 9.24.4** Late night refreshment :
Monday to Sunday 23:00 to 24:00
- 9.24.5** New Year's Eve : Any premises or club that is licensed for both the on supply of alcohol and for regulated entertainment may remain open and provide their licensed activities from the end of licensed hours on New Year's Eve to the start of licensed hours on New Year's Day.

Conclusion

- 9.25** In developing these policies the council has given careful consideration to the whole of the Guidance. In particular, it has considered that, in some circumstances, flexible licensing hours can ensure that concentrations of customers leaving premises simultaneously are avoided, which can help to reduce the friction at late night fast food outlets, taxi ranks and bus stops which sometimes lead to friction and to crime and disorder.
- 9.26** It also takes note of the need to ensure a thriving and safe evening and night time economy which are important to investment and employment locally, but have to be balanced against the requirement to promote the

licensing objectives. Some premises, for example restaurants where there is no 'take away' facility and alcohol is only provided as ancillary to substantial food provided to people seated at table, generally have a lower incidence of crime than premises selling alcohol where substantial food is not available and there is little seating.

- 9.27 The policy of the council takes account of the particular circumstances that apply in each of the designated cumulative impact areas in Enfield and the evidence that problems of crime and disorder and public nuisance are generally associated with longer and later hours. It is the view of the Police nationally that longer and later hours for premises licensed to sell alcohol lead to problems later in the night and that those problems are most apparent outside the licensed premises and around fast food outlets and taxi ranks.
- 9.28 It is not the intention of the Council to impose a particular terminal hour in any area of Enfield, as urged against in the Guidance. Where an application is made for later hours than the core hours, and representations are made, then such applications will always be carefully considered against the above policies and any relevant representations. The consideration of hours of operation will include the context of each application within each of the licensing objectives. For example, the hours at which noise may occur and the extent to which that may affect local resident's sleep and relaxation, will be a consideration because late night premises may have an impact on the local environment and can cause public nuisance.
- 9.29 Neither is it the intention of the Council to impose quotas, based on either the number of premises or the capacity of those premises. Quotas could indirectly have the effect of predetermining the outcome of an application. The licensing authority will consider each application with regard to the Council's policies and each application will be determined with a view to promoting the licensing objectives.

10. LICENCE APPLICATIONS AND REVIEW

- 10.1 In its consideration of applications or in a review of a licence where representations have been received, the Council must give appropriate weight to: the steps that are necessary to promote the Licensing Objectives; the representations presented by all parties; the Guidance; and this Policy. Where relevant, particular regard will be given to the factors shown under Special Factors for Consideration below. Particular regard will be given to evidence identifying any history or pattern of practice which impacts upon the Licensing Objectives.
- 10.2 When preparing their Operating Schedules, applicants should consider the Special Factors for Consideration below. The Council may refuse to grant or may attach conditions to a licence where it is not satisfied that these factors have been properly addressed by the applicant's Operating Schedule.
- 10.3 In reviewing a licence, after representations and/or after a hearing, the Council will consider, and take into account, the complaints history of the premises and all other relevant information.

11. OPERATING SCHEDULES

- 11.1 An Operating Schedule is submitted with a licence application and contains the information required by section 17(4) of the Act. Among other things, it includes the steps that the applicant proposes to take to promote the Licensing Objectives. Where a risk to the Licensing Objectives is present, the Council expects applicants to specifically address in their operating schedules, how they will meet the Special Factors for Consideration.

12. SPECIAL FACTORS FOR CONSIDERATION

 - 12.2.3 measures to record and limit the number of persons on the premises;
 - 12.2.4 the adequacy of transportation arrangements to ensure that customers may safely travel to and from the premises and nuisance is avoided by concentrations of people unable to access transport in a timely manner;
 - 12.2.5 confirmation that any arrangements or advertising of taxis solely relate to taxis licensed by a recognised licensing authority;
 - 12.2.6 arrangements to ensure the safety for users, including people with disabilities, in the event of fire or other emergency;

- 12.3.1 noise from delivery vehicles;
 - 12.3.2 noise from vehicles delivering and collecting customers;
 - 12.3.3 noise and/or vibrations emanating from the premises including extended/external areas such as beer gardens;
 - 12.3.4 noise, anti-social behaviour and other disturbance caused by persons leaving the premises;
 - 12.3.5 in relation to urination in public places the means to prevent nuisances should include the adequacy of lavatories, financial contributions towards the provision and/or maintenance of public urinals and supervision in the vicinity of the premises;
 - 12.3.6 congregations of persons, whether consuming alcohol or not, either waiting to enter, leaving or spilling/standing outside the premises;
 - 12.3.7 litter and accumulations of rubbish;
 - 12.3.8 the removal from premises of drinking vessels and bottles;
 - 12.3.9 vermin and pests;
 - 12.3.10 light pollution;

- 12.3.11 use of fireworks or other explosives / special effects;
- 12.3.12 noxious smells;
- 12.3.13 arrangements to ensure that public lavatories within premises are available for use throughout the entire period that the public are on those premises;
- 12.3.14 noise from persons smoking outside the premises;

- 12.4 **Protection of Children from Harm** - the means by which harm to children will be or is prevented by the effective arrangement and operation of the licensed activities including :
 - 12.4.1 the prevention of unlawful supply, consumption and use of alcohol and drugs and other products which it is illegal to supply to children, including proof of age arrangements;
 - 12.4.2 premises restrictions on the access by children to the whole or any part of premises, including times when children may not be present;

 - 12.4.6 adequacy of controls on the times during which children may be present on the premises;
 - 12.4.7 the nature of the licensed premises and facilities provided e.g. sporting, cultural and recreational, where these may provide a tangible social benefit, particularly for children and may contribute to crime and disorder reduction and the protection of children from harm.

13. CONDITIONS

- 13.1 When relevant representations are made by a Responsible Authority or Interested Parties, the Committee may impose conditions on licences. Any such conditions, which must be necessary for the promotion of the Licensing Objectives, will be specific to the individual premises and events. Conditions may be drawn from the model pool of conditions in the Guidance.

- 13.2 Special conditions may be imposed for certain types of venues to prevent the sale and consumption of drugs and to create a safer environment for those who may have taken them. These conditions will take into account the "Safer Clubbing" guidelines issued by the Home Office and model conditions from the Guidance. Where these conditions are to be imposed advice may be sought from appropriate bodies such as the Enfield Drug Action Team and the Police, who it is envisaged will make representations on such applications.

- 13.3 The Council will have regard to the impact of licensable activities at specific premises on persons living and working in the vicinity of those premises, which are disproportionate and unreasonable. These issues will mainly concern noise, light pollution, noxious smells, litter and vermin and pest infestations. Nuisance may include, in appropriate circumstances, the detrimental impact upon the living and working amenity and environment of

‘interested parties’. Special conditions and other limitations may be considered necessary where customers may be inclined towards carelessness and anti-social behaviour as a result of consuming alcohol.

13.4 The Council will give consideration to setting capacity limits for licensed premises or clubs where it may be necessary for public safety or otherwise to prevent over-crowding which may lead to disorder and nuisance. Where applicable, further consideration will also be given to whether door supervisors would also be needed to ensure that the numbers are appropriately controlled.

13.5 The Council recognises proper account will need to be taken to encourage and promote live music, dancing and theatre for the wider cultural benefit of the community, including for example, opera, jazz and the performance of a wide range of traditional and historic plays, contemporary music and other arts.

14. SIGNIFICANT EVENTS

14.1 The Council recommends that for significant events, a comprehensive risk assessment is undertaken by premises licence holders to ensure that matters related to the licensing objectives are identified and addressed.

14.2 Licence holders are advised to contact the Metropolitan Police Service and enquire if the Police require that the Event Risk Assessment Form 696 and the After Promotion/Event Debrief Risk Assessment Form 696A be completed and submitted to them.

15. TEMPORARY EVENTS

15.1 The Act requires that a Temporary Event Notice (TEN) must be given to the licensing authority no later than 10 working days before the day on which the event begins. Nevertheless, the Council will seek the co-operation of Personal Licence holders and other people serving TENs in allowing more than the minimum required 10 days. To this end the Council strongly recommend giving (the longest possible notice) at least three months’ notice to hold all but the smallest events; this will allow the Council to help organisers plan their events safely and may mean the Police are less likely to object to the proposed event.

15.2 Organisers of temporary events should be aware that although a licence or authorisation may not be needed under the Act, other legislation might apply. This can include :

15.2.1 Health and Safety at Work etc. Act 1974;

15.2.2 Fire Precautions Act 1971;

15.2.3 Environmental Protection Act 1990.

- 15.3 Organisers of temporary events should also be aware that it is highly likely that the Council's enforcement officers will visit events held under the terms of a Temporary Event Notice to ensure compliance with legal requirements. While mindful of the Council's Enforcement Policy, the Council will normally prosecute where serious offences are detected.
- 15.4 Organisers and promoters of temporary events should be mindful of the 'Special Factors for Consideration' outlined above.

16. **ENFORCEMENT**

- 16.1 The Council will follow the Better Regulation and Hampton principles and shall endeavour to be :
- 16.1.1 **Proportionate** - regulators should only intervene when necessary, remedies should be appropriate to the risk posed, and costs identified and minimised;
- 16.1.2 **Accountable** - regulators must be able to justify decisions, and be subject to public scrutiny;
- 16.1.3 **Consistent** - rules and standards must be joined up and implemented fairly;
- 16.1.4 **Transparent** - regulators should be open, and keep regulations simple and user friendly;
- 16.1.5 **Targeted** - regulation should be focused on the problem, and minimise side effects.
- 16.2 The Council will endeavour to avoid duplication with other regulatory regimes so far as possible.
- 16.3 The Council will adopt a risk-based inspection programme. The Council's risk model for premises licences will be based upon the Licensing Objectives.
- 16.4 The main enforcement and compliance role for the Council under the Act is to ensure compliance with the premises licences and other permissions which it authorises.
- 16.5 The Council's enforcement/compliance protocols/written agreements and risk methodology will be available on the Council's web-site.

17. INTEGRATION OF POLICIES AND AVOIDANCE OF DUPLICATION

- 17.1 The Council will seek to avoid any duplication with other statutory/regulatory systems where possible. The Council will not have regard to whether or not a proposal by the applicant is likely to be permitted in accordance with the law relating to planning or building.
- 17.2 The Council has adopted powers to designate parts of its area as places where alcohol may not be consumed publicly. These 'designated areas' will be kept under review by the Council.
- 17.3 The Council and its partners has produced an Alcohol Harm Reduction policy, which the Council will take into account in considering representations to licence applications and complaints from Responsible Authorities and Interested Parties seeking a review of a licence.

1. INTRODUCTION

- 1.1 This Licensing Policy Statement ('the Policy') is issued by the London Borough of Enfield ('the Council'), as Licensing Authority, under the Licensing Act 2003 ('the Act').
- 1.2 The Policy relates to all licensing activities falling within the provisions of the Act, namely:
 - 1.2.1 the supply of alcohol (either sold by retail or supplied to a club member);
 - 1.2.2 the provision of regulated entertainment;
 - 1.2.3 the provision of late-night refreshment.
- 1.3 Supply of alcohol includes the retail sale of alcohol, including for consumption on or off premises, with or without food, and the supply of alcohol by or on behalf of a club to, or on the order of, a member of the club.
- 1.4 Regulated entertainment occurs where the entertainment takes place in the presence of an audience and is provided for the purpose, or for purposes which include the purpose, of entertaining the audience and includes:
 - 1.4.1 a performance of a play;
 - 1.4.2 an exhibition of a film;
 - 1.4.3 an indoor sporting event;
 - 1.4.4 a boxing or wrestling entertainment;
 - 1.4.5 a performance of live music;
 - 1.4.6 any playing of recorded music;
 - 1.4.7 a performance of dance;
 - 1.4.8 entertainment of a similar description.
- 1.5 The Statutory Guidance sets out the deregulatory changes to regulated entertainment which amended the 2003 Act in April 2015, and this is taken into consideration.
- 1.6
- 1.7 Late night refreshment is the provision of hot food and/or drink between the hours of 23:00 and 05:00.
- 1.8 The Policy takes into account Guidance ('the Guidance') issued by the appropriate Secretary of State under section 182 of the Act.

The Policy supports the Council's vision for Enfield to have good homes in well-connected neighbourhoods, sustain strong and healthy communities and build our economy to create a thriving place.

2. LICENSING OBJECTIVES

- 2.1 The Council, in carrying out its licensing functions under the Act, will promote the Licensing Objectives, which are:
 - 2.1.1 the prevention of crime and disorder;
 - 2.1.2 public safety;
 - 2.1.3 the prevention of public nuisance;

- 2.1.4 the protection of children from harm.

3. POLICY STATEMENT

- 3.1 The purpose of the Policy is to inform Members, applicants, residents and businesses of the key principles under which the Council will make licensing decisions.
- 3.2 Every application considered by the Council under this Policy, will be considered on its merits where relevant representations are made in respect of any application and a hearing is convened and regard is given to the Act and the Guidance and any supporting regulations.
- 3.3 The Council maintains that licensing is about the control of licensed premises, qualifying clubs and temporary events within the terms of the Act and any terms and conditions attached to licences will be focused on matters that are within the control of individual licensees and in the vicinity of premises.
- 3.4 The Crime and Disorder Act 1998 promotes the practice of partnership working to reduce crime and disorder and places a statutory duty on police and local authorities to develop and implement a strategy to tackle problems in their area. In doing so, the responsible authorities are required to work in partnership with a range of other local public, private, community and voluntary groups and with the community itself.
- 3.5 This approach recognises that both the causes of crime and disorder and the interventions required to deliver safer, more secure communities lies with a range of organisations, groups and individuals working in partnership. Crime reduction is not solely the responsibility of the police.
- 3.6 For people in the community the quality of their life in their neighbourhoods is affected by a whole range of influences. Quite rightly, they do not apportion responsibility for solutions uniquely to each individual agency and as part of our own community, we recognise situations in which the actions of one agency can positively contribute to the work of another. Local organisations working together can collectively provide interventions and responses to tackle problems and provide earlier, more effective solutions.

4. CONSULTATION

- 4.1 The Policy is made following consultation with (amongst others):
- 4.1.1 The Chief Officer of Police;

5.2.2 the chief officer of police for any police area in which the premises are situated;

5.2.3 the fire authority for any area in which the premises are situated;

5.2.4 the Local Health Board for any area in which the premises are situated

- 5.3 'Provisional statement' means a statement issued under section 31 of the Act, which relates to premises that are about to be constructed, extended or otherwise altered.

- 5.4 The Council regards ‘irresponsible price promotions’ as those that encourage people to drink faster and more than they would when normal pricing arrangements apply.

6. THE BOROUGH OF ENFIELD

- 6.1 Enfield is London’s northernmost Borough and covers 32 square miles. There are four major roads passing through, including the M25 in the north. About one third of the Borough is residential comprising some 125,000 homes. Another third is Green Belt land (predominantly in the north and west) comprising country parks, farmland and open land (including urban parks, sports fields, golf courses, allotments and school playing fields). The proportion of total green space in the borough is higher, at 45%. There are also 22 **officially** recognised Conservation Areas. The Borough has a population of 332,705 (Office of National Statistics mid-year estimate 2017).

7. CHILDREN

- 7.1 The Act imposes certain controls by way of criminal penalty relating to the access to certain premises by unaccompanied children. In addition, Policy may create further restrictions for certain premises relating to access by children.
- 7.2 The Council recognises the wide variety of premises for which licences may be granted. It also recognises that there are many circumstances where it is appropriate for children to be present on premises and seeks to encourage their access to constructive leisure pursuits that support the social fabric of the Borough. It also recognises that there are circumstances where it is appropriate to limit or prevent access by children for the purposes of the Licensing Objectives.
- 7.3 The Council will not therefore impose conditions that restrict or prevent access by children unless this is necessary to promote the Licensing Objectives. It will however seek to ensure that children are not permitted to remain at or enter certain premises after a specified cut-off time or times.
- 7.4 In determining a specified cut-off time, the committee will take into account:
- 7.4.1 the concerns of Responsible Authorities and Other Parties who have made representations;
- 7.4.2 the steps set out in an operating schedule that the licensee will take to meet the Licensing Objectives having regard to the nature of the premises or events for which the licence is required.

CHILDREN (OFF-LICENCE) POLICY

- 7.5 For premises supplying alcohol for consumption off premises, the Council normally requires applicants to have arrangements to ensure that children under 14 years, not accompanied by an adult, are not permitted to remain at or enter the premises after 21:00.**
- 7.5.1 NB. The age-limit of 14 years is intended as an upper limit and does not imply that this limit will be permitted for all relevant applications.**

- 7.6 There will be a strong presumption against access by persons under 18 to premises where any of the following apply:
- 7.6.1 where adult entertainment is provided;
 - 7.6.2 where there have been convictions of the current management for serving alcohol to minors;
 - 7.6.3 where requirements for proof of age cards or other age identification to combat the purchase of alcohol by minors is not the norm;
 - 7.6.4 where there is a known association with drug taking or dealing;
 - 7.6.5 where there is a strong element of gambling on the premises;
 - 7.6.6 where the supply of alcohol for consumption on the premises is the exclusive or primary purposes of the services provided at the premises
- 7.7 In order to protect children, the Licensing Committee or Sub-Committee's options would include, among other things, requiring conditions relating to:
- 7.7.1 requirements for the production of proof of age cards or other age identification before sales are made;
 - 7.7.2 training of staff who are authorised to sell alcohol;
 - 7.7.3 limitations on the hours when children may be present;
 - 7.7.4 age limitations below 18;
 - 7.7.5 limitations or exclusions when certain activities are taking place;
 - 7.7.6 access limited to parts of the premises;
 - 7.7.7 requirements for accompanying adults;
 - 7.7.8 full exclusion of people under 18 from the premises when any licensable activities are taking place.
- 7.8 No conditions will be imposed to the effect that children must be admitted to licensed premises.
- 7.9 Conditions may be imposed on licences for premises where children will be present during regulated entertainment to the effect that adult staff must be present to control the access and egress of children and to ensure their safety.
- 7.10 Children and cinemas:
- 7.10.1 The Council will require licensees to include in their operating schedules arrangements for restricting the viewing of films by children below the age of any restriction for that film as classified according to the

- recommendations of the British Board of Film Classification or the Council, as the case may be;
- 7.10.2 In respect of all premises licences and club premises certificates that authorise the exhibition of films to children, a mandatory condition will be required for the exhibition of any film to be restricted in accordance with the recommendations given to films by a body designated under section 4 of the Video Recordings Act 1984 or by the Council;
- 7.10.3 The Council will expect the premises to provide adequate numbers of attendants in accordance with model conditions from the Guidance;
- 7.10.4 It is not the Council's intention to re-classify films that have been classified by a body designated under section 4 of the Video Recordings Act 1984. However, the Council reserves the right to do so in exceptional circumstances.

8. LICENSING HOURS

- 8.1 The Council will deal with licensing hours on the merits of each individual application, again, only if relevant representations are made and there is a hearing to consider them. Applicants are expected to provide details of the measures they intend to take in order to promote the Licensing Objectives.
- 8.2 The Council recognises that variable licensing hours for the sale of alcohol may be desirable to ensure that concentrations of customers leaving premises simultaneously are avoided. However, where this may lead to longer opening hours the Council also recognises the potential for additional crime and disorder and/or public nuisance that may arise.
- 8.3 However, there is no general assumption in favour of lengthening licensing hours and the four Licensing Objectives should be paramount considerations at all times. Where there are representations against an application and the Sub-Committee believes that extending the licensing hours would undermine the Licensing Objectives, they may reject the application or grant it with appropriate conditions and/or different hours from those requested.
- 8.4 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods. It is accepted that applicants' operating schedules may adequately provide for such circumstances and the Council will not seek to impose stricter conditions unless relevant representations are received, and a hearing takes place.
- 8.5 The Council takes the view that persons under 18 may be at risk by late night access to premises primarily used for the sale and consumption of

alcohol. In particular, exposure to late night drinking may encourage illegal drinking and detrimentally affect studies and work.

CHILDREN (ON-LICENCE) POLICY

8.6 There is a strong presumption that the Council will not license premises to permit persons under the age of 18 to be present on premises after 23:00, where the premises are exclusively or primarily used for the sale and consumption of alcohol on the premises.

8.7 'Off sales':

8.7.1 The Guidance recommends to Licensing Authorities that shops, stores and supermarkets should normally be permitted to sell alcohol during their normal trading hours, for consumption off premises, where consistent with the Licensing Objectives;

8.7.2 Whilst accepting this principle in respect of certain premises, the Council also recognises that in individual cases availability of alcohol, particularly late at night, can contribute to anti-social behaviour around premises licensed to sell alcohol for consumption off premises;

8.7.3 Licences for the sale of alcohol for consumption off premises, particularly late-night sales, will be resisted and/or limitations may be imposed in the case of specific premises known to be or likely to be, a focus of crime and disorder, nuisance or those presenting a risk of harm to children.

8.8 Late Night Takeaway Premises:

8.8.1 Applications for premises offering late night take away food and drink will be considered on their individual merits and in the absence of relevant representations shall be granted in accordance with the application subject only to such conditions as are consistent with the operating schedule and conditions that are mandatory under sections 19 to 21 of the Act;

8.8.2 However, the impact upon the licensing objectives from people gathering at such premises, particularly after other licensed premises have closed, can be considerable. In determining licensing hours, regard will therefore be had to the density and closing times of licensed premises in the vicinity;

8.8.3 The cumulative effect of litter in the vicinity of premises carrying on licensable activities can cause public nuisance. For example, it may be appropriate and necessary for a condition of a licence to require takeaway premises to provide litterbins in order to prevent the accumulation of litter.

9. CUMULATIVE IMPACT POLICY

Introduction

9.1 The Guidance provides that the cumulative impact of licensed premises on the promotion of the licensing objectives is a proper matter for a licensing authority to consider in developing its licensing policy statement. Cumulative impact means the potential impact on the promotion of the

licensing objectives of a significant number of licensed premises concentrated in one area.

- 9.2 The steps to be followed in considering whether to adopt a special policy relating to cumulative impact within the council's statement of licensing policy are as follows:
- 9.2.1 Identify concern about crime and disorder or public nuisance;
 - 9.2.2 Consider whether there is good evidence that crime and disorder or nuisance is happening and is caused by the customers of licensed premises or, that the risk of cumulative impact is imminent;
 - 9.2.3 Identify the boundaries of the area where problems are occurring;
 - 9.2.4 Consult those specified in section 5(3) of the Act, and subject to the outcome of the consultation, include and publish details of the cumulative impact within the licensing policy statement.
- 9.3 The effect of adopting a cumulative impact is to create a rebuttable presumption that applications for new premises licences or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, following relevant representations, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on the licensing objectives.

Identifying Concern about Crime and Disorder or Public Nuisance

- 9.4 In 2009 the Council's Community Safety Service, in partnership with the Metropolitan Police, identified two areas where there was a positive correlation between the concentrations of licensed premises and the levels of anti-social behaviour and crimes of violence against the person. After due consideration, it was not considered appropriate at that time to adopt those areas as being subject to cumulative impact within the Council's licensing policy.
- 9.5 Further work by the Community Safety partnership and the police in 2012 led to the conclusion that the cumulative impact of a concentration of licensed premises in four areas of Enfield is undermining the promotion of the licensing objectives in those areas.
- 9.6 Police statistics are known to underestimate the numbers of alcohol related crime because of the high level of under reporting. Government estimates suggest that almost a half of all violent crime is alcohol related. But nationally the burden of alcohol related crime goes much wider than that, because alcohol related crime and drunken offenders place a huge burden on the police and other public services:
- 9.6.1 from approximately 10.30pm to 3am the majority of arrests are for alcohol-related offences;
 - 9.6.2 there is the potential for routine incidents of public nuisance to escalate to more serious, especially violent, offences;
 - 9.6.3 dealing with intoxicated offenders can be difficult and time consuming. For example, they may have to be kept in cells long enough to sober up; while they are there the police have a duty of care and have to ensure the offender does not come to harm by choking on their own vomit. The

- offender may have to be checked every 15 minutes. Medical attention may be necessary. Female offenders need female police officers to attend certain procedures who may have to be taken off other duties;
- 9.6.4 intoxicated prisoners can be disruptive, uncooperative and may present severe hygiene problems, urinating or defecating in their clothing during or after arrest.
- 9.7 All local authorities must fulfil their responsibilities under section 17 of the Crime and Disorder Act 1998 when carrying out their functions as licensing authorities under the Licensing Act 2003. Section 17 places a duty on local authorities and the police to do all they reasonably can to prevent crime and disorder in their area.
- 9.8 The Guidance states that the four licensing objectives are paramount considerations at all times. But the Guidance also identifies a number of other key aims and purposes which it says should be the principal aims for everyone involved in licensing work. They include 'the necessary protection of the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises.

Evidence that crime and disorder or nuisance are happening and are caused by the customers of licensed premises, or that the risk of cumulative impact is imminent

- 9.9 Annex 1 details the following information:**
- 9.9.1 All Crime Reports from 2014 to 2018 with % change;
- 9.9.2 All Alcohol Related Violence Against the Person 2014 to 2018 with % change;
- 9.9.3 All Alcohol Related Crime 2014 to 2018 with % change;
- 9.9.4 All Alcohol Related Anti-Social Behaviour Calls by Ward from 2014 to 2018 with % change.
- 9.10 Public nuisance caused by noise is a cause of great concern to local residents who may be trying to sleep themselves or who have young children who are woken at night by intoxicated revellers.
- 9.11 **Annex 3 to 6** shows the maps of the Cumulative Impact Policy (CIP).

Consultation on Cumulative Impact Policies

- 9.12 In light of the concerns and evidence about alcohol related crime and disorder and public nuisance, set out above in this policy statement, the Council consulted those specified in section 5(3) Licensing Act 2003.

CUMULATIVE IMPACT POLICY

- 9.13 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.**
- 9.14 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.**
- 9.15 Core Hours:**
- 9.15.1 Sale/supply of alcohol (off supplies only):
Monday to Sunday 08:00 to 24:00**
- 9.15.2 Plays, Films, Indoor sporting events, Boxing or wrestling entertainments, Live music, Recorded music and/or Performance of dance:
Monday to Sunday 09:00 to 24:00**
- 9.15.3 Sale/supply of alcohol (on supplies only or on & off supplies):
Monday to Sunday 10:00 to 24:00**
- 9.15.4 Late night refreshment:
Monday to Sunday 23:00 to 24:00**
- 9.15.5 New Year's Eve: Any premises or club that is licensed for both the on supply of alcohol and for regulated entertainment may remain open and provide their licensed activities from the end of licensed hours on New Year's Eve to the start of licensed hours on New Year's Day.**

Conclusion

- 9.16 In developing these policies, the council has given careful consideration to the whole of the Guidance. In particular, it has considered that, in some circumstances, flexible licensing hours can ensure that concentrations of customers leaving premises simultaneously are avoided, which can help to reduce the friction at late night fast food outlets, taxi ranks and bus stops which sometimes lead to friction and to crime and disorder.**
- 9.17 It also takes note of the need to ensure a thriving and safe evening and night time economy which are important to investment and employment locally but have to be balanced against the requirement to promote the licensing objectives. Some premises, for example restaurants where there is no 'take away' facility and alcohol is only provided as ancillary to**

substantial food provided to people seated at table, generally have a lower incidence of crime than premises selling alcohol where substantial food is not available and there is little seating.

- 9.18 The policy of the council takes account of the particular circumstances that apply in each of the designated cumulative impact areas in Enfield and the evidence that problems of crime and disorder and public nuisance are generally associated with longer and later hours. It is the view of the Police nationally that longer and later hours for premises licensed to sell alcohol lead to problems later in the night and that those problems are most apparent outside the licensed premises and around fast food outlets and taxi ranks.
- 9.19 It is not the intention of the Council to impose a particular terminal hour in any area of Enfield, as urged against in the Guidance. Where an application is made for later hours than the core hours, and representations are made, then such applications will always be carefully considered against the above policies and any relevant representations. The consideration of hours of operation will include the context of each application within each of the licensing objectives. For example, the hours at which noise may occur and the extent to which that may affect local resident's sleep and relaxation, will be a consideration because late night premises may have an impact on the local environment and can cause public nuisance.
- 9.20 Neither is it the intention of the Council to impose quotas, based on either the number of premises or the capacity of those premises. Quotas could indirectly have the effect of predetermining the outcome of an application. The licensing authority will consider each application with regard to the Council's policies and each application will be determined with a view to promoting the licensing objectives.

10. LICENCE APPLICATIONS AND REVIEW

- 10.1 In its consideration of applications or in a review of a licence where representations have been received, the Council must give appropriate weight to the steps that are necessary to promote the Licensing Objectives; the representations presented by all parties; the Guidance; and this Policy. Where relevant, particular regard will be given to the factors shown under Special Factors for Consideration below. Particular regard will be given to evidence identifying any history or pattern of practice which impacts upon the Licensing Objectives.
- 10.2 When preparing their Operating Schedules, applicants should consider the Special Factors for Consideration below. The Council may refuse to grant or may attach conditions to a licence where it is not satisfied that these factors have been properly addressed by the applicant's Operating Schedule.

- 10.3 In reviewing a licence, after representations and/or after a hearing, the Council will consider, and take into account, the complaints history of the premises and all other relevant information.

11. OPERATING SCHEDULES

- 11.1 An Operating Schedule is submitted with a licence application and contains the information required by section 17(4) of the Act. Among other things, it includes the steps that the applicant proposes to take to promote the Licensing Objectives. Where a risk to the Licensing Objectives is present, the Council expects applicants to specifically address in their operating schedules, how they will meet the Special Factors for Consideration.

 - 12.3.3 noise and/or vibrations emanating from the premises including extended/external areas such as beer gardens;
 - 12.3.4 noise, anti-social behaviour and other disturbance caused by persons leaving the premises;
 - 12.3.5 in relation to urination in public places the means to prevent nuisances should include the adequacy of lavatories, financial contributions towards the provision and/or maintenance of public urinals and supervision in the vicinity of the premises;
 - 12.3.6 congregations of persons, whether consuming alcohol or not, either waiting to enter, leaving or spilling/standing outside the premises;

 - 12.3.12 noxious smells;
 - 12.3.13 arrangements to ensure that public lavatories within premises are available for use throughout the entire period that the public are on those premises;
 - 12.3.14 noise from persons smoking outside the premises;
- 12.4 **Protection of Children from Harm** - the means by which harm to children will be or is prevented by the effective arrangement and operation of the licensed activities including:
- 12.4.1 the prevention of unlawful supply, consumption and use of alcohol and drugs and other products which it is illegal to supply to children, including proof of age arrangements;
 - 12.4.2 premises restrictions on the access by children to the whole or any part of premises, including times when children may not be present;

- 12.4.3 the protection from inappropriate exposure to strong language, expletives or entertainment of an adult or sexual nature;
- 12.4.4 the protection from significant gambling;
- 12.4.5 arrangements to deter, drug taking or dealing;
- 12.4.6 adequacy of controls on the times during which children may be present on the premises;
- 12.4.7 the nature of the licensed premises and facilities provided e.g. sporting, cultural and recreational, where these may provide a tangible social benefit, particularly for children and may contribute to crime and disorder reduction and the protection of children from harm.

13. CONDITIONS

- 13.1 When relevant representations are made by a Responsible Authority or Other Person, the Committee may impose conditions on licences. Any such conditions, which must be necessary for the promotion of the Licensing Objectives, will be specific to the individual premises and events. Conditions may be drawn from the model pool of conditions in the Guidance.
- 13.2 Special conditions may be imposed for certain types of venues to prevent the sale and consumption of drugs and to create a safer environment for those who may have taken them. These conditions will take into account the "Safer Nightlife" initiative and model conditions from the Guidance. Where these conditions are to be imposed advice maybe sought from appropriate bodies such as the Police, who it is envisaged will make representations on such applications.
- 13.3 The Council will have regard to the impact of licensable activities at specific premises on persons living and working in the vicinity of those premises, which are disproportionate and unreasonable. These issues will mainly concern noise, light pollution, noxious smells, litter and vermin and pest infestations. Nuisance may include, in appropriate circumstances, the detrimental impact upon the living and working amenity and environment of 'other persons'. Special conditions and other limitations may be considered necessary where customers may be inclined towards carelessness and anti-social behaviour as a result of consuming alcohol.
- 13.4 The Council will give consideration to setting capacity limits for licensed premises or clubs where it may be necessary for public safety or otherwise to prevent over-crowding which may lead to disorder and nuisance. Where applicable, further consideration will also be given to whether door supervisors would also be needed to ensure that the numbers are appropriately controlled.
- 13.5 The Council recognises proper account will need to be taken to encourage and promote live music, dancing and theatre for the wider cultural benefit of the community, including for example, opera, jazz and the performance of a

wide range of traditional and historic plays, contemporary music and other arts.

14. SIGNIFICANT EVENTS

- 14.1 The Council recommends that for significant events, a comprehensive risk assessment is undertaken by premises licence holders to ensure that matters related to the licensing objectives are identified and addressed.
- 14.2 The Metropolitan Police advises licence holders to refer to organisations such as the 'Safer Sounds Partnership', or similar to assist operators in risk assessing their own premises or events before finalising arrangements.

15. TEMPORARY EVENTS

- 15.1 The Act requires that a Temporary Event Notice (TEN) must be given to the licensing authority no later than 10 working days or a Late Temporary Event Notice (LTEN) must be given to the Licensing Authority no later than 5 working days, before the day on which the event begins. Nevertheless, the Council will seek the co-operation of Personal Licence holders and other people serving TENs in allowing more than the minimum required 10 days. To this end the Council strongly recommend giving (the longest possible notice) at least three months' notice to hold all but the smallest events; this will allow the Council to help organisers plan their events safely and may mean the Police are less likely to object to the proposed event.
- 15.2 Organisers of temporary events should be aware that although a licence or authorisation may not be needed under the Act, other legislation might apply. This can include:
 - 15.2.1 Health and Safety at Work etc. Act 1974;
 - 15.2.2 Regulatory Reform (Fire Safety) Order 2005;
 - 15.2.3 Environmental Protection Act 1990.
- 15.3 Organisers of temporary events should also be aware that it is highly likely that the Council's enforcement officers will visit events held under the terms of a Temporary Event Notice to ensure compliance with legal requirements. While mindful of the Council's Enforcement Policy, the Council will normally prosecute where serious offences are detected.
- 15.4 Organisers and promoters of temporary events should be mindful of the 'Special Factors for Consideration' outlined above.

16. ENFORCEMENT

- 16.1 The Council will follow the Better Regulation and Hampton principles and shall endeavour to be:

- 16.1.1 **Proportionate** - regulators should only intervene when necessary, remedies should be appropriate to the risk posed, and costs identified and minimised;
- 16.1.2 **Accountable** - regulators must be able to justify decisions, and be subject to public scrutiny;
- 16.1.3 **Consistent** - rules and standards must be joined up and implemented fairly;
- 16.1.4 **Transparent** - regulators should be open, and keep regulations simple and user friendly;
- 16.1.5 **Targeted** - regulation should be focused on the problem and minimise side effects.

- 16.2 The Council will endeavour to avoid duplication with other regulatory regimes so far as possible.

- 16.3 The Council will adopt a risk-based inspection programme. The Council's risk model for premises licences will be based upon the Licensing Objectives.

- 16.4 The main enforcement and compliance role for the Council under the Act is to ensure compliance with the premises licences and other permissions which it authorises.

- 16.5 The Council's enforcement/compliance protocols/written agreements and risk methodology will be available on the Council's website.

17. INTEGRATION OF POLICIES AND AVOIDANCE OF DUPLICATION

- 17.1 The Council will seek to avoid any duplication with other statutory/regulatory systems where possible. The Council will not have regard to whether or not a proposal by the applicant is likely to be permitted in accordance with the law relating to planning or building.

- 17.2 The Council has adopted powers to designate the whole borough as a place where alcohol may not be consumed publicly and falls under the Public Space Protection Order introduced on 31 March 2018 and replaced the former designated drinking control zones.

- 17.3 The Council and its partners has produced an Alcohol Harm Reduction policy, which the Council will take into account in considering representations to licence applications and complaints from Responsible Authorities and Interested Parties seeking a review of a licence.
