**MUNICIPAL YEAR 2019/20 REPORT NO.
118**

COMMITTEE:
Licensing Sub-Committee
16 October 2019

REPORT OF :
Principal Licensing Officer

LEGISLATION :
Licensing Act 2003

Agenda - Part	Item
SUBJECT: Application for a New Premises Licence	
PREMISES: ESPRESSO & CO., 14 THE GREEN, WINCHMORE HILL, LONDON, N21 1AY	
WARD: Winchmore Hill	

1 LICENSING HISTORY:

1.1 According to the council records, the premises has been a number of different businesses previously: at least three different coffee shops, an interior design shop, a hairdressers and an antique shop. None of these businesses held a premises licence.

1.2 A map of the area is produced in Annex 1.

2.0 THIS APPLICATION:

2.1 On 9 August 2019 an application was made by Mr Metin Cengiz for a new premises licence.

2.2 The proposed Designated Premises Supervisor is also Mr Cengiz.

2.3 The application seeks:

Activity	Proposed Times
Supply of Alcohol (on)	11:00 – 22:00 everyday
Opening hours	07:30 – 22:30 everyday

2.4 The plan attached to the application includes the garden inside the licensed area, therefore only on supplies of alcohol are required.

2.5 Each of the Responsible Authorities were consulted in respect of the application.

2.6 A copy of the application is attached as Annex 2.

3.0 RELEVANT REPRESENTATIONS:

- 3.1 **The Licensing Authority:** Representations were made seeking modification in conditions, which were agreed by the applicant. Those representations have now been withdrawn.
- 3.2 **Other Persons:** Representations have been made, against the application, by **five** local residents. The residents are referred to as IP1 to IP5 respectively. The grounds of representation are based on all four of the licensing objectives: prevention of crime and disorder, prevention of public nuisance, public safety and protection of children from harm.
- 3.3 Copies of these IP representations are attached in Annex 3.
- 3.4 All residents live in either Old Dairy Square or The Green.
- 3.5 The applicant has provided a response to the objections and is attached in Annex 4.

4.0 PROPOSED LICENCE CONDITIONS:

- 4.1 The conditions arising from this application can be found in Annex 5.

5.0 RELEVANT LAW, GUIDANCE & POLICIES:

- 5.1 The paragraphs below are extracted from either:
- 5.1.1 the Licensing Act 2003 ('Act'); or
- 5.1.2 the Guidance issued by the Secretary of State to the Home Office of April 2017 ('Guid'); or
- 5.1.3 the London Borough of Enfield's Licensing Policy Statement of January 2015 ('Pol').

General Principles:

- 5.2 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].
- 5.3 The licensing objectives are:
- 5.3.1 the prevention of crime and disorder;
- 5.3.2 public safety;
- 5.3.3 the prevention of public nuisance; &
- 5.3.4 the protection of children from harm [Act s.4(2)].
- 5.4 In carrying out its functions, the Sub-Committee must also have regard to:
- 5.4.1 the Council's licensing policy statement; &
- 5.4.2 guidance issued by the Secretary of State [Act s.4(3)].

Hours:

- 5.5 The Sub-Committee decides licensed opening hours as part of the implementation of the licensing policy statement and is best placed to make decisions about appropriate opening hours in their area based on their local knowledge and in consultation with responsible authorities [Guid 10.13].
- 5.6 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods [Pol s.8.4].

Planning:

- 1.1 Integration of policies and avoidance of duplication:
The Council will seek to avoid any duplication with other statutory/regulatory systems where possible. The Council will not have regard to whether or not a proposal by the applicant is likely to be permitted in accordance with the law relating to planning or building. [Pol 17.1]

Decision:

- 7.1 As a matter of practice, the Sub-Committee should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas [Guid 9.37].
- 7.2 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:
 - 7.2.1 the steps that are appropriate to promote the licensing objectives;
 - 7.2.2 the representations (including supporting information) presented by all the parties;
 - 7.2.3 the guidance; and
 - 7.2.4 its own statement of licensing policy [Guid 9.38].
- 7.3 Having heard all of the representations (from all parties) the Sub-Committee must take such steps as it considers appropriate for the promotion of the licensing objectives. The steps are:
 - 7.3.1 to grant the application subject to the mandatory conditions and such conditions as it considers necessary for the promotion of the licensing objectives;
 - 7.3.2 to exclude from the scope of the licence any of the licensable activities to which the application relates;
 - 7.3.3 to refuse to specify a person in the licence as the premises supervisor;
 - 7.3.4 to reject the application [Act s.18].

Background Papers:

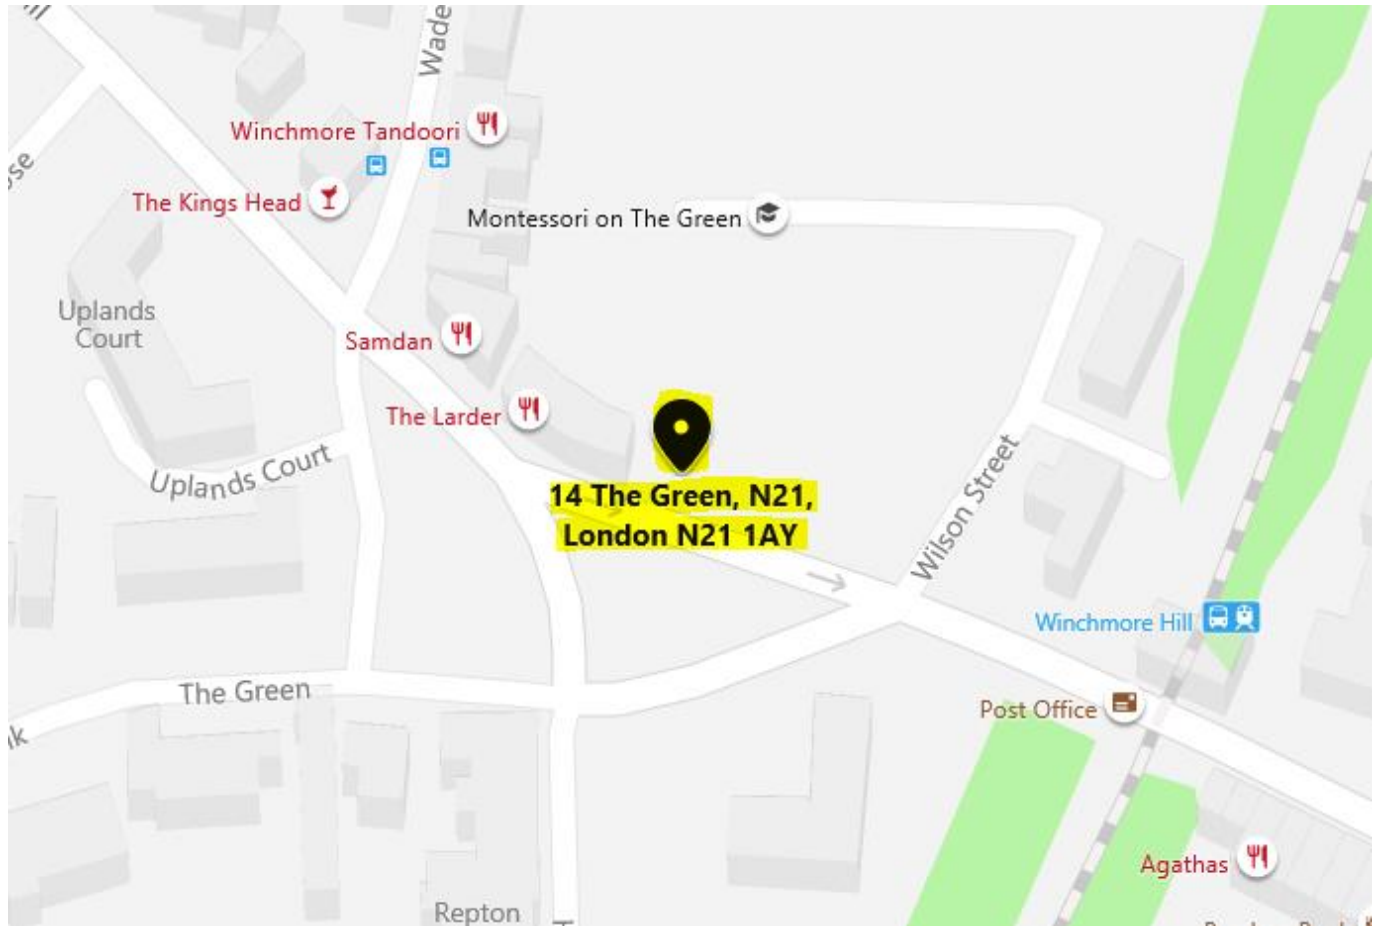

None other than any identified within the report.

IP Representations

IP1 Representation

To whom it may concern:

Re: Representation to the Application for the sale of alcohol from hours of 9:00am-22:00pm by:

EXPRESSO & CO, 14, The Green, Winchmore Hill, N21 1AY

Application made by Metin Cengiz

Context:

- I am the owner of a residential house that is situated behind Espresso & Co. My garden backs onto the terrace/back garden area of the café with a few metres gap provided by a narrow access way/alleyway.
- I have a 4 year old son, whose 1st floor bedroom will be very close to this garden.

Objection details:

- I am making a representation to the application related to the **service and consumption of alcohol in the rear outdoor garden** area of Espresso & Co. and strongly object to this being granted.
- The current opening/operating hours of café are approximately 9:00-17:00 - as such, I am objecting to the Licensing Application which is requesting a license to service alcohol for significantly longer operating hours of **09:00-22:00 hours**.
- The impact to residential homes nearby is much greater given the proposed extended hours as it:
 - Directly impacts on the time when people are home from work at evenings compared to normal daytime business hours currently in place at the café.
 - Impacts the level of quietness that is required for sleep particularly sleep of children.

My representation is specifically around **sale and service of alcohol in the rear garden area of the café** and is focused around **2 of the 4** main areas listed in the application:

- 1) The prevention of Public Nuisance
- 2) The protection of children from harm

1) The prevention of Public Nuisance

- Consumption of alcohol in the garden area is highly likely to **increased noise levels** in the garden. Serving alcohol is likely to attract more people to the venue in greater numbers/in groups when compared to the current operation as a café serving tea/coffee/soft drinks only.
- Alcohol can significantly increase risk of louder social interaction - whether it be high spirited or more aggressive as proven scientifically.
- Consumption of alcohol is likely to be associated with increased **cigarette smoking** at any time of day, which passes directly to my garden which I've experienced from the café in the current set up.

2) The protection of children from harm

- Increased **noise levels** resulting from people being present in the café garden area– will **impact the ability for my 4 year old son to sleep**. His bedroom is close to the café's garden area.
- Serving of alcohol in the garden of the venue increases the risk my son and other neighbouring children being subject to **inappropriate adult language and expletives** at any time of day, not just at night.
- Consumption of alcohol is likely to increase **cigarette smoking** which passes directly to my garden and presents a health and safety risk for my son and other neighbouring children. In the event the café garden used effectively a "pub garden" my son will be directly impacted by cigarette smoke which is a major health and safety concern.

I feel very strongly that the licensing application by Espresso & Co needs to be considered with the context of my (and likely others) objections/representations. I **object to the application being granted as it pertains to service and consumption of alcohol in the outdoor garden area of the café.**

Yours faithfully,

XXXXX

IP2 Representation

To the Licensing Team,

Re: Representation to the Application for the sale of alcohol from hours of 0730: -2230 by: EXPRESSO & CO, 14, The Green, Winchmore Hill, N21 1AY

Application made by Metin Cengiz

Representation/Objection related to:

1. **The prevention of Public Nuisance**
2. **The protection of Children from Harm**

- As it pertains to the **proposed extended hours** of 07:30-22:30 hours as detailed in an email dated 16th Sept 2019 from the Licensing Team, Environment & Operational Services at Enfield Council **and specifically the use of the outdoor rear garden during these extended hours** beyond current operating hours of 0730-1700
- As it relates to **service and consumption of alcohol in the outdoor rear garden of Espresso & Co at ALL times**.

Context:

- I am the owner of a residential house that is situated **directly behind** Espresso & Co. My garden directly backs onto the terrace/back garden area of the café. The total distance from my house to the perimeter of the Café's garden is about 6 metres. The distance from the perimeter edge of my garden and that of Espresso & Co's is 1 metre – a space provided by a narrow access/alleyway between our respective properties' wooden fences'.
- I have an 8-year-old son, whose 1st floor bedroom window directly overlooks the garden area of Espresso & Co and less than 10 meters away.
- Precedent wise, there are no other commercial properties with any outdoor space to the rear that are open to the public, along this strip of shops/business that back onto Old Dairy Square currently. Clearly, this is to mitigate anti-social, health and safety and environmental health issues impacting neighbouring residential properties.

Objection details:

- I am making a **representation/objection to the application related to the use of the rear garden area of the café beyond current operating hours of 0730-17:00.**
- Additionally, I'm making a **representation/objection to the service and consumption of alcohol in the rear outdoor garden at ALL times**, and strongly object to this being granted.
- The impact of using the rear garden area of café beyond current daytime hours of 0730-1700, on residential homes nearby, including my own, is much greater given the proposed extended hours as it:
 - Directly impacts on the time when people are home after normal working hours, as well as children being home from school, in late afternoon/evenings compared to normal daytime business hours currently in place at the café.
 - Impacts the level of peace that is required for sleep particularly that of children who retire to bed earlier in the evening from c. 7pm.

My representation/objection is focused around 2 of the 4 main areas listed in the application and sited in the Licensing Act 2003:

- 1) **The prevention of Public Nuisance**

- Using the rear garden area beyond current daytime hours will directly impact on my ability to enjoy my house and outdoor garden space due to **increased risk of noise** and the **direct invasion of privacy** due to the café garden area being only 1 meter away from the edge of my garden.
- Consumption of alcohol in the garden area is highly likely to **increased noise levels** in the garden. The extended opening ours will proportionally bring in more customers each day and the serving of alcohol is likely to attract more people to the venue and in greater numbers/groups when compared to the current operation as a café serving tea/coffee/soft drinks only.
- Alcohol can significantly increase the risk of **louder social interaction** - whether it be high spirited or more aggressive/anti-social as proven scientifically.
- Consumption of alcohol is highly likely to be associated with increased **cigarette smoking** at any time of day, which passes directly to my garden which I've experienced from the café in the current set up.
- Precedent wise, there are no other commercial properties with any outdoor space to the rear and used by the public along this strip of shops/business currently. Clearly this to mitigate anti-social and health and safety impact to neighbouring residential properties.

2) The protection of Children from Harm

- Increased **noise levels** resulting from people being present in the café garden area beyond current daytime business hours – will **impact the ability for my 8-year-old son to sleep**. His bedroom is directly facing the café's garden area, and is less than 10 metres from the boarder of the café's garden area.
- My son has a diagnosis of XXXXXXXX meaning he requires 12 hours sleep a night as advised by medical practitioners, resulting in him needed to retire to bed at 7pm.
- The serving of alcohol in the garden of the venue increases the risk my son and other neighbouring children being subject to **inappropriate adult language and expletives** at any time of day, not just at night.
- Consumption of alcohol is likely to increase **cigarette smoking** which passes directly to my garden and presents a health and safety risk for my son and other neighbouring children. His bedroom window overlooks the café garden should be able to be opened particularly in summer months. In the event the café garden is used effectively a "pub garden" my son will be directly be impacted by cigarette smoke entering his window which is a major health and safety concern.

I feel very strongly that the licensing application by Espresso & Co needs to be considered with the context of my (and likely others) objections/representations. In summary, **I strongly object to the application being granted as it pertains extended hours and the use of the rear garden area beyond current hours (0730-1700) and to the service and consumption of alcohol in the outdoor garden area of the café at ALL times.**

Yours faithfully,

XXXXXX

IP3 Representation

To Licensing Team Enfield Council

Regarding:

Representation to the Application for the sale of alcohol from hours of 9:00am-22:00pm by:

EXPRESSO & CO, 14, The Green, Winchmore Hill, N21 1AY

Application made by Metin Cengiz

Dear Licensing Team,

I'm writing to object to the above application as it related to the rear garden area of the commercial property.

I am the owner of a residential flat situated directly above the adjacent property to Espresso & Co. Mine is a first floor flat, built above COCO the hair Salon (my address xxxxxxx, COCO is xxxxxx). My flat is immediately overlooking the terrace/back garden area Espresso & Co, to the right.

Reasons for my Representation/Objection: THE PREVENTION OF PUBLIC NUISANCE

My representation/objection to the application is related to the **service and consumption of alcohol in the back outdoor garden area of Espresso & Co**. My objections are related to a number of points outlined below related to:

Hours of operation, Noise Nuisance, Anti-social behaviour and Health and Safety Concerns:

1) The café is currently open approximately 9:00am-5pm –whereas the Licensing application is requesting a license to serve alcohol for much longer operating hours of 07:30-22:30 hours. Longer opening hours will contribute to much greater risk of health and safety, environmental health and antisocial behaviour issues, impacting neighbouring residential properties including my own, given my property's very close proximity to the café and rear garden area.

2) Increased volume of customers:

- The increased operating hours will mean more customers proportionately leading to increased noise levels (as detailed below) which is a major concern specifically in the rear garden area.

- Serving of alcohol will attract higher number of customers compared to the current café set up and the serving tea/coffee/soft drinks only,

3) There is also much increased risk of higher noise levels from deliveries of supplies at antisocial times of the day and night of which impacts the front of my property overlooking The Green.

4) Serving Alcohol and alcohol consumption is proven to lead to more anti-social behaviour, shouting/arguing, raised voices etc which is not appropriate or acceptable when only metres away from residential housing.

5) Serving and drinking alcohol associated with increased likelihood of cigarette smoking at any time of day, which passes directly to my flat above which I've experienced from the café in the current set up. My bedroom is on the first floor and cigarette smoke already enters my property from day time café customers.

6) Serving and consumption of alcohol can lead to bad language and anti-social behaviour again not acceptable so near to residential properties

7) Status Quo: There are currently no other outdoor space being used by the public – due to the very close proximity of residential houses to the rear and adjacent to the rear of the commercial properties. This is for a reason and is to avoid anti-social, negative environmental and health and safety issues for neighbouring residential properties.

8) selling if my property! I've had my property up for sale for over 2 years and due to noise and food smell this is a big issue for me

In summary, my representation/objection is to the service and consumption of alcohol in the outdoor garden area of the café.

Yours faithfully,

xxxxx

IP4 Representation

Representation on the Application for the Sale of Alcohol from hours of 9:00am-22:00pm by Espresso & Co, 14, The Green, Winchmore Hill, N21 1AY (Application made by Metin Cengiz):

To whom it may concern

I am the owner of a residential house that is part of a complex of houses adjacent to the intended rear open area of Espresso & Co. The complex of houses I live in (Old Dairy Square) thus is very close to the rear outdoor courtyard/garden area that Espresso & Co intend to use as part of their café (there is a narrow pathway between the two).

I am objecting to:

- the element of the application related to the serving and consumption of alcohol in the rear outdoor garden area of Espresso & Co,
- the extension of the opening hours of the business.

My objection in particular relates to the prevention of **Public Nuisance** in that:

- Having an open area used by the public from the consumption of alcohol that is adjacent to homes in Old Dairy Square will increase nuisance substantially for residents and particularly those directly adjacent to the intended open area. Alcohol consumption will increase the noise and disruption from the rear garden, and smoking under these circumstances is also likely to become a problem.
- The extended hours that have been applied for will mean that disturbance will extend into the evenings and have an even greater impact given that residents and their children are normally at home in the evenings. This impact will occur whether or not alcohol is to be sold, but if these extended hours also permit the selling of alcohol this public nuisance is likely to be even greater.

My objection also relates to the **Protection of Children from Harm** in that:

- noise/general nuisance and the smoking of tobacco, will also be likely to have a significant impact on children, of which there are a number under the age of 10, who live in Old Dairy Square.

I would also note that there are no other commercial properties backing onto Old Dairy Square that have outdoor space that is used by the public, presumably this is due to the nuisance this would present to residents.

IP5 Representation

To the Licensing Team,

Re: **Representation to the Application for the sale of alcohol from hours of 0730: -2230 by: EXPRESSO & CO, 14, The Green, Winchmore Hill, N21 1AY**
Application made by Metin Cengiz

Representation/Objection related to:

1. The prevention of Public Nuisance

- As it pertains to the **proposed extended hours** of 07:30-22:30 hours as detailed in an email dated 16th Sept 2019 from the Licensing Team, Environment & Operational Services at Enfield Council **and specifically the use of the outdoor rear garden during these extended hours** beyond current operating hours of 0730-1700
- As it relates to **service and consumption of alcohol in the outdoor rear garden of Espresso & Co at ALL times**.

Context:

- I am the tenant of a residential house that is situated behind Espresso & Co. My house adjacently backs onto the terrace/back garden area of the café. The total distance from my house to the perimeter of the Café's garden is about 8 metres.
- Precedent wise, there are no other commercial properties with any outdoor space to the rear that are open to the public, along this strip of shops/business that back onto Old Dairy Square currently. Clearly, this is to mitigate anti-social, health and safety and environmental health issues impacting neighbouring residential properties.

Objection details:

- I am making a **representation/objection to the application related to the use of the rear garden area of the café beyond current operating hours of 0730-17:00**
- Additionally, I'm making a **representation/objection to the service and consumption of alcohol in the rear outdoor garden at ALL times**, and strongly object to this being granted.
- The impact of using the rear garden area of café beyond current daytime hours of 0730-1700, on residential homes nearby, including my own, is much greater given the proposed extended hours as it:
 - Directly impacts on the time when people are home after normal working hours, as well as children being home from school, in late afternoon/evenings compared to normal daytime business hours currently in place at the café.

My representation/objection is focused around 1 of the 4 main areas listed in the application and sited in the Licensing Act 2003:

1) The prevention of Public Nuisance

- Using the rear garden area beyond current daytime hours will directly impact on my ability to enjoy my house and outdoor space due to **increased risk of noise**.
- Consumption of alcohol in the garden area is highly likely to **increased noise levels**. The extended opening ours will proportionally bring in more customers each day and the serving of alcohol is likely to attract more people to the

venue and in greater numbers/groups when compared to the current operation as a café serving tea/coffee/soft drinks only.

- Alcohol can significantly increase the risk of **louder social interaction** - whether it be high spirited or more aggressive/anti-social as proven scientifically.
- Consumption of alcohol is highly likely to be associated with increased **cigarette smoking** at any time of day.
- Precedent wise, there are no other commercial properties with any outdoor space to the rear and used by the public along this strip of shops/business currently. Clearly this to mitigate anti-social and health and safety impact to neighbouring residential properties.

I feel very strongly that the licensing application by Espresso & Co needs to be considered with the context of my (and likely others) objections/representations. In summary, **I strongly object to the application being granted as it pertains extended hours and the use of the rear garden area beyond current hours (0730-1700) and to the service and consumption of alcohol in the outdoor garden area of the café at ALL times.**

Yours faithfully,

XXXXX

LICENSING ACT 2003 NOTICE OF APPLICATION FOR A NEW PREMISES LICENCE

Notice is hereby given that (a).....METIN CENGİZ.....
has/have applied to the Licensing Authority of London Borough of Enfield for a
Premises Licence to permit: (b).....

.....THE SALE OF ALCOHOL FROM 09:00.....
.....TO 22:00.....

.....ESPRESSO & CO.....
for the premises (c).....14 THE GREEN WINDHOLE.....
situated at (d).....HILL, ENFIELD N21 1AY.....

The public register where applications are available to be viewed by members
of the public can be accessed online by visiting
<https://new.enfield.gov.uk/services/business-and-licensing/> and following the
link to the Licensing Register. The application can be inspected upon request
to licensing@enfield.gov.uk within 28 days from the date of this notice.

Any person wishing to submit relevant representations concerning this
application must give notice in writing to the London Borough of Enfield,
Licensing Team, PO Box 57, Civic Centre, Silver Street, Enfield EN1 3XH, or
by emailing licensing@enfield.gov.uk, giving in detail the grounds of the
representation no later than: (e).....18.09.2019.....

The Council will not entertain representations where the writer requests that
his identity remains anonymous. Copies of all representations will be included
in the papers presented to the Licensing Authorities Sub Committee and will
therefore pass into the public domain.

Representations must relate to one or more of the four Licensing
Objectives: the prevention of crime and disorder, public safety, the
prevention of public nuisance and the protection of children from harm.

It is an offence, under section 158 of the Licensing Act 2003, to knowingly
or recklessly make a false statement in connection with an application for
a premises licence. A person guilty of an offence is liable on summary
conviction to a fine not exceeding level five on the standard scale.

Dated this.....21st.....day of.....AUGUST.....2019.....

Additional IP Representations

IP2 Additional Representation

IP2 is representing residents of Old Dairy Square and other nearby impacted residents

To: The Licensing Team and Sub-Committee,

RE: Additional information to support our collective representation:

Licensing Application for: 14 The Green, Winchmore Hill, LONDON, N21 1AY

Please find a below summary of all information and items included in this additional information submission. Many items are attached separately on the email (photos, maps etc) and are labelled according to the number/items listed below for your ease of reference.

As a reminder, subject to formal planning permission application regarding change to use and operating hours (see below) and normal conditions you have already placed on the applicant, we don't have concerns about the sale and service of alcohol in the main building of the cafe. We do however, strongly object to the service of alcohol at any time in the rear garden area, and extended hours beyond current operating hours as it pertains to the garden.

To coin a phrase from planning, we are not the agents of change here. The onus is on those who are proposing the change to the long-standing cafe use of the premises, close to well established homes, to neutralise or materially mitigate the potential (and decidedly foreseeable) adverse effects, in a future proof way. We cannot see that that can realistically be achieved without restricting the sale of alcohol to 'on' sales within the building (so that all alcohol is sold and consumed inside), and that the external area is closed (as now) at 5pm.

Additional information:

1) Attendees at the hearing – 16th October 2019:

- a. IP2 (Old Dairy Square property owner/resident)
- b. IP1 (Old Dairy Square property owner/resident)

2) Additional Representations:

- a. Please see attached additional objection from Old Dairy Squire resident (**DOC 2A**)

3) Additional evidence to substantiate proximity and related impact to residential dwellings:

- a) Measurements from closest property – 7 Old Dairy Square:

- I) No 7 ODS – External wall to boundary fence – 3.2 meters
 - II) No 7 ODS – External wall to fence of Rear Garden of Espresso & Co – 4.2 meters (alleyway to rear between 7 ODS to and Espresso & Co rear garden fence is 1 meter in width)
 - III) Xx year old Child's 1st story bedroom window to fence of Rear Garden of Espresso & Co – 6.2 meters
- b) **DOC 2B** - Photos to show how close 7 Old Dairy Square is impacted – which is the property directly to the rear of Espresso & Co
- c) **DOC 2C** - to show other neighbouring properties impacted including
- I) xx and xx Old Dairy Squire – who has submitted formal representation
 - II) Residential property above Espresso & Co (xx The Green)
 - III) Residential property 16 A The Green, above Coco, (xx The Green) – who has submitted formal representation
 - IV) Residential property above xx, The Green
 - V) 3 x Flats overlooking the garden of Espresso & Co – Greenleigh Court
3D Wilson Street N21 1BP
- d) **DOC 2D** - Map – annotated to show proximity of E&Co rear garden to other neighbouring residential properties. Many of whom have submitted formal representations.
- e) **FILE 2E** - Audio recording to show noise levels in Espresso & Co garden currently recorded on Saturday garden 21st SEPT during weekend afternoon (ATTACHED HERE AND TO EMAIL AS SEPARATE FILE)

CLICK ON SPEAKER TO PLAY AUDIO recorded on phone from top of my fence (there is 1-meter alley way between fence of xx Old Dairy Square and the fence of Espresso & Co's rear garden.

4) Neighbourhood Context/Precedent:

It is evident that Winchmore Hill residents are concerned about Public Nuisance and antisocial behaviour in this vicinity as noted in this recent article about opening hours of convenience store SHOPPOINT (6-8, The Green, Winchmore Hill)

<https://www.enfieldindependent.co.uk/news/17644466.enfield-shops-bid-to-open-late-sparks-outcry/>

5) Requirement for Planning Permission:

We have been given to understand that to change:

- a. a retail unit's use, or
- b. change its operating hours
- requires a planning permission application. Since this isn't recorded to have been submitted to date, we assume it will be needed before the extension of operating hours and change use of the property can commence.
- We also understand that notice of such a planning application would need to be made clear to neighbouring residents formally by letter.

Historical Context:

- Having looked into existing planning applications for the 14 The Green Winchmore Hill it's evident no planning applications have been made in recent times despite several changes to the outside appearance of the property which is surprising given this is a Conservation Area. The shop front has changed in the last 2 years as can be evidenced on google maps images - from "Aroma – Tea and Coffee House" to current "Espresso & Co."
- It is notable that all neighbouring commercial properties appear to have complied with standard Planning Permission procedure which changing signage etc.
- The only planning applications made for 14 the Green Winchmore Hill since 1945 are dated 18 February 2002 and 10 July 2002 and were related to "demolition and rebuilding the front wall above shop" which was granted on the 20 May 2002, and "details of external finishing materials submitted pursuant to condition 1 of approval under ref TP/ 02/0218 for new shop front" which was granted on 10 Jan 2003.

Requirement of Planning Permission in relation to current application:

Whilst we have no issue related to signage, or lack of planning permission for such a change to the property, we raise it to emphasise the need to ensure formal Planning Permission process is complied with regarding any change of use of the property and regarding changes to operating hours. We also note that there is no planning permission in place governing the use of the outside space to the rear of the property for public use which is in extremely close proximity to residential dwellings.

**6) Query Regarding List of Conditions from Licencing Team to Applicant
Annex 2, Point No 12**

Prominent, clear and legible notices shall be displayed at all public exits from the garden and premises requesting customers respect the needs of local residents and leave the premises and area quietly. These notices shall be positioned at eye level and in a location where those leaving the premises, and entering the garden, can read them.

- Whilst this may be standardised wording, we will be making the representation around the use of the garden for consumption and service of alcohol and use beyond current operating hours (ending 5pm).

Thank you in advance for considering all the above additional information. We hope it helps to illustrate why we have strong objections to allowing Espresso & Co to serve alcohol at any time in the rear garden area, and to the allowance of extended operating hours beyond current operating hours as it pertains to the rear garden area.

Yours Faithfully,

Xxxxx

DOC 2A

Dear Licensing Team,

I have recently been made aware that an Application has been put in for the sale and consumption of alcohol between the hours of 07:30 and 22:30 by ESPRESSO & CO, 14 The Green, Winchmore Hill, N21 1AY and strongly disagree.

As a resident of a property which is located extremely close to the garden of ESPRESSO & CO I have huge concerns over the use of the garden during the proposed extended hours which is amplified by the introduction of alcohol. From my house I can already hear conversations during the day and have to keep the windows shut due to cigarette smoke but dread the thought of my daughter (who is 12) and I being kept awake at night as a result of the use of the garden during these proposed extended hours. Further concerns are the increased noise pollution, increased cigarette smoke, my daughters exposure to potential inappropriate adult language and expletives, devaluing and degrading our properties and invasion of privacy. It is for these reasons I object officially on the following counts;

1. The prevention of Public Nuisance
2. The protection of Children from Harm

I believe that the application should be rejected based on the reasons given above and the simple fact that it is completely unreasonable to expect all the surrounding residents to suffer as a result of one shop trying to entice more clientele by using alcohol. There are 3 pubs all within a 2 minute walk from ESPRESSO & CO which identifies the fact that there is absolutely no demand or requirement from the locals for this.

I ask that you truly reflect on my objection when considering this application.

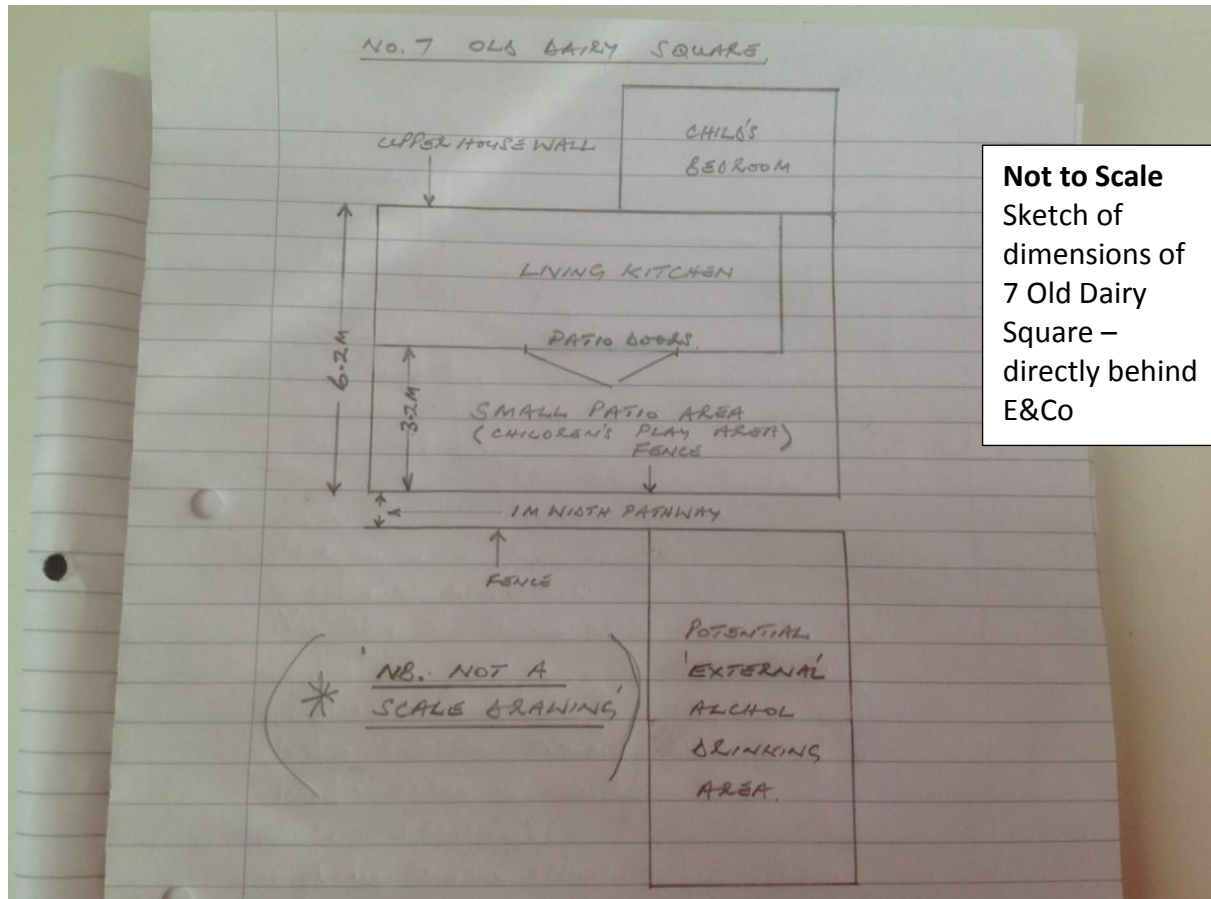

Yours faithfully,
Xxxxx

Annex 5

Proposed Conditions

Annex 1 - Mandatory Conditions

The Mandatory Conditions are attached and form part of the Operating Schedule of your licence/certificate. You must ensure that the operation of the licensed premises complies with the attached Mandatory Conditions as well as the Conditions in Annex 2 and Annex 3 (if applicable). Failure to do this can lead to prosecution or review of the licence.

Annex 2 - Conditions consistent with the Operating Schedule

1. There shall be no adult entertainment or services, activities or matters ancillary to the use of the premises that may give rise to concern in respect of children.

PROPOSED BY APPLICANT:

2. No persons shall enter or leave the premises with any alcoholic drinks that are open or sealed.
3. An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received
 - (d) any incidents of disorder
 - (f) any visit by a relevant authority or emergency service
4. There shall be no external speakers.
5. All alcoholic drinks shall be served in receptacles made of toughened glass or recycled plastic.
6. Staff shall actively discourage patrons from congregating around the outside of the premises.

PROPOSED BY LICENSING AUTHORITY AND AGREED BY APPLICANT:

7. All staff involved in the sale of alcohol shall receive induction and refresher training (at least every six months) relating to the sale of alcohol and the times and conditions of the premises licence.
8. All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises. These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.

9. A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed at the premises.
10. A record of refused sales shall be kept on the premises and completed when necessary. This record shall contain the date and time of the refusal, a description of the customer, the name of the staff member who refused the sale, and the reason the sale was refused. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.
11. The Designated Premises Supervisor shall regularly check the refusals system to ensure it is being consistently used by all staff.
12. Prominent, clear and legible notices shall be displayed at all public exits from the garden and premises requesting customers respect the needs of local residents and leave the premises and area quietly. These notices shall be positioned at eye level and in a location where those leaving the premises, and entering the garden, can read them.
13. Children under 16 years not accompanied by an adult shall not be permitted to remain at or enter the premises after 21:00 hours.
14. All refuse and bottles shall be disposed of in bins quietly so as not to disturb neighbours or local residents. There shall be no disposal of glass bottles outside between 23:00 hours and 07:00 hours.
15. Taxi telephone numbers shall be displayed for customers use.

Annex 3 - Conditions attached after a hearing by the Licensing Authority

**MUNICIPAL YEAR 2019/20 REPORT NO.
119**

COMMITTEE:
Licensing Sub-Committee
16 October 2019

REPORT OF :
Principal Licensing Officer

LEGISLATION :
Licensing Act 2003

Agenda - Part	Item
SUBJECT: Application for a Review of premises licence – Fancy Fair Markets Limited	
PREMISES: Land, Bramley Sports Ground, Chase Side, London, N14 4AB	
WARD: Cockfosters	

1. LICENSING HISTORY:

- 1.1 On 7 March 2019 an application was made by Fancy Fair Markets Limited for a new Premises Licence for Land, Bramley Sports Ground, Chase Side, London, N14 4AB.
- 1.2 The proposed Designated Premises Supervisor (DPS) is Mr Adrian Webb.
- 1.3 The new application received 151 representations, namely from local residents against the grant of the application. The Responsible Authorities, namely the Police and Licensing Authority made representation to conditions only, which were agreed by the applicant and those representations were subsequently withdrawn.
- 1.4 As a result of the outstanding objections, the application was determined by the Licensing Sub-Committee at a hearing on 24 April 2019.
- 1.5 The Licensing Sub-Committee resolved to grant the licence in part, with reduced hours sought and additional conditions.
- 1.6 land at Bramley Road Sports Ground has not previously benefitted from a premises licence or Temporary Event Notice (TEN).
- 1.7 The Licensing Sub- Committee report, decision notice and minutes of that hearing can be found online here: [LSC hearing 24 April 2019](http://governance.enfield.gov.uk/ieListDocuments.aspx?CId=217&MId=12882&Ver=4).

(<http://governance.enfield.gov.uk/ieListDocuments.aspx?CId=217&MId=12882&Ver=4>)

- 1.8 A copy of a location map of the premises is attached as Annex 1.
- 1.9 The premises licence (LN/201801062) is produced in Annex 2.

2 THIS APPLICATION:

- 2.1 In July 2019, a review application was made by Cllr Edward Smith, of Cockfosters ward. It seeks revocation of premises licence (LN/201801062) on the grounds of the following licensing objectives not being met: prevention of crime and disorder, prevention of public nuisance and public safety.
- 2.2 Each of the Responsible Authorities were consulted in respect of the application.
- 2.3 A copy of the review application is attached as Annex 3.

3 RELEVANT REPRESENTATIONS:

- 3.1 **Responsible Authorities:** No representations have been made in response to this review application.
- 3.2
- 3.3 **Other Persons:** no representations in support of, or against the application have been received.
- 3.4 Fancy Fair Markets Limited provided a response to the review application and is produced as Annex 4, which includes the minutes of the Enfield's Safety Advisory Group (SAG)'s Debrief.
- 3.5 The Chair of SAG has provided the following information to the comments made in Annex 4:

I have reviewed the documents attached in Annex 4 and make the following comments:

1) Response 2 PLH cover note & SAG minutes

I can confirm these are the minutes of the SAG meeting 200819.
3.1 & 3.5 – are still outstanding.

2) Response 3 PLH Committee review statement form

Page 2 The ongoing Premises Licence and any events held under this licence are always carefully planned and approved by Enfield SAG team , Fancy Fair Festivals Incorporation Fancy Fair Markets are experienced and approved events promoters with a crystal-clear track record of delivering safe and well managed outdoor events

I make the following comment; SAG do not approve events, they are an advisory group whom event organisers consult with.

4 RELEVANT LAW, GUIDANCE & POLICIES:

- 4.1 The paragraphs below are extracted from either:
 - 4.1.1 the Licensing Act 2003 ('Act'); or
 - 4.1.2 the Guidance issued by the Secretary of State to the Home Office of April 2017 ('Guid'); or
 - 4.1.3 the London Borough of Enfield's Licensing Policy Statement of January 2015 ('Pol').

General Principles:

- 4.2 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].
- 4.3 The licensing objectives are:
 - 4.3.1 the prevention of crime and disorder;
 - 4.3.2 public safety;
 - 4.3.3 the prevention of public nuisance; &
 - 4.3.4 the protection of children from harm [Act s.4(2)].
- 4.4 In carrying out its functions, the Sub-Committee must also have regard to:
 - 4.4.1 the Council's licensing policy statement; &
 - 4.4.2 guidance issued by the Secretary of State [Act s.4(3)].

Decision:

- 7.1 As a matter of practice, the Sub-Committee should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas [Guid 9.37].
- 7.2 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:
 - 7.2.1 the steps that are appropriate to promote the licensing objectives;
 - 7.2.2 the representations (including supporting information) presented by all the parties;
 - 7.2.3 the guidance; and
 - 7.2.4 its own statement of licensing policy [Guid 9.38].
- 7.3 Having heard all of the representations (from all parties) the Sub-Committee must take such steps as it considers appropriate for the promotion of the licensing objectives. It may be decided that no changes are required. However, if further steps are required, the available options are:
 - (a) to modify the conditions of the premises licence;
 - (b) to exclude an activity from the scope of the premises licence;
 - (c) to suspend the premises licence for a period not exceeding three months;
 - (d) to revoke the premises licence. [Act s.88].

Section 11 of the Guidance:

11.20 In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.

11.21 For example, licensing authorities should be alive to the possibility that the removal and replacement of the designated premises supervisor may be sufficient to remedy a problem where the cause of the identified problem directly relates to poor management decisions made by that individual.

11.22 Equally, it may emerge that poor management is a direct reflection of poor company practice or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated by representations, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems that impact upon the licensing objectives.

Background Papers:
None other than any identified within the report.

Annex 1 - Mandatory Conditions

The Mandatory Conditions are attached and form part of the Operating Schedule of your licence/certificate. You must ensure that the operation of the licensed premises complies with the attached Mandatory Conditions as well as the Conditions in Annex 2 and Annex 3 (if applicable). Failure to do this can lead to prosecution or review of the licence.

Annex 2 - Conditions consistent with the Operating Schedule

- 1. There shall be no adult entertainment or services, activities or matters ancillary to the use of the premises that may give rise to concern in respect of children.**
- 2. The premises licence shall have effect for a four-day period in any calendar year to which the premises licence applies, the period being the second Bank Holiday Monday in May and the Friday, Saturday and Sunday immediately preceding that second Bank Holiday Monday.**
- 3. The Premises Licence holder will set up a publicised meeting with local residents prior to the events. This meeting will be to discuss plans for the Event and receive residents' feedback.**
- 4. The Premises Licence holder will set up a publicised meeting each year with local residents after the final event date. This meeting will be to receive residents' feedback.**
- 5. Having regard to the current edition of the Purple Guide, to Health, Safety and Welfare at Music and Other Events, the premises licence holder shall submit a completed Event Management Plan (EMP), bespoke to the event, to the Licensing Authority and the Enfield Safety Advisory Group for consultation purposes.**
- 6. The EMP shall contain detailed proposals for each event in policies and plans to promote all the licensing objectives of public safety, prevention of crime disorder, prevention of public nuisance, protection of children from harm. The EMP shall include, but not limited to the following:**
 - a. Risk Assessment(s);**
 - b. Traffic Management Plan;**
 - c. Security/Crowd Management Plan;**
 - d. Noise Management Plan;**
 - e. Medical Plan**
 - f. Alcohol and Drugs Policy**
 - g. Any other associated/relevant documentation.**
- 7. A final EMP shall be made available to the Licensing Authority and Responsible Authorities before the start of the event period. The contents of the EMP shall be fully complied with each year and shall convert to a condition of the Premise Licence.**
- 8. Signs shall be prominently displayed on the exit advising customers that the premises is in a Public Space Protection Order Area (or similar)**

and that alcohol should not be taken off the premises and consumed in the street. These notices shall be positioned at eye level and in a location where they can be read by those leaving the premises.

Annex 3 - Conditions attached after a hearing by the Licensing Authority

- 9. In 2019 the maximum capacity at any one time is limited to 7,000.**
- 10. In 2020 the maximum capacity at any one time is limited to 8,500.**
- 11. In 2021 the maximum capacity at any one time is limited to 9,999.**
- 12. That there must be a minimum of 32 stewards at any one time.**

- 1) FIRE POINTS ARE 2 MOBIKE UNITS WITH APPROPRIATE FORM & WATER UNITS
- 2) ORANGE SHADED AREA USED FOR 2019 EVENT
- 3) GREEN SHADED AREA TO BE AGREED FOR FUTURE EVENTS
- 4) 11 DAYS IN ANY YEAR ANNUAL PREMISES LICENCE

- 1) FIRE POINTS ARE 2 MOBIKE UNITS WITH APPROPRIATE FORM & WATER UNITS
- 2) ORANGE SHADED AREA USED FOR 2019 EVENT
- 3) GREEN SHADED AREA TO BE AGREED FOR FUTURE EVENTS

This application to review relates to the following licensing objective(s)

Please tick one or more boxes ✓

1) the prevention of crime and disorder

☐ Yes

2) public safety

☐ Yes

3) the prevention of public nuisance

☐ Yes

4) the protection of children from harm

☐ No

Please state the ground(s) for review (please read guidance note 2)

The attached document sets out in more detail how the Fancy Fair event breached the following licensing objectives.

1. Prevention of crime and disorder

Overnight camping
Breach of trading standards
Advertising of the event

2 Prevention of public nuisance

Noise pollution
Incorrect information about parking provision
Denial of access to public space
Poor event parking and traffic management

3. Public safety

Health and Safety
Environmental pollution
Increased Waste
Not disability friendly
Working outside the agreed hours of operation

Please provide as much information as possible to support the application (please read guidance note 3)

Please find the attached document detailing grounds for review and evidence provided.

Please tick ✓ yes

Have you made an application for review relating to the premises before

☐ No

If yes please state the date of that application

Day		Month		Year	
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

If you have made representations before relating to the premises please state what they were and when you made them

Please tick ✓

yes

- I have sent copies of this form and enclosures to the responsible authorities and the premises licence holder or club holding the club premises certificate, as appropriate ☐ Yes
- I understand that if I do not comply with the above requirements my application will be rejected ☐ Yes

IT IS AN OFFENCE, UNDER SECTION 158 OF THE LICENSING ACT 2003, TO MAKE A FALSE STATEMENT IN OR IN CONNECTION WITH THIS APPLICATION. THOSE WHO MAKE A FALSE STATEMENT MAY BE LIABLE ON SUMMARY CONVICTION TO A FINE OF ANY AMOUNT.

Part 3 – Signatures (please read guidance note 4)

Signature of applicant or applicant's solicitor or other duly authorised agent (please read guidance note 5). If signing on behalf of the applicant please state in what capacity.

Signature: Edward Smith

Fancy Fair – Cockfosters Festival – Saturday 25th May 2019 to Monday 27th May 2019

Introduction

Please find herewith a report into this unwanted event. This supposed “community event” has been a nightmare for residents especially those living in close proximity of Bramley Road Sports Ground. We as residents have, under law, the right to peaceful enjoyment of our possessions. The residents have been deprived of this right during the three day period of the Cockfosters Festival.

The negative impact of a number of the factors (expanded upon below) caused by the Cockfosters Festival can be demonstrated through this particular example relating to unwelcome noise pollution and restrictions on access, which breaches **Licensing Objective 2**.

One of the residents has a first- floor maisonette situated some 750m from the stage and their only outside space is to the rear. Noise levels prevented the residents from sitting in the garden and when inside the building had to keep their windows closed to stop the noise – despite the weather being warm. In addition, access to resident’s property has been restricted because of the imposition of an ill-conceived traffic management scheme that was not fit for purpose and was not properly managed. Note that we know of many local residents who, because of this event, chose to be away for the weekend rather than put up with the inconvenience. Some chose to stay put so that they could protect their property from the forecast influx of up to 30,000 people over the weekend.

This report is designed to be a formal request for the license to be **rescinded**.

Prevention of Public Nuisance

1. Noise pollution.

The license for the event was approved with the inclusion of a Sound Control Strategy. This required regular monitoring of noise levels at five points around the perimeter of the Sports Ground.

A Resident carried out monitoring as near to these points as he could identify using his own, but uncalibrated, equipment. The results show that noise levels were higher than those in the strategy and this was reported to Enfield Council. The resident was visited by representatives (James and two others) at his address. James offered the information that the noise level was less than when he had come earlier in the day. Comparative readings between the resident’s equipment and the equipment used by the Council staff showed no significant variation and the readings at the time showed that the noise had reduced since the previous complaint. However, they increased later that afternoon ! The figures are in an appendix to this report.

In addition, various documents refer to an independent noise management team. We are aware of a team from Enfield Council, and a Safety Advisor engaged by Fancy Fair. Neither of these are truly independent.

2. Incorrect information provided on Parking Provision

The event proposal included a Traffic Management Plan that was assessed by the Safety Approval Group. This plan refers to car parking at DeBohun School, Oak Hill College, and later in other land in Farm Lane owned by Oak Hill.

On the 18th March 2019, a group of residents met at Saracens Club House to discuss the event. Mr Adrian Webb, Director of Fancy Fair, gate crashed our meeting and told us all how fantastic this event would be for us. He also told us of the arrangements for parking at DeBohun and Oak Hill. However, he was unaware that the meeting included a member of staff from DeBohun, who told us later that they were unaware of this. Subsequent discussions with contacts at Oak Hill gave residents details that they had discussed the provision of a maximum of 150 spaces but there was no agreement in place as at this time. The SAG and Licensing Committee subsequently sat. At the Licensing Committee, and as confirmed in Minute 6d, the Barrister for Fancy Fair, Sarah leFevre, stated that parking for 1000 spaces had been arranged. Also, in response to one of the objector's questions about where and how much car parking for attendees was to be provided, it was advised that the applicant had agreement with the college opposite for parking, and the number of spaces was being assessed and was ongoing. They would have access to four fields, stripping would take place two weeks before the event and an assessment would then be made. The expectation was that the college would take a substantial numbers of cars. Pedestrian walkways had been agreed, plus zebra crossings, but there was still more work to do. A car parking team would come in (Section 4 paragraph K of the minutes)

This ultimately proved to be a false statement and could therefore be viewed as an offence under Section 158 of the Licensing Act 2003. On this basis alone, the License Application was false and the subsequent issue of the license should be rescinded.

Council Officers and Committee members should carry out due diligence on applicants and applications as there is doubt that formal legal agreements to back up the provision of parking ever existed and an agreement was not signed at the time of the Licensing Committee Meeting. Traffic Management contractors should seek the views of residents before blindly issuing plans for a locality to which they are unaccustomed.

3. Denial of access to public space

Agreement had been given for members of the public to have continued access to the park during set up and take down. On several occasions during set up, this was not allowed by Fancy Fair.

On Wednesday 22nd May at circa 11:50 a resident was making his way along the path from the Bramley Road entrance towards Green Road. The gate was closed and blocked with "Herras" style fencing. He was told by a man wearing a Fancy Fair Hi Viz that the gate was closed because of the set up. Mr Adrian Webb was present, wearing shorts and sandals together with a lady in a summer dress. It was pointed out to Mr Webb that the public were allowed access during set up but he told the resident to "*find another way out*". There was no mechanical plant in the area, no work being carried out, and no Hard Hats were being worn. If it was unsafe for the resident to be there wearing stout shoes, it was unsafe for Mr Webb in his sandals.

It is firmly believed that any closure of the ground outside of the agreement should be taken off the total number of days provided by the license. In the residents view, the set up process was artificially extended. The amount of installation could, and should have been carried out over two days only.

As further evidence of double standards, it was observed that, on Monday 27th May at 19:40 the "herras" fencing surrounding the cricket field and along the central park had been dismantled and stacked. This had obviously occurred whilst the paying attendees were in the event.

Again, park users were to have access to the park during set up and break down of the event. However, as reported, the temporary fencing that was to be used for the event was used to block the use of the pathway from Green Road to Bramley Road even though there was no setting up taking place during this time, and park users had to walk on the grass. This was reported on Wednesday 22nd and Thursday 23rd May, and was still in place on Friday 24th May, please see the photos in the appendix.

A Licensee should not be allowed free reign over public assets. Public health and Safety is paramount and not optional.

4. Poor event parking and traffic management

Because of a low footfall, the parking at the event was just about acceptable with the Bank Holiday Monday being the worst. Without a dedicated car park, if the licence is to continue for future events they must be limited to only 3000 attendees at any one time.

Evidence of some bad parking has been advised to Enfield Council (James) and some action was taken. There have been other issues with marshals not being in place at the correct time that have been reported.

On Saturday 25th May one of the event employees gained access to park in Debohun Avenue for the day, this was not questioned by the marshals on duty. This was followed by a complaint that there were no marshals on Debohun Avenue and Monkfrith Avenue, as all four of the marshals were manning the junction of Bramley Road / Chase Side. Following a complaint to Enfield Council, the marshals were moved to the top and bottom of Debohn Avenue and Monkfrith Avenue but this should have been in place at 9:30 not 10:30.

On Sunday 26th May at circa 13:10, a resident witnessed, at the junction of Green Road and Chase Side, the marshal permit vehicles to turn into Green Road when travelling North on Chase Side against the traffic signs. This was because the marshal was down in Green Road on his mobile phone (Note, NOT on his communications radio !) Attached are photos showing poor parking, pavement parking, and obstruction in Chase Side, Green Road, Bramley Road, and Gloucester Gardens. Note that, apart from part of Green Road, these roads were not protected in the Traffic Management Plan. In addition, on 26th May at 19:45, there were no marshals present at the road closure at the Junction of Green Road and the Fairway. A car came from the Fairway and turned left into Green Road past the NO ENTRY sign and nearly collided with another vehicle near Trent Gardens. There were no marshals present in this vicinity at this time. Some photo evidence included as an appendix to this report with many others available for review on request. For future events, even if a dedicated car park is provided, local residents should have the protection of restricted access for event visitors. This should extend to all of Green Road, Homestead Paddock, Peace Close, Priory Close, Addison Avenue, The Fairway, Cowper Gardens, Hood Avenue, Trent Gardens, DeBohun Avenue, Bramley Road, Bramley Close, Gloucester Gardens, and the top of Cat Hill. Chase Side should be No Parking from Cat Hill Roundabout to Monkfrith Way on both sides. Private sites such as Chicken Shed and Oak Hill/Farm Lane should be protected as many festival visitors used Chicken Shed on Saturday. Chicken Shed car park was locked on Sunday and marshal controlled on Monday only.

Public Safety

5. Health and Safety

On the final set-up day, a neighbour witnessed a Generator set in operation along the Chase Side fence with no Earth rod installation – the rod was lying on the machine. He checked again on the first public day and the earth rod had been connected but only just pushed into the ground. A photo is included as an appendix to this report but the Safety Officer should be asked to provide the installation details

and earth measurements for all of these points. It is questionable that this installation complied with statutory regulations.

From the public footpath in Chase Side, it was possible to view the rear of some of the catering stalls. No evidence was seen of any form of running water for hand washing, nor of any refrigeration for foodstuffs.

6. Environmental Pollution

With generators running up to eleven hours per day, traffic on Chase Side, and gases from food vendors using Propane gas, levels of harmful pollutants will have risen. Were any measures taken to monitor and record pollution, and if so where is this evidenced?

7. Increased Waste

One litter picker was observed at work but there was no evidence of the container for waste promised by Fancy Fair – maybe it was hidden.

As at Monday 27th May, there were quite a lot of discarded drinks bottles along the Chase Side boundary which will need to be removed.

Participants were seen leaving the site with drinks in their hands, it could not be verified whether these were alcoholic or not but as gate marshals were not questioning those exiting, the banner warning people not to take alcohol away may have been ignored.

Single use plastic cups and straws seem to be in use. It is assumed that Enfield Council will be monitoring the waste generated by a commercial activity and review all Waste Transfer Documents to ensure that the disposal is correct.

Waste in Green Road was reported to James on Monday evening and this was acknowledged immediately.

8. Not Disability Friendly

Please will Enfield Council ensure that all events such as this have facilities for the disabled? Were any of the portable toilets suitable for a wheelchair bound person?

9. Working outside the agreed hours of operation

The license allowed for music from 10:00 to 21:00. On all three days, music commenced before 10:00 by up to 15 minutes. The event closed early on all days apart from music. Some advertised attractions were no longer available after around 18:00 and also some stall holders left before closing time. On the evening of Monday 27th May, attractions were packed away well before 21:00 and vehicles were still "taking down" and leaving the site at 23:15, the fun fair lighting had been turned on to allow the lighting to the grounds. By the morning of Tuesday 28th May there were only two vehicles left on site. Council notices to residents state that take down is from Tuesday 28th May to Friday 31st May during the hours of 08:00 to 20:00.

When this was raised with Enfield council the reply was "Thank you for the update. It is my understanding that the Organisers were still undertaking the take down of certain infrastructure within the site which was agreed although no vehicle movement was permitted out of the site outside agreed times" Finish of take down was stated to be Tuesday 28th May to Friday 31st May during the hours of 08:00 to 20:00. This is not the evening of 27th May at 23:15, where there was take down, fairground lighting and vehicles leaving the site. We have photographic evidence if required.

Prevention of Crime and Disorder

10. Overnight Camping

At the Licensing Committee meeting on 24th April, following points raised by residents, Fancy Fair stated that fairground workers had sleepers in the back of their trucks and some had caravans. No tents or camping would be permitted. This is covered by Minute 4d. When tents began to appear, this was immediately advised to Hakema Kharoti at Enfield Council with the reply that Mr Webb had said that this referred to festival visitors not workers and that Democratic Services would be asked to update the minutes. We object to this because it is untrue. We still have the notes that were made at the meeting and they agree with the Minutes made by Democratic Services who, in our opinion, have produced an accurate review. There would seem to be some imbalance here, when a Council Officer takes action that is completely undemocratic.

Having recently gone to Court to remove Travellers from camping in the Sports Ground, the Council should have one policy on a matter and stick to the policy.

11. Breach of Trading Standards

Fancy Fair leaflets posted through doors state that the opening times are from 10am to 9pm. It has been noted that, in particular, the Labyrinth Challenge was switched off and deflated circa 18:30 along with many of the other attractions. Some stalls also packed up and departed before 21:00. It was witnessed when a man and child were turned away from entry at 20:00hrs on Saturday 25th May as entry was closed. There was no mention of this on Fancy Fair leaflets nor on their Website. It was noticed that, by 19:00 Monday May 27th, the Labyrinth Challenge had been deflated and by 20:00 it was packed away and being placed in transport and all before the 21:00 closure. At this time, there was a continuous queue of vehicles leaving the site with only the funfair rides in operation. The event was advertised as finishing at 21:00 so that the operation is not as advertised. The event has been advertised with inconsistent pricing. Some adverts show an entry fee of £7 (Children £5) and others £10 for both Adults and Children over 5yrs.

12. Incorrect advertising of the event

This was permitted two weeks before the event, but this was also a breach of contract as the advertising was erected around Bramley Road sports ground on the 9th May. This being 2 days earlier than permitted, it was not taken down until the evening of 10th May to be replaced by smaller less detailed posters.

General comments

13. Council Contacts

In general, contact with Enfield Council has been good over the event weekend. Email to designated contacts has been acted upon in a timely manner and queries raised through the 0208 379 4483 number have been responded to quickly. Those that had contact with James, Hakema and their colleagues have reported that all of these staff members were polite, presentable, and showed a willingness to help. This is greatly appreciated.

There are, however, problems with Council documents regarding this event. The letter from Marcus Harvey dated 17th May (Notif 19) to residents includes an incorrect email address quoted twice as parksactivities@enfield.gov.uk. instead of parkactivities. In the FAQs – Waiting and Loading Restrictions – Chase Side has become Chace Side and Green Road has become Green Lane. In addition, along with most communications from Enfield Council, some of the residents reported receiving TWO copies of letters in separate envelopes. This has been highlighted before but still occurs.

The Licensing sub-committee may find it helpful to see below a selection of emails that were sent to the Council before, during and after the event

A selection of email trails sent by residents to Enfield council concerning the event

The items below were raised as a concern on Bank Holiday Monday, in red is the reply from Enfield council

- *When people were entering the Bramley road sports ground to attend the event they were asked to empty their bags of any food or drink (including water), the complaint was that there were no signs to let people know that they could not bring anything into the said community festival – when the question was raised why on such a hot day could they not take in bottled water they were told that it was “ Enfield council’s policy to not allow water to be taken into any event! “ **Conditions of entry were clearly displayed on a large banner upon entrance, free water was available at the bar area.***
- *The attendees on arrival had their bags searched, then went to the kiosk to pay their £10 entry fee for which they received a ticket, which was then taken off them by the next security guard, the guests questioned if I have paid to get in why are you taking back my ticket - they said that this was so they could reuse the tickets (this was reported to us by the security guard), this seems a little odd **Noted this is a process down to the event organisers to manage the tickets for the event although we can feed this back***
It has been reported that Enfield council are to receive additional payments if the attendance is above (approx. 3,500 people?) if this is the case and tickets are being reused then where is the evidence of the number of attendees to the event ?

Thursday 30th May 14:00

Another neighbour reported the following: Thursday 30th May at 14:00 “As I walked through the sports ground today I noticed a pallet with nails protruding from it. A health and safety issue. I’ve attached 3 photos, it’s inbetween fencing near the path that leads from Green Road through to Chicken Shed there were a number of palates left in Bramley road sports ground following the event, these palates had large nails in them. Photographic evidence was provided

Wednesday 29th 12:15

Residents are concerned that there is no one manning the Chase Side opening to the sports ground which has been used as an entry/exit, for the breakdown of the event, as there was for the setup, all of the vehicles have now left the site, but there are various piles of fencing dotted around the grounds. The organisers do not seem to be either present or in control of the break down, thus leaving the sports ground open to possible travellers.

Tuesday 28th May

Road diversion signs were still in place until approx. 16:00 – these were not manned by a steward and were reported various times in the day, this was an accident waiting to happen!

4th June

*Following the above event I would like to bring to your attention the parking problems over this weekend - I live at [REDACTED] I am [REDACTED] and do not have off street parking - as many other properties have and I would like to bring to your attention that I **was virtually a prisoner in my home during this 3 day event** - if I left my house I would be unable to return and park in The Fairway/Green Road or other local streets - there were numerous people who attended this event who parked in The Fairway - easily recognisable by families with children carrying balloons etc. as soon as someone pulled out another car would park - one of my cats underwent an operation recently and I had cause to visit the vet on the Saturday and the Sunday morning during this event and I had to ask my daughter to come over and park in 'my space' so I would be able to park near my home on my return - this was absolutely*

ridiculous and if she had not been available it would probably have to had take a cab both ways to the vet - the rest of the weekend i stayed home.....I am not looking forward to any future events due to parking problems

22nd May 16:08

One of the neighbours has just received a message on facebook regarding the event

it states the following

How do I get there

Car parking nearby follow signs on arrival !!!!!!!!!!!!!!!

21st May

Thank you for your response regarding the parking for the fancy fair cockfoster's community festival

I would just like to make you aware of the area's that the festival leaflets have been distributed over two weeks ago

Palmers Green, Grange Park, Totteridge To name but a few

With this in mind how are fancy fair going to advise the 7,000 at any one time attendees that there is no parking available and that they should use public transport !

Reply from Enfield council

"Thank you for your response, the organisers are using social media and other methods to promote public transport ,it is expected that most people will attend for a few hours at a time, the traffic management will manage any parking issues and we have notified our Parking Enforcement team

Council officers will also be in attendance on the day should there be any issues you can contact us on 0208 379 4483"

Email 10th may with parking thread

29th April 2019

There is no formal agreement in place with Oak Hill about parking although discussions have taken place. Mr Webb has not yet been in touch with them as they were unaware that the licence had been granted. This information was obtained after communication with Grant Farrant, Director of Operations, on 29 April. Mr Webb therefore made a false statement to the Licensing Panel by stating that he had secured parking for 1000 cars.

I am in a position to update you on this.

9th May 2019

A member of the community spoke to Grant Farrant. Grant stated that there still was no agreed arrangement for parking between Oak Hill Collage and Mr Webb. Mr Webb still had not made any further contact with Oak Hill College to discuss said arrangement.

Extracted from the minutes of the Licensing application meeting on 24th April 2019 are the applicant's responses to car parking concerns:

"In response to objectors' questions about where and how much car parking for attendees was to be provided, it was advised by the applicant he had agreement with the college opposite for parking and the number of spaces was being assessed and was ongoing. Stripping of four fields would take place two weeks before the event. That the expectation would be that the college would take a substantial number of cars. Pedestrian walkways had been agreed, plus zebra crossings, but there was still more work to do. A car parking team would come in."

The licensing notice that was attached to the perimeter of Bramley Sports Ground to give notice of the event states:

"It is an offence, under section 158 of the Licensing Act 2003, to knowingly or recklessly make a false statement in connection with an application for a premises licence. A person guilty of an offence is liable on summary conviction to a fine not exceeding level five on the standard scale"

I would respectfully ask that the licensing committee look into this with some urgency.

9th May

Please see below the advertising that has been erected around Bramley Road sports ground

There are three of these signs put up today 9th May 2019

The council has stated that there should be no advertising until two weeks before the event which would be Saturday 11th May. Today's date is 9th May so two days earlier then permitted

This is yet another underhand action by the company fancy fair markets, how many other places have these signs been erected

Please can you pass this to the appropriate department

Maybe they could take them down until the correct date

"Thank you for your email we will be in contact with the event organisers regarding these banners"

1st May

Parking arrangements at Oak Hill College

There is no formal agreement in place with Oak hill college regarding to parking on the Cockfosters Festival bank holiday week end. Discussions took place a while back but as of yesterday Mr Webb has not yet been in touch with them as they were unaware that the licence had been granted.

This information was obtained after one of the residents contacted Mr Grant Farrant Director of Operations on 29th April 2019. Mr Webb therefore deceived the Licensing Panel by stating in front of his barrister, the panel and the attending residents that he had secured parking for 1000 cars

In Oak Hill college, he even made reference to clearing the site two weeks before hand. As you are aware there is only 3 weeks before the event is to take place

On behalf of the residents I would like to know why this matter was not checked before approval was granted, this had been raised as an issue in many of the residents objection letters, by the residents at the hearing and by the panel.

Having 7,500 people (at any one time) per day attending the festival and no secured parking available this will lead to traffic chaos.

Reply from Enfield council

"Thank you for your email, we have been in direct discussion with Mr Farrant regarding use of Oak Hill College and understand that the Organisers are finalising the contract next week, I have spoken to Mr Farrant today and he has no major concerns in regards to use of the site as a car parking area and the necessary arrangements that need to be undertaken to facilitate the use of the area. I hope that this clarifies the matter"

Response 1 from Premises Licence Holder to Review Application (19 August 2019)

Unfortunately I will not be able to attend the SAG meeting on the 20th due to a weeks of work courses and exams. Please would it be possible if I could comment with FACTS on some of the ridiculous allegations coming from some of the Cockfosters residents / and councillor Edwards. Please would it be possible to pass this email onto the SAG committee so I have a chance of filling you in due to my absence.

From day 1, it has been very clear a certain group of people , some local residents and some not so local will do what ever it takes to stop the event. We where told by these residents that there would be major crime drafted into the area when the festival takes place. There could be drugs , there could be arrests , there could be violent disorder in and out of the festival. There would be rubbish every where , there would be broken glass on the park from the bar glasses, There would be major traffic congestion , there would be mass disorder. The residents delivered leaflets spreading lies and over exaggerating what the festival was going to be.

The truth of the matter is, we had over 80% children attend over three days with there parents. We didn't have one police officer attend the event nor the fire service. Not one arrest , not one person was expelled from the event for bad conduct. There were no plastic beer glasses outside of the event and we constantly had three litter pickers working around the clock filling our 40 yard waste ROLL ON ROLL OFF skip housed in the carpark. No arrests for drugs , drunk and disorderly , or any crime at all!

6 weeks prior the event we had agreed parking at the college across the road with Grant. It was Agreed with a gentleman's hand shake until such times contracts could be drawn up. It was also agreed we would cut the grass to the fields we were going to use. Hakema can verify this because dialog between the council , fancy fair and the college was well under way to the point of the council helping out to cut the grass for a fee from fancy fair.

Then something very strange happened!

Out of the blue.. Grant advised Adrian and I, he was under considerable pressure from those local residents to stop the car parking. He had numerous visits from certain individuals pressuring him to stop the parking. I wonder if Councillor Edwards is aware of this? Residents bullying a church college who he is representing? In addition, Grant explained he doesn't want to get on the wrong side of the residents and would rather cancel the parking. SO, the residents managed to pressure the college into cancelling the parking then turned the blame on Fancy Fair and the council! Smart Move... but not so smart! So councillor Edwards is representing a residents association who harassed a college, stopped the car parking of a family event then they along with the councillor accuse fancy fair and Adrian Webb of being dishonest and misleading a government department and the public. WOW! Is this not

a government official using political power to frame a member of public and a company.

This is a very serious situation.

The residents used an un-calibrated sound device to take sound readings? Does a plumber use an un calibrated gas detector? It seems very strange every time Hakema, Steve , Abby , or who ever visited the site with a calibrated device the level was below the limit . But the council cant be trusted because there not independent according to the residents report.

Our music stated at 10.05 for two days and the last day was 10.10 am... according to my watch! And yes I was the one giving the go ahead to the mixing desk.

There was a pallet in a picture! Hakema contacted us to inform us of that, when Ryan arrived (helper) he found that some one had tried to take some harres fencing off the pile and threw the pallet onto the grass. He had only put the pallet there two hours prior.

Criminal ,Trading standards etc ... Really!!

Can some one please inform who ever has come to this conclusion of the following facts..

- 1, The labyrinth was actually free to go on and no charge..
- 2, Our prices for the admission to the event where advertised weeks prior on line , also 100,000 houses received the prices in a leaflet , in addition there was a sign at the entrance 3 metres high by two metres wide you couldn't miss unless you wanted to miss it off course.
- 3, We actually closed at 9 pm as stated on our licence. If people want to go home after the music finishes then that is there wish..... as people do!
- 4, Camping! A criminal offence, is this really coming from a potential politician??? There was no public camping on site what so ever! We had our security camp so they could look after the site and make sure the millions of pounds of equipment wasn't stolen and the bar and food stands was safe.

(Locked park gate) .. not allowing public into the park, I was actually there and witnessed this first hand! We where installing the box office on a trailer and loading the herras fencing by the park gate. We shut the gate for 20 – 30 minute for health and safety reasons due to the building of the festival entrance., we had trucks moving and a mini crane moving around that area. A very rude man approached and demanded the gate be open who could obviously see what was going on and took his chance to have a screaming match. I asked him if he could use the gate next door in the corner of the park which is 50 metres away and he said no... he wants to use this gate while all the construction was going on. It turns out the gentleman is on the (stop the fair committee...) by coincidence off course.

Actually , thinking about the complaints, is there any member of the public that is not on the stop the fair committee who has complained?

I would like to mention one more thing,

I need to ask the council if you have had any complaints from the councillor or residents from stop the fair committee about East Barnet festival banners on the Saracens fence? Over sized and been there for two full months! I just wanted to mention it because ours were up for 7 hours before the residents complained. I wonder if councillor Edwards is aware of that? May be he should report them to trading standards also.

Finally, Councillor Edwards thinks we are so bad he actually came to one of our events in July and was praising it on Facebook , I wonder if he new it was fancy fair?. We closed off a little town high street and diverted busses etc but no parking restrictions outside of the event closure.

Response 2 from Premises Licence Holder to Review Application (5 September 2019)

I would ask that this short letter and the minutes attached are logged as the companies response to the current premises licence review, which should be sent to the Councillor demanding the review and any residents joining this process.

All the points raised in the review objections have been discussed at length and in detail, answered and agreed by all the professional parties and partners involved in the control of the premises licence , indeed when asked for any comments around the table at the close of the meeting with these officers nothing was forthcoming, from which it can be deduced the level of comfort and approval received from these officers following the first Festival in May 2019.

No objections or support has been received from the SAG team and all of the professional partners to any review of the existing premises licence requested at the review hearing called by the ward Councillor and residents.

SAFETY ADVISORY GROUP

Date: Tuesday 20th August 2019

Time: 10:30 – 13:00

Attendees

Esther Hughes (EH)	Chair, Enfield Council
Hakema Kharoti (Hak)	Enfield Council
Peter J. Doherty (PD)	NRSA Traffic, Enfield Council
Lyndsey Holt (LH)	Police (M.P.S.)
Dave Hooker (DH)	TFL Bus Service Delivery
Jodie Ewens (JE)	Emergency Planning Officer, LBE
Adrian Webb (AW)	Events Organiser, Cockfosters Music Festival
Jack O'Kane (Minutes)	Operational Support

Apologies

TFL

1.	Welcome & Introductions Welcome and introductions were given.
2.	Apologies As Above.
3 & 4	Other Festival debrief removed for this copy
5	Cockfosters Festival
5.1	Feedback from Adrian Webb He was reasonably pleased with the event, how it was presented and that it was kept within the license requirements; however, it was unsuccessful in regards to the number of attendees. Saturday = 3,000; approximately 1,800 were children who were able to enter the site without payment of a fee. Sunday = 3,500; approximately 1,800 were children Monday = 3,642; approximately 845 were children. It was suggested that if the event were to proceed in the upcoming year a 25% increase in numbers was expected.

The security company did not deliver an appropriate service and as such he would not be working with them on future events. Currently AW is in contact with a new team which will be divulged to the SAG once confirmation can be established

Rathbar Highways was confirmed as the traffic management company; it was perceived to have performed well, however the staff member allocated was required to leave due to a personal problem and as such did not recover his equipment as quickly as expected. AW confirmed that Rathbar Highways will be utilised for further events.

AW suggested changing the entrance from Green Road to near the Chickenshed theatre, with a long walkway to take pressure away from Green Road.

Litter & Waste:

This had been successful.

Enfield litter picking crews had been hired to assist with the clear up on the Monday; it was explained that hay had been used for the event as seating however, due to the problems with clearing it up, chairs will be used for subsequent Cockfoster Festivals.

Medical Provision:

Attendee had collapsed in the circus tent and was brought to the first aid station; a member of security had required attention; a young child had fractured his hand and that an attendee had suffered from a burst appendix which had required immediate attention.

It was advised that the backup paramedic was utilised in these cases, that ambulances were called and that all instances were recorded appropriately.

AW expressed his disappointment with the service provided by St Johns Ambulance. It was suggested that the medical staff were unable to appropriately attend to the instances as the staff provided were junior personnel.

The more experienced medical personnel were allocated to a pageant scheduled to run over the same weekend; AW has written to St Johns Ambulance to register a complaint and an investigation is now pending. The backup paramedic has been recruited to the firm to be available for future events.

5.2 Traffic Management

AW considered that further road closures would have been an issue for the Festival and it was remarked that the local residents were unhelpful as they did not have the allocated password memorised for entry via the barriers and because they presented as difficult and abusive to staff.

AW explained that the car parking company hired for the Festival had pulled out at the last minute which caused problems for parking management; discussions with a local school have been proceeding well and further talks will continue after the holiday period.

PD noted issues with event attendees utilising a right hand turn on Green Road despite the presence of signs to inform that the area was designated as left hand turn only. Motorists ignored the diversions in place and stopped at the barriers to observe what was happening inside the event which resulted in further traffic issues.

	<p>HK noted that a number of traffic management personnel were not stationed in their allocated roads which had caused confusion.</p> <p>AW explained that the staff had been briefed prior to the event opening on where they should be located and what they should be doing; it was noted that both the traffic management and security were provided by Envisage and that the Cockfosters Festival would no longer be working with them.</p> <p>Parking Enforcement</p> <p>HK - tickets had been issued to guests who had parked illegally, and that work would have to be completed for future events to prevent these problems and maintain a good relationship with local residents.</p>
5.3	<p>Security</p> <p>HK-that during the briefing it was observed that the security staff did not have the wands or amnesty bins available; AW confirmed that the security company were required to procure the necessary equipment before the event opened.</p> <p>Environmental Health had observed that clickers were not utilised accurately during the first day of the event. AW confirmed that the clickers were not used for counting attendees as they egressed from the site due to the expected numbers entering being lower. It was perceived that as the event did not reach a number near the capacity, counting attendees out was not required. The clickers were utilised to monitor guests as they egressed on the second and third day, however this was considered to be for information purposes only.</p>
5.4	<p>Police Feedback – LH</p> <p>No issues had been reported ; no calls had been made.</p>
5.5	<p>Parks Feedback</p> <p>Hak- most of the issues raised for the Cockfosters Festival regarded allegations of noise problems and parking enforcement</p> <p>HK - Saracens had raised issues regarding the decompaction of the ground; it was agreed that for future Festivals a meeting will be scheduled in advance for a decompaction assessment to be completed prior to the set-up of the event site.</p> <p>The assessment will require agreement between the event organisers and the Saracens.</p> <p>AW - the site had been difficult to build whilst the park had been open to the public; people had walked into restricted areas and had obstructed the barriers as they were placed.</p>

	<p>HK - proposed that a portion may be restricted, with fencing placed along the footpath. It was agreed that this would be considered and discussed during the planning stage for subsequent Cockfoster Festivals.</p> <p>HK detailed complaints which were made regarding access from the playground through to Green Road; it was noted that this should be considered when placing fencing for future events.</p> <p>AW asserted that there had been no camping on the site. The visible tents were for the security personnel who had made no alternate arrangements and therefore had stayed on the site over the two nights. Caravans were present on the site; AW advised that this was mentioned within the terms and conditions of the license and was agreed. It was proposed that an overnight provision was necessary due to the multiple days that the event was scheduled for.</p>
5.6	<p>Env Health & Licensing Feedback</p> <p>See Appendix 1</p>
6.	<p>Next meeting</p> <p>17th September 2019, Enfield Civic Centre.</p>

Appendix 1

SAG Request for Feedback for debrief on 20th August 2019
 Fancy Fair Markets Limited
 Cockfosters Festival, Bramley Road
 25th- 27th May 2019

Item	Issue	Response by AW
1	<p>Noise Nuisance</p> <p>Allegations of noise nuisance</p> <p>Please provide a copy of your acoustic report (noise monitoring) undertaken in accordance with your noise management plan.</p> <p>Noise nuisance reported 25/5/19 – 5pm Homestead Paddock 26/5/19 – midday – Bramley Road 26/5/19- 2pm Homestead Paddock 26/5/19 – 2:45 pm & 5.50pm & 7:30pm Bramley Close 27/5/19 -11:56 – Bramley Road 27/5/19- 3:10pm Bramley Road</p>	<p>Please see noise log which does not support allegations that levels were anything out of the ordinary or indeed above normal ambient levels recorded.</p> <p>See noise log at end of document</p>
2	<p>Traffic Management Plan</p>	<p>Overall I would not change the plan in terms of road closures. For future events I would have specific traffic management marshals to manage this.</p> <p>At SAG debrief meeting Traffic & Transportation would also not change the footprint of the plan.</p>
2.1	<p>Provide evidence of staffing levels & adherence to the TMP</p>	<p>Security staff (32) were present to manage the road closure & the actual site security.</p>

2.2	<p>Allegation 1</p> <p>On Saturday 25th May one of the event employees gained access to park in Debohun Avenue for the day, this was not questioned by the marshals on duty.</p> <p>This was followed by a complaint that there were no marshals on Debohun Avenue and Monkfrith Avenue, as all four of the marshals were manning the junction of Bramley Road / Chase Side. Following a complaint to Enfield Council, the marshals were moved to the top and bottom of Debohn Avenue and Monkfrith Avenue but this should have been in place at 9:30 not 10:30</p> <p>Please comment on this</p>	<p>The security team were late on arrival and a complaint has been made to the company over their performance over the weekend the outcome of which is that they have been stood down for all future events and will be replaced by a new team when the time comes.</p>
2.3	<p>Allegation 2</p> <p>On Sunday 26th May at circa 13:10, a resident witnessed, at the junction of Green Road and Chase Side, the marshal permit vehicles to turn into Green Road when travelling North on Chase Side against the traffic signs. This was because the marshal was down in Green Road on his mobile phone (Note, NOT on his communications radio</p>	<p>Security company at fault see previous comments.</p> <p>At SAG debrief Highways requested marshalling of this road to be rigorous.</p>
2.4	<p>Allegation 3</p> <p>26th May at 19:45, there were no marshals present at the road closure at the Junction of Green Road and the Fairway. A car came from the Fairway and turned left into Green Road past the NO ENTRY sign and nearly collided with another vehicle near Trent Gardens. There were no marshals present in this vicinity at this time</p>	<p>Comments noted will ensure that for future events this is double checked.</p>

		
2.5	Allegation 4 Tuesday 28 th May Road diversion signs were still in place until approx. 16:00 – these were not manned by a steward and were reported various times in the day.	Rathbar Highways our regular TM supplier was late in removing some of the road signs due to an unfortunate personal incident., The organizers reported this on Tuesday and removed the offending signs themselves.
2.6	Allegation 5 The Fairway Allegation of event attendee vehicles parking in this road preventing residential access (1 x compliant)	Impossible to be 100% sure when allowing access to residents many of whom did not assist the marshals in using the password, or supplying proof of resident status. Only one rogue parking reported would seem to prove the job was well done in the main.
2.7	Allegation 6 - Parking obscuring Traffic Sign so vehicles turned right into Green Road as no Marshal present	Security issue see previous comments

		
2.8	<p>Allegation 7- Bank Holiday Problems</p> <p>Parking issues on Green Road</p> <p>Trent Gardens about cars parked on junction.</p>	
2.8	<p>Resident Suggestion 1:</p> <p>For future events, even if a dedicated car park is provided, local residents should have the protection of restricted access for event visitors. This should extend to all of Green Road, Homestead Paddock, Peace Close, Priory Close, Addison Avenue, The Fairway, Cowper Gardens. Hood Avenue, Trent Gardens, DeBohun Avenue, Bramley Road, Bramley Close, Gloucester Gardens, and the top of Cat Hill. Chase Side should be No Parking from Cat Hill Roundabout to Monkfrith Way on both sides. Private sites such as Chicken Shed and Oak Hill/Farm Lane should be protected as many festival visitors used Chicken Shed</p>	<p>This suggestion is completely un practical to suggest to shut down all the roads in the vicinity , not necessary and not common practise in all events of this nature and size.The immediate roads close to the event as shown is the correct and practical manner to deal with residents parking.</p> <p>It is being considered to move the public entrance to the event to the other end of the grounds by Chicken Shed rear ,and this will take away pressure at Green Road and nearby roads to park. When organizing a public event , it is impossible to close the whole area down , and not necessary , plenty of parking was found and not seen to be an issue over the three days of the event.</p>

	on Saturday. Chicken Shed car park was locked on Sunday and marshal controlled on Monday only.	
2.9	Comments from LBE staff No issues seen on arrival or during event. When I left there was some traffic as staff did not have authorisation to let vehicles enter the site yet and people were wanting on to load up. As they were not allowed in they were waiting in the road to turn right into the site and traffic was lining up behind them unable to pass.	There are restrictions on entry whilst the public are on site.
3	Health & Safety	
3.1	Allegation 1- Earth Rod On the final set-up day, a neighbour witnessed a Generator set <u>in operation</u> along the Chase Side fence with no Earth rod installation – the rod was lying <u>on</u> the machine. He checked again on the first public day and the earth rod had been connected but only just pushed into the ground. Request for the installation details and earth measurements for all of these points	The site electrician installed the earth rod when the generator was ready for use. There is no issue here whatsoever. AW to request sign off sheets for generators from site electrician.

		
3.2	<p>Allegation 2 Pallets Thursday 30th May 14:00 noticed a pallet with nails protruding from it;between fencing near the path that leads from Green Road through to Chicken Shed there were a number of pallets left in Bramley road sports ground following the event, these pallets had large nails in them.</p>	<p>Organisers would request future event build up and breakdown is carried on in a public free area, and a fenced off area be supplied over the event for the public to use.</p> <p>Impossible to avoid the odd problem when building an event of this size and the public should not be allowed access for this reason.</p> <p>At SAG debrief Parks agreed to to heres fence an area bounded by the footpath to allow access to the cricket ground (right hand side of park)</p>

	 	
3.3	<p>Allegation 3 - Staffing Wednesday 29th 12:15 Residents are concerned that there is no one manning the Chase Side opening to the sports ground which has been used as an entry/exit, for the breakdown of the event, as there was for the setup, all of the vehicles have now left the site, but there are various piles of fencing dotted around the grounds</p>	Comments noted however event is now over; park is handed over after the event.
3.4	<p>Fun Fair Comments from LBR Lic Officer who visited site on the Saturday. Coggers fair ground rides:</p>	Event organisers had brand new fire extinguishers on site and on a mobile vehicle for the whole duration of the event.

	<p>Miami Freefall – log seen - and very small fire extinguisher – no date or label showing when it was last checked.</p> <p>Hollywood Assembled – log seen and very small fire extinguisher – no date or label showing when it was last checked.</p> <p>Nightmare Express – log and extinguisher seen – very old looking, suspect out of date.</p> <p>Unclear but looked like label said 8/12 – very dirty and oily. Body Count – dry powder again no date/provider details.</p>	I will pass this information onto Cogger's who supplied the rides.
3.5	<p>Bouncy Castle</p> <p>There was an issue with the log for the anchor points being checked – event was open and in operation and the log had not been completed – noticed that one anchor point for Ultimate Bouncy Castle was not secured. Advised the manager of the bouncy castles to get this done asap.</p>	Please provide pre safety check sheets done. AW to provide log for bouncy castle.
4	Food Hygiene	
4.1	<p>Allegation 1- no Running water</p> <p>No evidence was seen of any form of running water for hand washing, nor of any refrigeration for foodstuffs.</p>	Running water was denied to the organisers for the event it is expected to supply a water bowser in future events. All caterers had hand washing facilities available and checked with soap and hand towels.
5	Waste	

5.1	Allegation 1 Participants were seen leaving the site with drinks in their hands, it could not be verified whether these were alcoholic or not but as gate marshals were not questioning those exiting	Security issues see previous notes
6	Licensing Hours	
6.1	Allegation 1 The license allowed for music from 10:00 to 21:00. On all three days, music commenced before 10:00 by up to 15minutes	The music was not started until 10.00am , sound checks may have been in progress for 10 mins prior.
7	Capacity	
7.1	What was the attendance over each day.	Under the prescribed licenced limit .
8	Security Plan- Observations by LBE Staff	
8.1	4x security at Green Road /chase side but were not briefed properly	See previous comments re poor serviced by security company. I actually attended the briefing the staff just did not do as instructed.
8.2	Security deployed to manage closures at roads Checked but in wrong locations advised Abby and addressed with security	aa
8.3	Francis security did not have wands in place nor amnesty bin	aa
8.4	Observations from LBE Staff At start of day no wands available – these were produced later in the day and were in use. No bags for staff searched at entry. Observations of 2 door supervisors checking. The bags were searched thoroughly but some not done by other supervisor as	aa

	thoroughly. Inconsistent – noted and advised heads security Frances Johnson.	
8.5	Clickers in use on both days. The clickers were not accurate on first day (25 th) as staff counting in but no staff counting out at front entrance/exit. On day 2 (26 th) clickers used on rear gate for exit.	Clickers were used to count admissions , not seen necessary to count numbers leaving, as at no time did the licensed maximum get close to being achieved.

Response 3 from Premises Licence Holder to Review Application (23 September 2019)

2nd Floor Unicorn House Potters Bar EN6 1TL

E Mail : admin@fancy-fair.co.uk

Dear Committee Councillors

Statement by Adrian Webb Festival Director 23/09/2019

I would like the committee to understand that all the points raised within this review of our Premises Licence being raised by Councillor Smith on behalf of local residents , were also thoroughly discussed and dissected at the SAG meeting de -brief 20th August 2019 following which in the normal manner of business ,some minor amendments to the events procedures were agreed going forward , it should be noted that all professional services and stakeholders attending this meeting did not support or offer any further changes to the licence schedule.

All events are scrutinized carefully both before and after each event as a continual process of learning and improving events going forward, the work of the SAG team cannot be underestimated during this process, residents should be aware of the level of expertise and control that safeguards them in these matters.

I have received the subsequent minutes (already sent to licensing to form part of my submissions)of this SAG meeting at which all points raised can be shown to have been dealt with and agreed, and it is my submission that all parties, apart from Councillor Smith, have agreed that the licence should continue in its present form.

The ongoing Premises Licence and any events held under this licence are always carefully planned and approved by Enfield SAG team , Fancy Fair Festivals incorporation Fancy Fair Markets are experienced and approved events promoters with a crystal clear track record of delivering safe and well managed outdoor events .

I would respectfully suggest that the Premises Licence continuance is agreed in its present form.

Yours sincerely

Adrian Webb
