- 1.1 The report seeks authority to grant a lease to A & D Scaffolding Ltd for Site 2 Phoenix Wharf, Lee Valley Trading Estate which is located in the Council's Meridian Water Regeneration Scheme.
- 1.2 The Council's property agent, Glenny, have confirmed the rental value agreed with the proposed tenant is in line with the market value for the above property. Further details are provided in the Part 2 report.
- 1.3 The proposed letting will not affect the Council's redevelopment objective due to the fact the site is not required until 2030. The letting would support the meanwhile use strategy for the Meridian Water site and maximise meanwhile income.

2. RECOMMENDATIONS

It is recommended that the Leader of the Council:

- 2.1 Delegates approval for letting this property in favour of A & D Scaffolding Services Ltd to the Programme Director, Meridian Water (in consultation with the Director of Property and Economy and the Director of Law and Governance), based upon the terms negotiated by the Council's property agent, Glenny.

3. BACKGROUND

- 3.1 Meridian Water is Enfield's largest regeneration scheme which has the potential to accommodate 10,000 homes, thousands of jobs, a new train station, work space opportunities, shops, eateries and leisure facilities.
- 3.2 A & D Scaffolding are the existing tenant at Site 2 Phoenix Wharf and can therefore be considered to be a local business. The tenant provides scaffolding services to support projects throughout the UK.
- 3.3 The site in question is land and storage located at Phoenix Wharf, Lee Valley, Trading Estate. It is 23, 958 square foot.

3.4 Further details are provided in the Part 2 report.

4. ALTERNATIVE OPTIONS CONSIDERED

These details are provided in the Part 2 report.

5. REASONS FOR RECOMMENDATIONS

- 5.1 The Meridian Water team has been set a revenue target of £1.1m. It would not be possible to meet this target without letting this property.
- 5.2 A 5 year letting is being considered for this site due to the fact that Phoenix Wharf will not be required for development purposes until at least 2030.
- 5.3 Awarding the lease for these sites in favour of A & D Scaffolding will enable the Council to secure a significant increase in rental income from this site.

Further details are provided in the Part 2 report.

6. COMMENTS FROM OTHER DEPARTMENTS

6.1 Financial Implications

These are provided in the Part 2 report.

6.2 Legal Implications

- 6.2.1 Section 1 of the Localism Act 2011 gives the Council power to do anything an individual may do, subject to a number of limitations. This is referred to as the “general power of competence”. A local authority may exercise the general power of competence for its own purpose, for a commercial purpose and/or for the benefit of others. The general power of competence gives the Council the sufficient power to enter into the lease as described in this report.
- 6.2.2 Any letting must comply with the Council’s Property Procedure Rules which set out mandatory procedures regarding the disposal of the Council’s property assets.
- 6.2.3 The proposed disposal is to an existing tenant and is therefore to be considered as an off-market disposal for the purposes of the Property Procedure Rules. Such disposals are subject to a report prepared by the Responsible Senior Officer and approved by the relevant Cabinet member,

that includes justification for such a disposal as being in the best interest of the Council and written advice, including a market value, from an external registered valuer. The required information is contained within this report.

- 6.2.4 The form of lease must be approved in advance of commencement by Legal Services on behalf of the Director of Law and Governance.

6.3 Property Implications

These are provided in the Part 2 report.

6.4 Procurement Implications

No procurement implications are required as the letting of the site in favour of A & D Scaffolding Ltd is subject to the Property Procedure Rules and does not fall within the scope of the Contract Procedure Rules.
