COUNCILLORS: Guney Dogan (Chair), Nesimi Erbil, Adeline Kepez

1. COUNCILLORS' REPORT

1. Cllr Erbil has raised local complaints about the construction of the Ecopark recycling centre.
2. Fly Tipping has continued to be a problem in the area; the local residential complaints have increased and the councillors are pursuing solutions to the problem.
3. The most common Anti-social Behaviour reports were those consisting of prostitution, the congregation of anti-social peoples, burglaries and street theft.
4. The councillors have pursued the problem of the Edmonton Green roundabout signalisation issue at the traffic lights from Bounces Road to Edmonton Green roundabout. They have raised the issue with the traffic department in the council.

2. ASSOCIATE CABINET MEMBERS REPORT

Due to the absence of Cllr George Savva (associate cabinet member) this agenda point was skipped.

3. MET POLICE REPORT

Due to the absence of PC Tom Stagg(SJ) this agenda point was skipped.

4. LOWER EDMONTON WARD NHW (NEIGHBOURHOOD WATCH REPORT)

Due to the absence of Bill Crossley this agenda was skipped.

5. ANY OTHER BUSINESS

1. Attendees raised more points, questions and discussion about Ecopark and the frequency and prevention of anti-social behaviour.
2. The residents have raised their concerns that the Associate Cabinet Member for Edmonton Cllr George Savva has not attended many ward forums which he has been invited to all of them.

6. NEXT MEETING
