2. All decisions (unless otherwise stated) included on this list will be taken on the basis of a written report. Copies of the reports and any other documents considered will be available via the website or can be requested by emailing: [democracy@enfield.gov.uk](mailto:democracy@enfield.gov.uk)

6. Explanation of [Part 2 Classification](#).

Whilst the majority of the Cabinet's business at the meetings listed in this document will be open to the public and media organisations to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. This is formal notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that part of the Cabinet meetings listed in this document will be held in private because the agenda and reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it.

Should you wish to make any representations in relation to the meeting being held in private for the consideration of the Part 2 (Cabinet) items, you should contact (no later than 15 calendar days before the meeting date listed) Governance Team Manager London Borough of Enfield, EN1 3XA, James Kinsella on Tel. No. 020 8379 4041 or [james.kinsella@enfield.gov.uk](mailto:james.kinsella@enfield.gov.uk)

<p>KD 3882 St. Matthew's Edmonton Annex, Dysons Road - Provision of 3rd Classroom - Tender Approval</p> <p>As part of the Meridian Water scheme, Government approval has been given to the provision of the Meridian Angel Free School to accommodate the additional primary pupils expected from the new housing development. To allow a contingency ahead of the new school being completed and to meet the continuing requirement for additional pupil places in this part of the Borough, it will be necessary for a temporary classroom to be provided in 2014. The most practical solution will be to locate the classroom at St John's Church Hall site, Dysons Road which is close to the Meridian Water Development site and is also where the Authority is already using part of the building and two modular classrooms to accommodate pupils for St Matthew's Edmonton Annex. The proposal will involve procuring the new classroom from the supplier of the modular classrooms already on site with resources to be released by the Education Funding Agency.</p>	<p>Cabinet Member for Education, Children's Services and Protection</p>	<p>Not before 1st Apr 2014</p>	<p>Part 1 &amp; 2 (Para 3)</p>	<p>Upper Edmonton</p>	<p>Client Project Officer Tel: 020 8379 3222 sue.watson@enfield.gov.uk</p>

<p>KD 3767 Article 4 Direction Review</p> <p>Domestic properties have permitted development rights allowing owners to carry out a range of development works without planning permission. Such works can have a harmful effect on the character or appearance of a conservation area leading to the erosion of their special interest. The Council has already removed many of these rights by serving an Article 4 Direction.</p> <p>This report recommends that permitted development rights to install domestic micro generation equipment including solar PV or solar thermal equipment and wind turbines be withdrawn from domestic properties (houses and flats) within the Lakes Conservation Area as a pilot.</p> <p>It further recommends that future decisions to serve Article 4 Directions to remove any permitted development rights across the borough be decided by Planning Committee</p>	Council	Not before 2nd Apr 2014	Part 1	Southgate Green; Palmers Green; Winchmore Hill	Heritage Officer Tel: 020 8379 3852 christine.white@enfield.gov.uk
