

LONDON BOROUGH OF ENFIELD – FORWARD PLAN LIST NO.251
DATE OF PUBLICATION – 30th NOVEMBER 2022

Please note Key Decisions Nos. **5559 to 5574** have been added since the publication of the last Forward Plan List.

1. This edition supersedes all previous editions and provides notice under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 of the decisions due to be taken by the Authority.
2. All decisions (unless otherwise stated) included on this list will be taken on the basis of a written report. Copies of the reports and any other documents considered will be available via the website or can be requested by emailing: democracy@enfield.gov.uk
3. Background papers are listed where known in advance.
4. Documents shown are available at the London Borough of Enfield, Civic Centre, Silver Street, Enfield, EN1 3XQ.
5. To view details of the Decision Makers on the Forward Plan List, please click [Decision Takers](#).
6. Explanation of [Part 2 Classification](#).

Whilst the majority of the Cabinet's business at the meetings listed in this document will be open to the public and media organisations to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. This is formal notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that part of the Cabinet meetings listed in this document will be held in private because the agenda and reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it.

Should you wish to make any representations in relation to the meeting being held in private for the consideration of the Part 2 (Cabinet) items, you should contact (no later than 15 calendar days before the meeting date listed) Governance and Scrutiny Manager London Borough of Enfield, EN1 3XA, Claire Johnson on Tel. No. 020 8379 4239 or claire.johnson@enfield.gov.uk

<p>KD 5483 - Membership of the jointly owned Pan-London Vehicle for Commissioning Between 2015 and 2021, the cost of children’s social care in London has increased by 28% and there has been a 50% increase in the proportion of children in residential care, with the cost per child increasing by 64%. A lack of provision in London results in high costs and placements at a great distance – on average 80 miles from home for children with complex needs and 192 miles for children needing secure welfare provision. The recent Competition and Markets Authority Market Study (March 2022) and Independent Review of Children’s Social Care (May 2022) have highlighted weak oversight of the market, poor planning, and lack of co-ordination between local authorities which leads to high costs and some profiteering by providers. There is an urgent need for greater influence over the market by bringing the scale of London’s purchasing power to stimulate new provision where required, achieve greater financial sustainability and improve outcomes for children.
