The exception is that the Licensing Authority agree that the licensable activity, Performance of Dance can be added to the premises licence, as follows:

09:00 – midnight Sunday to Thursday

09:00 – 01:00am Friday & Saturday

A copy of the Licensing Authority representation can be found in Annex 3.

3.2 **Metropolitan Police** - Representation was received on behalf of the Metropolitan Police, objecting to the extension of hours, under all four of the licensing objectives. A copy of the Police representation can be found in Annex 4.

3.2 **Premises Licence Holder** – In response to the Licensing Authority's representation, the premises licence holder advised:

“We apologise for the 1st para in the operating schedule as this was inadvertently missed when editing the previous form. Whilst we understand that this application will now go for determination by the licensing committee, we would state that the current operation as food led venue with conditions to control noise, these premises will not undermine the licensing objectives.”

No other written representation has been received on behalf of Tiger Bay Estates Limited at the time this report was being prepared.

### **4.0 PROPOSED LICENCE CONDITIONS:**

4.1 Conditions arising from this variation application is produced as Annex 5, which presents the conditions offered by the premises licence holder.

### **5.0 RELEVANT LAW, GUIDANCE & POLICIES:**

5.1 The paragraphs below are extracted from either :

6.1.1 the Licensing Act 2003 ('Act'); or

6.1.2 the Guidance issued by the Secretary of State to the Home Office of April 2018 ('Guid'); or

6.1.3 the London Borough of Enfield's Licensing Policy Statement of January 2020 ('Pol').

### **General Principles :**

5.2 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].

5.3 The licensing objectives are :

5.3.1 the prevention of crime and disorder;

5.3.2 public safety;

5.3.3 the prevention of public nuisance; &

5.3.4 the protection of children from harm [Act s.4(2)].

5.4 In carrying out its functions, the Sub-Committee must also have regard to :

5.4.1 the Council's licensing policy statement; [Pol]&

5.4.2 guidance issued by the Secretary of State [Act s.4(3)].[Guid]

#### **Hours:**

5.5 The Government acknowledges that different licensing strategies may be appropriate for the promotion of the licensing objectives in different areas. The 2003 Act gives the licensing authority power to make decisions about the hours during which premises can conduct licensable activities as part of the implementation of its licensing policy statement. Licensing authorities are best placed to make decisions about appropriate opening hours in their areas based on their local knowledge and in consultation with responsible authorities. However, licensing authorities must always consider each application and must not impose predetermined licensed opening hours, without giving individual consideration to the merits of each application.[Guid 10.13]

5.6 Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested. [Guid 10.14].

5.7 The Council will deal with licensing hours on the merits of each individual application, again, only if relevant representations are made and there is a hearing to consider them. Applicants are expected to provide details of the measures they intend to take in order to promote the Licensing Objectives. [Pol s.8.1].

5.8 The Council recognises that variable licensing hours for the sale of alcohol may be desirable to ensure that concentrations of customers leaving premises simultaneously are avoided. However, where this may lead to longer opening hours the Council also recognises the potential for additional crime and disorder and/or public nuisance that may arise. [Pol s.8.2].

5.9 However, there is no general assumption in favour of lengthening licensing hours and the four Licensing Objectives should be paramount considerations at all times. Where there are representations against an application and the

Sub-Committee believes that extending the licensing hours would undermine the Licensing Objectives, they may reject the application or grant it with appropriate conditions and/or different hours from those requested. [Pol s.8.3].

- 5.10 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods. It is accepted that applicants' operating schedules may adequately provide for such circumstances and the Council will not seek to impose stricter conditions unless relevant representations are received, and a hearing takes place. [Pol s.8.4].
- 5.11 The Council takes the view that persons under 18 may be at risk by late night access to premises primarily used for the sale and consumption of alcohol. In particular, exposure to late night drinking may encourage illegal drinking and detrimentally affect studies and work. [Pol s.8.5].

### **CUMULATIVE IMPACT POLICY [POLICY]**

- 9.1 The Guidance provides that the cumulative impact of licensed premises on the promotion of the licensing objectives is a proper matter for a licensing authority to consider in developing its licensing policy statement. Cumulative impact means the potential impact on the promotion of the licensing objectives of a significant number of licensed premises concentrated in one area.
- 9.2 The steps to be followed in considering whether to adopt a special policy relating to cumulative impact within the council's statement of licensing policy are as follows:
- 9.2.1 Identify concern about crime and disorder or public nuisance;
- 9.2.2 Consider whether there is good evidence that crime and disorder or nuisance is happening and is caused by the customers of licensed premises or, that the risk of cumulative impact is imminent;
- 9.2.3 Identify the boundaries of the area where problems are occurring;
- 9.2.4 Consult those specified in section 5(3) of the Act, and subject to the outcome of the consultation, include and publish details of the cumulative impact within the licensing policy statement.
- 9.3 The effect of adopting a cumulative impact is to create a rebuttable presumption that applications for new premises licences or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, following relevant representations, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on the licensing objectives.

### **Identifying Concern about Crime and Disorder or Public Nuisance**

- 9.4 In 2009 the Council's Community Safety Service, in partnership with the Metropolitan Police, identified two areas where there was a positive correlation between the concentrations of licensed premises and the levels of anti-social behaviour and crimes of violence against the person. After due consideration, it was not considered appropriate at that time to adopt those areas as being subject to cumulative impact within the Council's licensing policy.
- 9.5 Further work by the Community Safety partnership and the police in 2012 led to the conclusion that the cumulative impact of a concentration of licensed premises in four areas of Enfield is undermining the promotion of the licensing objectives in those areas.
- 9.6 Police statistics are known to underestimate the numbers of alcohol related crime because of the high level of under reporting. Government estimates suggest that almost a half of all violent crime is alcohol related. But nationally the burden of alcohol related crime goes much wider than that, because alcohol related crime and drunken offenders place a huge burden on the police and other public services:
- 9.6.1 from approximately 10.30pm to 3am the majority of arrests are for alcohol-related offences;
- 9.6.2 there is the potential for routine incidents of public nuisance to escalate to more serious, especially violent, offences;
- 9.6.3 dealing with intoxicated offenders can be difficult and time consuming. For example, they may have to be kept in cells long enough to sober up; while they are there the police have a duty of care and have to ensure the offender does not come to harm by choking on their own vomit. The offender may have to be checked every 15 minutes. Medical attention may be necessary. Female offenders need female police officers to attend certain procedures who may have to be taken off other duties;
- 9.6.4 intoxicated prisoners can be disruptive, uncooperative and may present severe hygiene problems, urinating or defecating in their clothing during or after arrest.
- 9.7 All local authorities must fulfil their responsibilities under section 17 of the Crime and Disorder Act 1998 when carrying out their functions as licensing authorities under the Licensing Act 2003. Section 17 places a duty on local authorities and the police to do all they reasonably can to prevent crime and disorder in their area.
- 9.8 The Guidance states that the four licensing objectives are paramount considerations at all times. But the Guidance also identifies a number of other key aims and purposes which it says should be the principal aims for everyone involved in licensing work. They include 'the necessary protection of the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises.

## **CUMULATIVE IMPACT POLICY**

**9.13 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.**

**9.14 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.**

**9.15 Core Hours:**

**9.15.1 Sale/supply of alcohol (off supplies only):  
Monday to Sunday 08:00 to 24:00**

**9.15.2 Plays, Films, Indoor sporting events, Boxing or wrestling entertainments, Live music, Recorded music and/or Performance of dance:  
Monday to Sunday 09:00 to 24:00**

**9.15.3 Sale/supply of alcohol (on supplies only or on & off supplies):  
Monday to Sunday 10:00 to 24:00**

**9.15.4 Late night refreshment:  
Monday to Sunday 23:00 to 24:00**

**9.15.5 New Year's Eve: Any premises or club that is licensed for both the on supply of alcohol and for regulated entertainment may remain open and provide their licensed activities from the end of licensed hours on New Year's Eve to the start of licensed hours on New Year's Day.**

## **6.0 DECISION:**

**6.1 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation**

and should be allowed sufficient time to do so, within reasonable and practicable limits. [Guid 9.37].

- 6.2 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:
  - 6.2.1 the steps that are appropriate to promote the licensing objectives;
  - 6.2.2 the representations (including supporting information) presented by all the parties;
  - 6.2.3 the guidance; and
  - 6.2.4 its own statement of licensing policy [Guid 9.38].
  
- 6.3 Having heard all of the representations (from all parties) the Sub-Committee must take such steps as it considers appropriate for the promotion of the licensing objectives. The steps are:
  - 6.3.1 to grant the application subject to the mandatory conditions and such conditions as it considers necessary for the promotion of the licensing objectives;
  - 6.3.2 to exclude from the scope of the licence any of the licensable activities to which the application relates;
  - 6.3.3 to reject the application [Act s.18].

## Notes for Guidance

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.**

**Name and address of premises:**

Sherekhan, 128 High Street, ENFIELD, EN3 4ES

**Type of Application:**

Variation of Premises Licence

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the following reasons:

Tiger Bay Estates Ltd have submitted a variation application of premises licence LN/200501811, to extend the licensable activities as follows:

<b>Licensable Activity</b>	<b>Current Times (plus seasonal variations)</b>	<b>Proposed Times (plus seasonal variations)</b>

Films (Indoors)	09:00 – 00:30am Sunday to Thursday 09:00 – 01:30am Friday & Saturday	09:00 – 02:00am Sunday to Thursday 09:00 – 03:00am Friday & Saturday

## Location

This premises is located on the corner of a residential road. There are also residential properties on the opposite side of the road. The premises was previously known as The Picture Palace. The following images show the location and area.

## **Planning Information**

Insufficient planning permission cannot prevent a licence from being granted, however, if businesses trade without planning permission they can be issued a formal enforcement notice by the Planning Enforcement Team. Therefore, businesses must have the relevant planning permission AND licence in order to trade legally.

## **Relevant History - Licensing**

Since The Picture Palace closed, Tiger Bay Estates Ltd transferred the licence on 23 August 2021. Since then, the premises licence holder has applied for a minor variation and a full variation to amend the plan following refurbishments.

The premises has not yet opened.

## This Application

I wish to make representation on the following:

- **Protection of Children from Harm**
- **Prevention of Public Nuisance**
- **Prevention of Crime and Disorder**
- **Public Safety**

As well as the times sought as set out above, the applicant offers some conditions in the operating schedule.

- (1) The conditions suggested further to the risk assessment will adequately promote the licensing objectives given that there are no changes to the timings or licensable activities.

This is not correct.

- (2) CCTV cameras to be installed and recordings to be kept for a minimum of 30 days.

Already covered by existing Condition 2.

- (3) SIA certified security on the premises premises will employed according to the Police's reasonable suggestions.

Also already covered by Condition 5.

- (4) Shutters to secure the premises during closed hours.

Suggest reworded as: Shutters shall be used to secure the premises when the premises is closed.

No other conditions are sought through this representation considering the existing conditions.

However, the Licensing Authority **object to the extension of hours across all activities (with the exception of performance of dance)** as the premises is situated in the Edmonton Cumulative Impact Policy area, as set out in the Council's Licensing Policy Statement. The policy states:

**9.14 Any applications for ... for variations of those authorisations for hours outside the limits set out below (referred to as Core Hours) for premises ... inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.**

### **9.15 Core Hours:**

#### **9.15.1 Sale/supply of alcohol (off supplies only):**

**Monday to Sunday 08:00 to 24:00**

**9.15.2 Plays, Films, Indoor sporting events, Boxing or wrestling entertainments, Live music, Recorded music and/or Performance of dance:**

**Monday to Sunday 09:00 to 24:00**

**9.15.3 Sale/supply of alcohol (on supplies only or on & off supplies):**

**Monday to Sunday 10:00 to 24:00**

**9.15.4 Late night refreshment:**

**Monday to Sunday 23:00 to 24:00**

Recorded music is permitted 24 hours unusually, despite the premises opening hours being restricted.

With regards to performance of dance, we would permit it to be provided in line with the other activities as follows.

<b>Licensable Activity</b>	<b>Current Times (plus seasonal variations)</b>	<b>Proposed Times (plus seasonal variations)</b>	<b>LA Proposed Times</b>
Performance of dance (Indoors)	Not applicable	09:00 – 02:00am Sunday to Thursday  09:00 – 03:00am Friday & Saturday	09:00 – midnight Sunday to Thursday  09:00 – 01:00am Friday & Saturday

As the premises has not opened since Tiger Bay Estates Ltd have been the premises licence holder, it is not known how they cope within their current licence restrictions, and therefore there is no evidence to show how their operation will not add to the cumulative impact in this area.

The hours sought are extremely late, particularly in the week, and as the premises is located in a highly residential area, the local residents are likely to be affected by music and/or customer dispersal at the later hour.

I reserve the right to provide further information to support this representation.

### APPLICATION FOR A VARIATION OF A PREMISES LICENCE

Sherekhan, 128 High Street, ENFIELD, EN3 4ES

Dear Licensing Team,

This application is submitted by Tiger Bay Estates Ltd in regards to a variation of premises licence number LN/200501.

The police wish to make representations as we feel if the application is granted the following objectives will be undermined:

- **Protection of Children from Harm**
- **Prevention of Public Nuisance**
- **Prevention of Crime and Disorder**
- **Public Safety**

The proposed times and licensable activities applied for variation are as follows:

<b>Licensable Activity</b>	<b>Current Times (plus seasonal variations)</b>	<b>Proposed Times (plus seasonal variations)</b>
Opening hours	07:00 – 00:30am Sunday to Thursday  07:00 – 01:30am Friday & Saturday	07:00 – 02:30am Sunday to Thursday  07:00 – 03:30am Friday & Saturday

Supply of alcohol (on and off sales)	09:00 – midnight Sunday to Thursday 09:00 – 01:00am Friday & Saturday	09:00 – 02:00am Sunday to Thursday 09:00 – 03:00am Friday & Saturday
Late night refreshment (Indoors & outdoors)	23:00 – midnight Sunday to Thursday 23:00 – 01:00am Friday & Saturday	23:00 – 02:00am Sunday to Thursday 23:00 – 03:00am Friday & Saturday
Performance of dance (Indoors)	Not applicable	09:00 – 02:00am Sunday to Thursday 09:00 – 03:00am Friday & Saturday
Recorded Music (Indoors)	24 hours	09:00 – 02:00am Sunday to Thursday 09:00 – 03:00am Friday & Saturday
Films (Indoors)	09:00 – 00:30am Sunday to Thursday 09:00 – 01:30am Friday & Saturday	09:00 – 02:00am Sunday to Thursday 09:00 – 03:00am Friday & Saturday

**The application essentially extends terminal opening hours by a further 2 hours into weekdays and 2 hours at weekends, both into the small hours of the morning of the following days. Till 0230 hrs weekdays and 0330 hrs Friday and Saturday's .Essentially only allowing for a 4.5 hour break in trading weekdays and 3.5 hours weekends.**

### **Venue location**

These premises are is situated on the corner of what is in essence a residential street ,there are residential houses all around and it would be safe to say it is embedded within residential properties .There are other licenced premises within the vicinity but non with terminal times as late as applied for .

The previous premises known as “the picture palace “(taking its name from the fact historically this was a cinema) was a public house. All the residential properties are within earshot of these premises taking into consideration the licenced activities of recorded music, Performance of dance and films have been applied for with terminal times extending into the small hours of the morning both weekdays and weekends .

The London Borough of Enfield's statement of licensing policy 6<sup>th</sup> Edition 28 Jan 2020 is very plain in regards to extended licensing hours within residential areas and states thus,

"8.4 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods. It is accepted that applicants' operating schedules may adequately provide for such circumstances and the Council will not seek to impose stricter conditions unless relevant representations are received, and a hearing takes place".

No other licenced premises within this geographical area have terminal hours as late /early as this application with the vast majority with terminal times of 11pm on weekdays, We the police therefore feel that if these hours were granted there would be a real possibility that **public nuisance** and possibly anti-social behaviour coupled with alcohol fuelled crime in the form of violence may proliferate by patrons leaving the premises and eating and drinking in outdoor spaces up until 3:30 am on weekends and also up until 2:30 am on what is for most a work day morning

Additionally these premises are situated within the London Borough of Enfield's Cumulative impact zone and as stated within the statement of Licensing Policy (6<sup>th</sup> Edition 28 Jan 2020) applications for extensions to terminal and licensing hours for premises that fall within the permit of the CIZ and that fall outside of the laid down "core hours ", with submission of relevant representations, there will be a presumption against granting the application.

In order to avoid any doubt the statement states thus,

**9.14 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out below (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.**

9.15 Core Hours:

9.15.1 Sale/supply of alcohol (off supplies only): **Monday to Sunday 08:00 to 24:00** 9.15.2 Plays, Films, Indoor sporting events, Boxing or wrestling entertainments, Live music,

Recorded music and/or Performance of dance: **Monday to Sunday 09:00 to 24:00**

9.15.3 Sale/supply of alcohol (on supplies only or on & off supplies): **Monday to Sunday 10:00 to 24:00**

9.15.4 Late night refreshment: **Monday to Sunday 23:00 to 24:00"**

We acknowledge the applicants operating schedule however it cannot completely eradicate the risk to public nuisance caused at 3am and later in the early mornings given that other premises will have closed several hours earlier.

We therefore object in entirety to the submitted timings and terminal times and think they are excessive given the geographic location and the proximity to residents and we propose that the stipulated terminal times as laid down within the Enfield statement of licensing Policy Paragraphs 9.14 to 9.15.4 (above) be applied to this application, **we are mindful of the fact that the current licence hours do exceed stipulated Core Hours of a CIZ** ergo we feel not only are the current hours sufficient but also possibly excessive given the fact this is a CIZ location.

### **In summary**

We the Police **object** to the applications on the grounds stated the applicant clearly has not considered the London Borough of Enfield's Statement of licensing Policy when submitting this application Nor Considered the guidance written pertaining to Cumulative Impact Zones and the more stringent responsibilities incumbent upon

licenced premises situated within such zones. We therefor hold no faith in this applicant's ability to effectively uphold the licensing objectives.

I reserve the right to provide further information to support this representation.

Regards, PC 1277NA Derek Ewart

North Area Licensing Officer
