3.3.1 Copies of the representations are attached as Annex 05.

4 **PROPOSED LICENCE CONDITIONS :**

4.1 The conditions arising from this application are attached as Annex 06, all are agreed.

5 **RELEVANT LAW, GUIDANCE & POLICIES :**

- 5.1 The paragraphs below are extracted from either :
- 5.1.1 the Licensing Act 2003 ('Act'); or
 - 5.1.2 the Guidance issued by the Secretary of State to the Home Office of April 2012 ('Guid'); or
 - 5.1.3 the London Borough of Enfield's Licensing Policy Statement of April 2012 ('Pol').

General Principles :

- 5.2 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].
- 5.3 The licensing objectives are :
- 5.3.1 the prevention of crime and disorder;
 - 5.3.2 public safety;
 - 5.3.3 the prevention of public nuisance; &
 - 5.3.4 the protection of children from harm [Act s.4(2)].
- 5.4 In carrying out its functions, the Sub-Committee must also have regard to :
- 5.4.1 the Council's licensing policy statement; &
 - 5.4.2 guidance issued by the Secretary of State [Act s.4(3)].
- 5.5 There can be confusion about the difference between the "need" for premises, and the "cumulative impact" of premises on the licensing objectives. "Need" concerns the commercial demand for another pub or restaurant or hotel, and is a matter for the planning authority and for the market. This is not a matter for the Sub-Committee in discharging its licensing functions [Guid 13.18].

Cumulative Impact Policy :

- 5.6 The applicant premises/club premises is not located in a Cumulative Impact Policy Area [Pol s.9.21/22].

Hours :

- 5.7 The Sub-Committee decides licensed opening hours as part of the implementation of the licensing policy statement and is best placed to make decisions about appropriate opening hours in their area based on their local knowledge and in consultation with responsible authorities [Guid 10.20].
- 5.8 Stricter conditions with regard to licensing hours may be required for licensed premises situated in or immediately adjacent to residential areas to ensure that disturbance to local residents is avoided. This will particularly apply in circumstances where, having regard to the location, size and nature of the premises, it is likely that disturbance will be caused to residents in the vicinity of the premises by concentrations of people leaving, particularly during normal night-time sleeping periods [Pol s.8.4].
- 5.9 The impact upon the licensing objectives from people gathering at takeaways, particularly after other licensed premises have closed, can be considerable. In determining licensing hours, regard will therefore be had to the density and closing times of licensed premises in the vicinity [Pol s.8.8.2].

Conditions :

- 5.10 In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. They must also be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to demonstrate knowledge of their local area when describing the steps they propose to take to promote the licensing objectives [Guid 8.34].

Decision :

- 5.11 As a matter of practice, the Sub-Committee should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas [Guid 9.33].
- 5.12 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:
- 5.12.1 the steps that are appropriate to promote the licensing objectives;
 - 5.12.2 the representations (including supporting information) presented by all the parties;
 - 5.12.3 the guidance; and
 - 5.12.4 its own statement of licensing policy [Guid 9.34].
- 5.13 Having heard all of the representations (from all parties) the Sub-Committee must take such steps as it considers appropriate for the promotion of the licensing objectives. The steps are :
- 5.13.1 to grant the application subject to the mandatory conditions and such conditions as it considers necessary for the promotion of the licensing objectives;
 - 5.13.2 to exclude from the scope of the licence any of the licensable activities to which the application relates;
 - 5.13.3 to refuse to specify a person in the licence as the premises supervisor;
 - 5.13.4 to reject the application [Act s.18].

POLICE REPRESENTATION

Name and address of premises: Kabul Cuisine
394 Green Lanes
Palmers Green
N13 5PD

Type of Application: New Premises

Worksheet number: WK/212054141

The Application

This is a new application to allow the premises to provide the following activities:

Activity	Applied for Hours
Open	11:00 – 04:00 everyday
LNR	23:00 – 04:00 everyday
Recorded Music	11:00 – 04:00 everyday

As a new premises, Police records do not show any history of complaints relating to this premises.

Location

This property is located in Green Lanes, between Hedge Lane and Fox Lane. This is a mixed commercial and residential area with some residential properties on the opposite side of the road, in nearby side streets and also above some of the shops in this parade. I have concerns that granting this licence would create a noise nuisance for local residents who undoubtedly be disturbed by those arriving and/or leaving the premises during the early hours of the morning.

The licensed premises in the vicinity include:

- The Fox – alcohol, recorded music, facilities for dancing (latest 02:00), live music, facilities for making music (01:00), LNR (01:30), plays, films, performance of dance (00:00)
- The Lemon Tree – alcohol (latest 23:00)
- BBQ Express – alcohol (latest 23:45), LNR (latest 00:00)
- Bengal Berties – alcohol (latest 00:00), recorded music (00:00), LNR (latest 00:30)
- Mojan Chinese – alcohol (latest 00:00), recorded music (24 hrs), LNR (latest 00:30)
- Vadi Restaurant – alcohol, plays, films, indoor sporting events, live music, recorded music, performance of dance, facilities for making music, facilities for dancing, LNR (latest 01:00)

- Big Bluff – alcohol (latest 01:00)
- Vino Café and Shisha – alcohol (latest 23:00)

Cumulative Impact Policy (CIP)

This premises is not located in one of Enfield Council’s Cumulative Impact Policy Areas.

In summary I wish to make representation on the following:

- Prevention of Public Nuisance

Taking in to account the residential premises above some of the shops in this parade I am of the firm belief that it is not a suitable location for late night music or LNR. There is potential for noise disturbance from the music and also from those arriving at and leaving the premises during the early hours of the morning, I therefore object to the applied for hours and suggest alternative times as detailed below:

Activity	Applied for Hours	Recommended Hours
Open	11:00 – 04:00 everyday	11:00 – 00:30 everyday
LNR	23:00 – 04:00 everyday	23:00 – 00:00 everyday
Recorded Music	11:00 – 04:00 everyday	11:00 – 23:00 everyday

CCTV

CCTV is an essential ingredient in deterring crime and gathering evidence if crime is committed. Although CCTV is discussed in the operating schedule, insufficient detail has been provided to ensure its quality and integrity. Police therefore request the following condition is applied to the premises licence to ensure quality performance.

If this application were granted in full or part, I would recommend the following alterations be made to the licence conditions. I also suggest that an additional condition be attached to the licence, as set out below, to further promote the licensing objectives.

*** PLEASE REFER TO ANNEX 06 ***

If these conditions were accepted in full I would withdraw my representation.

I confirm I am authorised to speak at any hearing on behalf of the Licensing authority, Trading Standards Service (inspectors of Weights & Measures), Planning authority, Health & Safety authority, Environmental Health authority, and Child Protection Board).

Name and address of premises: Kabul Cuisine

Type of Application: New Premises Licence

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the following reasons:

Background History:

This is a new application to allow the premises to provide the following activities:

Activity	Applied for Hours
Open	11:00 – 04:00 everyday
LNR	23:00 – 04:00 everyday
Recorded Music	11:00 – 04:00 everyday

As a new premises, council records do not show any history of complaints relating to this premises.

Following receipt of this application observations of the area have been carried out:

Saturday 15/09/12 - 00:12 hours. Out of Hours Licensing Enforcement Officers (CLB & TH) carried out observations outside the premises to see what the area was like in the evening. The shutter of the premises was half down. Lights were on inside. The premises appeared to be open but no customers were seen entering and no one was seen inside the premises. The officers noted that there were residential properties opposite the premises and what looked like residential properties above the shops in this parade of shops. The officers were of the opinion that residents would be affected by noise should businesses remain open late at night / during the early hours of the morning. Road traffic was regular with cars and buses passing by but the odd lull in traffic was witnessed. Only a few people were seen walking around. When road traffic wasn't passing this section of Green Lanes is quite quiet with few premises open at this time. The officers were of the opinion that granting a 4am licence for LNR and recorded music would be detrimental to the area. The officers were of the opinions that music should cease as 23:00 and LNR should cease at 01:00 at the latest. At 00:20 a board was moved into the premises by a female. At 00:25 the shutters were pulled

down over the entrance and then the outside lights were turned off. The officers left the area at 00:26.

00:49 – Out of Hours Noise Officers carried out observations of the premises. It was closed with the shutter down. Due to noise calls the officers were unable to carry out detailed observations but noted that the immediate area was quiet with no pedestrians along the parade only passing traffic on Green Lanes.

Sunday 15/09/12 – 00:29 - Out of Hours Noise Officers carried out observations of the premises. It was closed with the shutter down.

Prevention of Nuisance:

This premises is located on Green Lanes, between Hedge Lane and Fox Lane. This is a mixed commercial and residential area with some residential properties on the opposite side of the road, in nearby side streets and also above some of the shops in this parade. I am concerned that granting this licence would create a noise nuisance for local residents who could be disturbed by those arriving at or leaving the premises during the early hours of the morning.

The licensed premises in the vicinity include:

- The Fox – alcohol, recorded music, facilities for dancing (latest 02:00), live music, facilities for making music (01:00), LNR (01:30), plays, films, performance of dance (00:00)
- The Lemon Tree – alcohol (latest 23:00)
- BBQ Express – alcohol (latest 23:45), LNR (latest 00:00)
- Bengal Berties – alcohol (latest 00:00), recorded music (00:00), LNR (latest 00:30)
- Mojan Chinese – alcohol (latest 00:00), recorded music (24 hrs), LNR (latest 00:30)
- Vadi Restaurant – alcohol, plays, films, indoor sporting events, live music, recorded music, performance of dance, facilities for making music, facilities for dancing, LNR (latest 01:00)
- Big Bluff – alcohol (latest 01:00)
- Vino Café and Shisha – alcohol (latest 23:00)

Planning:

There are no planning issues relating to this application.

Cumulative Impact Policy (CIP)

This premises is not located in any of Enfield Council's Cumulative Impact Policy Areas.

In summary I wish to make representation on the following:

- Prevention of Public Nuisance

Given that there are residential premises above some of the shops in this parade I do not believe that it is a suitable location for late night music or LNR. There is potential for noise disturbance from the music and also from those arriving at and leaving the premises during the early hours of the morning, I therefore object to the applied for hours and suggest alternative times as detailed below:

Activity	Applied for Hours	Recommended Hours
Open	11:00 – 04:00 everyday	11:00 – 00:30 everyday
LNR	23:00 – 04:00 everyday	23:00 – 00:00 everyday
Recorded Music	11:00 – 04:00 everyday	11:00 – 23:00 everyday

If this application were granted in full or part, I would recommend the following conditions be attached to the licence to promote the licensing objectives. These conditions are in addition to the proposed conditions in Annex 2 as indicated.

*** PLEASE REFER TO ANNEX 06 ***

I reserve the right to provide further information to support this representation. If these conditions and amended times were accepted in full I WOULD withdraw my representation.

Dear Sir/Madam

I object strongly to the application for a late night licence for Kabul Cuisine, 394 Green Lanes. This is generally a quiet residential neighbourhood and a late licence is likely to bring noise and disorder. It could well encourage crime as well e.g. drug dealing and related violence, as people are attracted to the area by the late night sale of alcohol. These late night customers will try and find parking places in the already jammed surrounding residential streets spreading noise and disruption. This is not a service local residents are likely to need and will bring no benefits whatsoever.

Yours sincerely

Dear Sirs,

Re the above address which has applied for a license to open 11pm to 4am.

I am writing to object to the granting of this license to Kabul Cuisine.

I am concerned the opening times of 11pm to 4pm every night will introduce noise. It may also introduce disruption, either of which will cause a public nuisance.

In addition, evidence shows a close link between alcohol and crime and disorder. It seems likely this would follow from people attracted into the area for all night alcohol.

Windsor Rd is currently a relevantly quiet area and I would like it to remain so.

Dear Sir/Madam

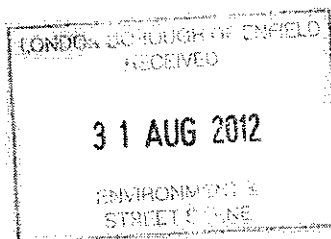

I am writing to object to the granting of a license to Kabul Cuisine from 11pm-4am 7 nights a week.

This will introduce noise during the night time and possibly also disruption. Both cause a public nuisance.

The availability of alcohol all through the night is highly likely to attract people into the area for this purpose. The link between alcohol and crime and disorder is irrefutable and I am concerned that the restaurant's proposed opening hours are therefore likely to increase both.

Dear Sir, Madame

I am writing to object to the granting of a 11pm to 4am nightly license for "late night refreshment and recorded music" to

Kabul Cuisine of 394 Green Lanes N13 5XQ.

The restaurant concerned is located close to a residential area, I live in one of the streets very close by, and I am concerned

that the late night opening times will cause a public nuisance in the local area because of increased noise.

I also object as I believe it could increase crime and disorder in the area due to all-night alcohol being made available.

Noise into the early hours

Danger of public disturbance with the availability of alcohol Cars driving noisily up and down the road

There is already a drugs issue in N 13 There is a risk this venue becomes a focus point for criminality?

We already have good restaurants in the area. we do NOT need this addition

The Council has already damaged this community with allowing 7 Betting Shops

Please consider this objection responsibly

Ref: Licence Application - Kabul Cuisine, 394 Green Lanes, London N13 5PD

Dear all,

Please accept this letter as formal confirmation of strong opposition to the current licence application for the aforementioned premises. I believe the granting of this licence application will have an extremely damaging effect on the surrounding residential areas, mainly due to the times associated with the application;

- 1) **Late night catering, including delivery from 11:00pm to 04:00am Monday to Sunday including bank holidays and public holidays.**
- 2) **Playing of recorded music indoors from 11:00am to 04:00am Monday to Sunday including bank holidays and public holidays.**

Based on a number of years experience in the licensing trade, I am fully aware of the clientele that a late night establishment such as Kabul Cuisine would attract, particularly since there are a limited amount of late night establishments in the vicinity.

I am also very concerned about the close proximity of the establishment to nearby residences and the effect that the late night music/catering would have on these residences.

As it is, there is a high volume of anti social behaviour that takes place on the corner of Windsor Road / Green lanes due to the presence of the Ladbrokes bookmakers, this includes urinating in the street, very obvious drug/alcohol abuse on the pavement itself, violent behaviour and a terrible littering problem which frequently spills into Windsor Road. I have had to use the road adjacent on many occasions when walking my young son to the High Road due to these issues.

My worry is that if these issues can arise during normal daytime trading hours, then an increase of revellers from Kabul Cuisine in the early hours of the morning (which would subsequently attract late night drinkers from surrounding areas) would offer nothing positive to the local area and would only serve to increase what is an already unsettled feeling amongst the local residents with regards to personal safety.

In addition to the points raised above, I fail to see why a business advertising as a restaurant would be applying for a 04:00am music licence unless they plan to operate as a late night drinking venue?

Kind Regards,

1P14

Re:- Kabul Cuisine,
Leed Sid/madam,

Regarding the above restaurant for a license to be open from 11pm to 4am. every night of the week. I feel that this application is quite ridiculous and very worrying.

Not only will there be music from the restaurant, but also, from various cars pulling up with loud internal music. This leads to a loud concentration of noise due to alcohol & general gatherings, coupled with possible crime & public disorder.

If a license is granted this could set a firm precedent for future applications in the vicinity and totally ruin the area around, Wouders Rd, Green lanes, & Park ave, where there is already large amounts of car parking from the gambling club opposite the Kabul Cuisine.

This application must be rejected completely

Yours Sincerely
