

LONDON BOROUGH OF ENFIELD

COUNCIL – 17 JULY 2013

AMENDMENT SHEET (TABLED)

Item 12 (Part 1 Agenda) & Item 2 (Part 2 Agenda): Reprovision Project – Next Steps

Members are asked to note that the recommendations in the Part 1 & Part 2 report relating to this item were all approved by Cabinet on 10th July 2013.

Item 20.3: Motion (in the name of Councillor Sitkin) – reduction in CO2 emissions

Reference to “global warning” at end of the final sentence in the first paragraph to be amended to read “global warming”. This was a typographical error on the agenda.
