

PUBLICATION OF DECISION LIST NUMBER 32/14-15

MUNICIPAL YEAR 2014/2015

Date Published: Friday 17th October 2014

This document lists the decisions that have been taken by the Council, which require publication in accordance with the Local Government Act 2000. The list covers key, non-key, Council and urgent decisions. The list specifies those decisions, which are eligible for call-in and the date by which they must be called-in.

A valid request for call-in is one which is submitted (on the form provided) to the Governance Secretariat in writing within 5 working days of the date of publication of the decision:

- by at least 7 Members of the Council; or
- by formal resolution of a Scrutiny Panel; or
- where it is not possible (given the call-in deadline) to put the issue to a Panel meeting, by the Chairman of a Scrutiny Panel.

Additional copies of the call-in request form are available from the Governance Secretariat.

DECISION

AGREED: subject to no call-in being received, the following decision will come into effect on Monday 27th October 2014:

- To approve the making permanent of the Experimental Traffic Management Order under the Road Traffic Regulations Act 1984 for the introduction of the ‘No Entry’ and waiting restrictions operating “at any time” as detailed on the drawing, (see ‘Appendix A’, of the report) at an estimated cost of £2,000 to be met from Local Implementation Plan Programme allocation for 2014/15.
- To inform local residents and businesses of the decision made as a result of this report.

ALTERNATIVE OPTIONS CONSIDERED:

- Do Nothing:** The Council has a duty to address traffic problems on the highway and the consequences of doing nothing to reduce the traffic congestion may be viewed as showing a lack of responsibility in dealing with road safety issues.
- A road closure –** Was considered, however this would be more expensive than closing half the road. Also, the constraint of traffic exiting the area would cause more congestions in the area.

REASONS FOR RECOMMENDATIONS:

The proposals seek to improve road safety and the quality of life for all road users by reducing traffic stress, as well as reduced noise and pollution caused by excessive traffic flows entering the area.

BACKGROUND:

Please note that a copy of the part 1 report is available via the Decision list link on the Council’s Democracy pages.
