DECISION

AGREED: subject to no call-in being received, the following decision will come into effect on Wednesday 26th November 2014:
That the Cabinet Member for Economic Development, in consultation with the Director of Environment, approves the CIL Supporting Information Document as attached as Annex 1 to the report.

ALTERNATIVE OPTIONS CONSIDERED:

The production of the CIL Supporting Information Document is optional for local authorities. However, the CLG CIL Guidance indicates that local authorities should publish appropriate available evidence on infrastructure costs, other funding sources and economic viability. The Supporting Information Document helps to improve clarity and an understanding of the justification for the CIL rates proposed; not only for the public as part of the Draft Charging Schedule public consultation but also the CIL Inspector.

REASONS FOR RECOMMENDATIONS:

The document aids the understanding not only of the public as part of the Draft Charging Schedule consultation but will also form part of the evidence to aid the CIL Inspector in the efficient running of the CIL Examination.

BACKGROUND:

Please note that a copy of the Part 1 report is available via the Decision list link on the Council's Democracy pages.
