DECISION

AGREED: subject to no call-in being received, the following decision will come into effect on Monday 15th December 2014:

- To review the Worklessness Commission research summary produced and note its contents within the context of when it was produced.
- To agree that the Assistant Director for Economic Development reviews and updates where appropriate the strategy for addressing worklessness by incorporating relevant findings into current work.

ALTERNATIVE OPTIONS CONSIDERED:

Worklessness remains a key issue in Enfield and is a major draw on the public purse as well as contributing to a number of undesirable health and social problems. The alternative to considering this agenda would put a heavier burden on other agencies in supporting local residents to access and sustain employment.

REASONS FOR RECOMMENDATIONS:

Working in conjunction with a range of services across the council to continue to understand and address the causes and effects of worklessness will support the Council and ultimately save money, and enable the local economy to flourish.

BACKGROUND:

Please note that a copy of the Part 1 report is available via the Decision list link on the Council's Democracy pages.
