DECISION							
<p>AGREED: subject to no call-in being received, the following decision will come into effect on Monday 20th April 2015:</p> <ol style="list-style-type: none"> 1. That the Council is authorised to call-off from the Eastern Shires Purchasing Organisation (ESPO) framework 271 Vehicles Hire Self Drive for hire of RCVs and the hire of vehicles under 3.5 tonnes using the framework schedule of rates and the further competition results and to enter into contracts accordingly (see Part Two Report). The contract period is 3 years with the option to extend by a further year. 2. The hire of vehicles under 3.5 tonnes using the schedule of rates from the framework, detailed in the Part Two Report. 3. The hire of RCVs, the Council's specific RCV requirements have necessitated a further competition amongst framework supplies, the results of which are summarised in the report and to enter into contracts, as detailed in the Part Two Report. 							
ALTERNATIVE OPTIONS CONSIDERED:							
<ol style="list-style-type: none"> 1. In parallel with these proposed hire arrangements, changes are being implemented to workshop resources and procedures to increase vehicles fleet availability and reduce the short term hire requirement to provide cover for vehicles that are off the road. 2. The Council considered running its own competitive tender for these requirements. However as the framework met the needs of the Council it was felt that this would be duplicating resources unnecessarily. 							
REASONS FOR RECOMMENDATIONS:							
To implement a robust contract process for Vehicles Hire Self-Drive.							
BACKGROUND:							
Please note that a copy of the Part 1 report is available via the Decision list link on the Council's Democracy pages. As the Part 2 report contains exempt information it will not be available to the press or public.
