DECISION							
<p>AGREED: subject to no call-in being received, the following decision will come into effect on Thursday 7th May 2015:</p> <ol style="list-style-type: none"> 1. To consider and note the comments in relation to a recent consultation on proposals to introduce new waiting restrictions on Duchy Road and at the Junction with Lancaster Avenue. 2. To approve the making of the Traffic Management Order under the Road Traffic Regulations Act 1984 for the introduction of waiting restrictions as detailed in Appendix B, of this Report and at an estimated cost of £2,000.00. This is to be met from the Corridors, Neighbourhoods and Supporting Measures allocations for 2014/15 provided by Transport for London. 							
ALTERNATIVE OPTIONS CONSIDERED:							
<ol style="list-style-type: none"> 1. Do Nothing – The existing situation sees vehicles being parked on Duchy Road at, or in close proximity to the junction with Lancaster Avenue. This is a concern to the Council in terms of road safety for both pedestrians and motorists and in terms of congestion. If no measures were introduced at the junction, these concerns would remain. 2. Alternative Measures – To the north of the junction with Lancaster Avenue, on street parking on Duchy Road can be an issue in terms of congestion during the morning and afternoon periods during school term times. 3. At other times, the impact of on-street parking and in particular 'commercial vehicles', is a lesser concern in terms of congestion and road safety. However, this has raised significant concern amongst the local community. Alternative measures have been considered and are set out in Section 5 in the report. 							
REASONS FOR RECOMMENDATIONS:							
The reasons for recommendations are detailed in full in the Report.
