Dear Sirs,

Re: Tandoori Nights, 27 Station Parade, Cockfosters Road, Barnet, EN4 ODW

With reference to the member of staff who has an appeal pending. Our client had enquired numerous times about the progress of the application after they were initially provided with documentation confirming the right to work. Further documentation was regularly provided by the member of staff explaining their circumstances and confirming their continuing right to work.

Kindly note that the certificate of application that was issued confirms employment can be continued or offers of employment can be accepted whilst the application is pending or until the appeal rights have been exhausted.

With regard to the appeal against the issuing of the civil penalty, the matter has been listed to be heard in Luton County Court on 10 February 2016.

Yours faithfully
