

LONDON BOROUGH OF ENFIELD

COUNCIL – 24 SEPTEMBER 2015

UPDATE SHEET (TABLED)

Item 7: Scrutiny Annual Work Programme and Work Streams 2015/16

Members are asked to note that Cabinet (on 16th September 2015) was invited to comment on the 2015/16 Scrutiny Work Programme in advance of its consideration at tonight's Council meeting.

Cabinet approved recommendation of the 2015/16 scrutiny work programme and work streams on to Council. In agreeing this, they noted the wide ranging and flexible nature of the programme developed by Overview & Scrutiny Committee (OSC) alongside the specific need identified to ensure that:

- (a) Cabinet Members were invited to engage in reviews relating to services within their portfolio as well as with OSC on a more systematic basis outside of the formal work programme; and
- (b) subject to available resources and time, OSC were encouraged to take as wide a view as possible in terms of scrutiny's role around policy and service development, including looking at areas of service not currently being provided and the justification for this.

Item 8: Audit Committee Annual Report 2014/15

Members are asked to note that the Annual Report was formally approved for final referral to Council, by Audit Committee at its meeting on 23rd September 2015.
