- 1.15 A copy of the current premises licence (LN/201500517) is attached in Annex 2, CPX/10.

2 THIS APPLICATION:

- 2.1 On 19 February 2016 an application was made by the **Licensing Authority** for the review of Premises Licence LN/201500517.
- 2.2 The review application relates to the prevention of crime and disorder licensing objective and is made because:
 - 2.2.1 On 2 October 2015, 10 November 2015 and 21 December 2016, non-duty paid alcohol and tobacco were found in connection with the premises. Breaches of the premises licence were also established.
- 2.3 The authority considers that it is now appropriate, for the promotion of the licensing objectives, to revoke the Premises Licence.
- 2.4 The review application was advertised in accordance with the requirements of the Licensing Act 2003.

- 2.5 Each of the Responsible Authorities were consulted in respect of the application.
- 2.6 A copy of the review application is attached as Annex 02.

3 RELEVANT REPRESENTATIONS:

- 3.1 No representations were received in respect of this review application: the Metropolitan Police have provided information as part of the transfer objection which shall be considered at the same time as the review hearing.

4 PROPOSED LICENCE CONDITIONS:

- 4.1 No conditions have arisen from this application.

5 RELEVANT LAW, GUIDANCE & POLICIES:

- 5.1 The paragraphs below are extracted from either :
- 5.1.1 the Licensing Act 2003 ('Act'); or
 - 5.1.2 the Guidance issued by the Secretary of State to the Home Office of March 2015 ('Guid'); or
 - 5.1.3 the London Borough of Enfield's Licensing Policy Statement of January 2015 ('Pol').

General Principles :

- 5.2 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].
- 5.3 The licensing objectives are :
- 5.3.1 the prevention of crime and disorder;
 - 5.3.2 public safety;
 - 5.3.3 the prevention of public nuisance; &
 - 5.3.4 the protection of children from harm [Act s.4(2)].
- 5.4 In carrying out its functions, the Sub-Committee must also have regard to :
- 5.4.1 the Council's licensing policy statement; &
 - 5.4.2 guidance issued by the Secretary of State [Act s.4(3)].

Review:

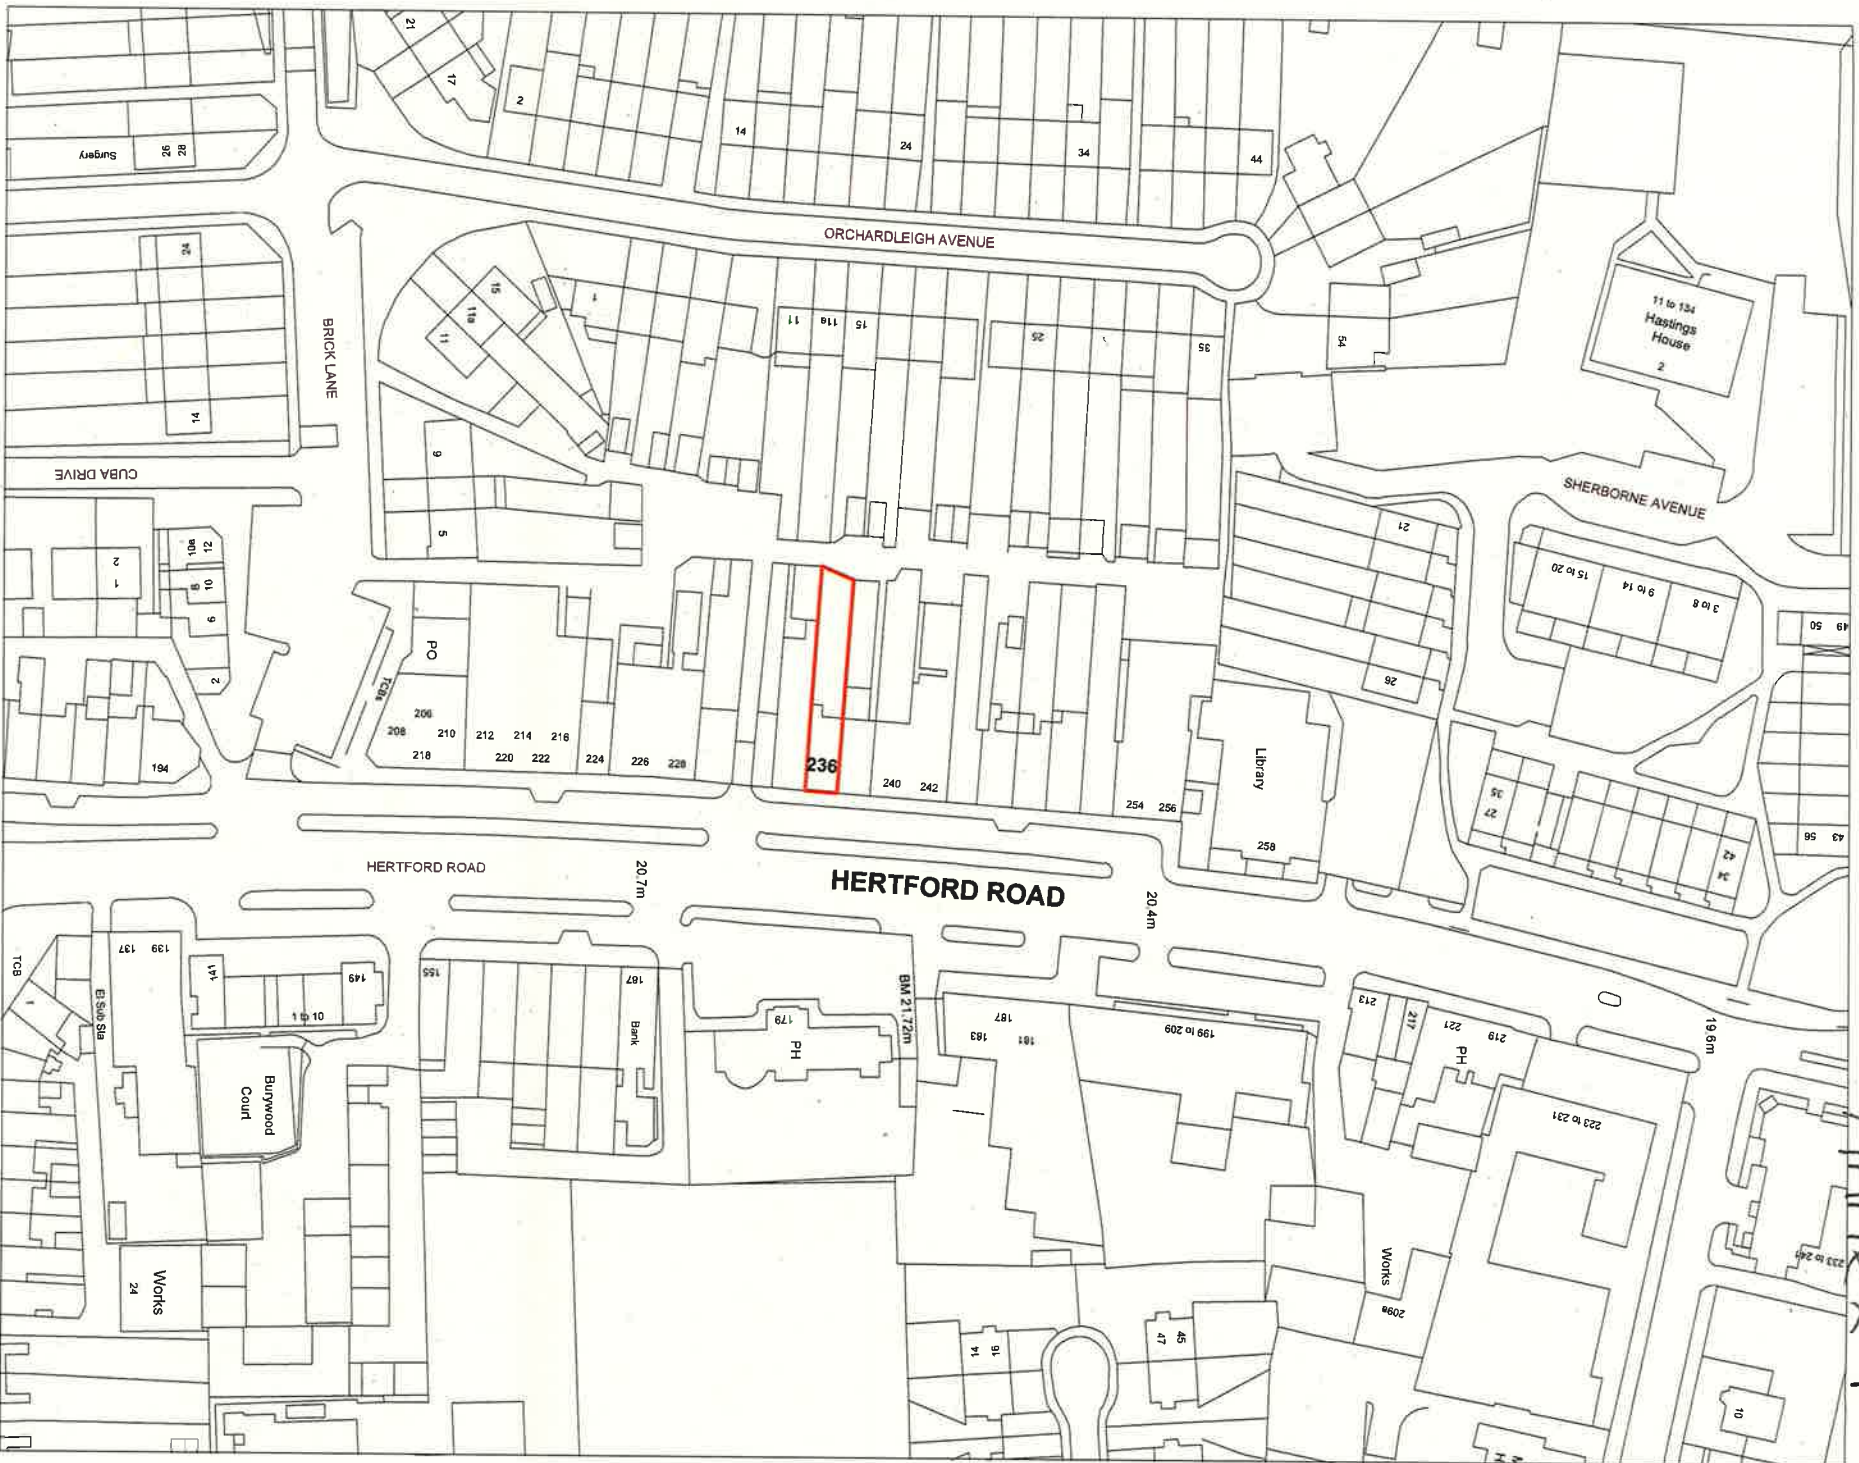

- 5.5 In reviewing a licence the Licensing Sub-Committee will consider, and take into account, the complaints history of the premises and all other relevant information [Pol s.10.3].
- 5.6 A number of reviews may arise in connection with crime that is not directly connected with licensable activities, for example the sale of contraband goods. The Sub-Committee does not have the power to judge the criminality or otherwise of any issue. The Sub-Committee's role is to ensure the promotion of the crime prevention objective [Guid s.11.24].
- 5.7 There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These include the use of the premises for the sale or storage of smuggled tobacco and alcohol [Guid s.11.27].
- 5.8 Where reviews arise in respect of these criminal activities and the Sub-Committee determines that the crime prevention objective is being undermined, it is expected that revocation of the licence – even in the first instance – should be seriously considered [Guid s.11.28].

Decision :

- 5.9 Having heard all of the representations (from all parties) the Licensing Sub-Committee must take such steps as it considers appropriate for the promotion of the licensing objectives. The steps are :
 - 5.9.1 to modify the conditions of the licence;
 - 5.9.2 to exclude a licensable activity from the scope of the licence;
 - 5.9.3 to remove the designated premises supervisor
 - 5.9.4 to suspend the licence for a period not exceeding three months;
 - 5.9.5 to revoke the licence [Act s.52].
- 5.10 In deciding which of these powers to invoke, the Sub-Committee should so far as possible seek to establish the cause or causes of the concerns which the representations identify. The remedial action taken should generally be directed at these causes and should generally be directed at those causes and should always be no more than an appropriate and proportionate response [Guid s.11.20].

This review is primarily based on the prevention of crime and disorder, licensing objective. The review application is to revoke the premises licence in its entirety.

Background Information:

Please provide as much information as possible to support the application
(please read guidance note 2)

More than one licence has been revoked for these premises in the past. Although the premises licence holder has been different each time the same person appears to have been connected to the business throughout. For this reason, details of the premises history prior to this premises licence being granted has also been set out below:

Licence History of Premises

- 1. On **22nd February 2007** Mr Sefer GOVTEPE was granted a premises licence for Hertford Food and Wine, 236 Hertford Road, Enfield, EN3 5BL (LN/200600789). The licence named him as both the premises licence holder and the designated premises supervisor and gave his home address as 43 Merlin House, 2 Napier Road, Enfield, Middlesex, EN3 4QJ. I produce a copy of this licence as **CPX/01**.
- 2. On **13th August 2008** Mr Sefer GOVTEPE was granted a new premises licence for Hertford Food and Wine, 236 Hertford Road, Enfield, EN3 5BL (LN/200800470). The licence named him as both the premises licence holder

and the designated premises supervisor and gave his home address as 43 Merlin House, 2 Napier Road, Enfield, Middlesex, EN3 4QJ. I produce a copy of this licence as **CPX/02**. This new licence was applied for as the premises area had been extended. The original licence could have been surrendered at this point as it was no longer valid but this was not done.

3. On **10th May 2011**, Ellie GREEN, then Principal Trading Standards Officer – Licensing Enforcement submitted two premises licence review applications in relation to Hertford Food and Wine. One to revoke the original redundant licence which I now produce as **CPX/03** and the other to revoke the new licence following the discovering that the premises was selling non-duty paid alcohol. I produce a copy of this application as **CPX/04**.
4. On **13th July 2011** both reviews hearing were heard. I now produce the Licensing Sub Committee decision notice as **CPX/05**. The original redundant licence was surrendered and the new licence was revoked. The decision to revoke the licence was appealed but as the appellant failed to attend the court hearing the appeal was dismissed on 29th September 2011.
5. On **6th September 2011** a new premises licence was issued to Mr Suleyman ERDOGAN for Hertford Food Centre, 236 Hertford Road, Enfield, EN3 5BL (LN/201100396). The licence named him as both the premises licence holder and the designated premises supervisor. I produce a copy of this licence as **CPX/06**.
6. On **10th March 2015** I submitted a licence review application in relation to Hertford Food Centre to revoke the licence following the discovering that the premises was selling non-duty paid alcohol and tobacco. I produce a copy of this application as **CPX/07**. Included in the review application is information showing that Mr Sefer GOVTEPE and Mr Suleyman ERDOGAN were business partners.
7. On **13th May 2015** the reviews hearing took place. The licence was revoked. I now produce the Licensing Sub Committee decision notice as **CPX/08**. The decision to revoke the licence was appealed but the appellant withdrew the appeal and agreed to pay the respondents costs. I now produce as copy of that Consent Order as **CPX/09**.

History under current premises licence:

8. On **18th September 2015** a new premises licence was issued to Mr Deniz ALTUN for Zilan Food Centre, 236 Hertford Road, Enfield, EN3 5BL (LN/201500517). The licence named him as both the premises licence holder and the designated premises supervisor. He offered the following condition in the application: 'Neither Mr Sefer GOVTEPE or Mr Suleyman ERDOGAN or their immediate family are to have any financial interest or control over the day to day running of the business'. The final wording was agreed as: Condition 24 'Neither Mr Sefer GOVTEPE or Mr Suleyman ERDOGAN or their immediate family shall be involved in any way in the operation and / or management of the business or be permitted to work in the business in any capacity.' I produce a copy of this licence as **CPX/10**.
9. On **3rd September 2015** I visited the premises along with Filippina MARZIANO, Senior Fair Trading Officer and Mr HARRIS a dog handler from Operation Wagtail and search dogs to check for counterfeit or non-duty paid products. Only the main shop was checked and nothing was found. I now produce a copy of the Inspection report, which both I and Mr ALTUN signed, as **CPX/11**.

10. On **6th September 2015** the Trading Standards team were forwarded a complaint from the Crimestoppers organisation. The complainant alleged that staff at the premises were selling Romanian and Polish cigarettes. The complainant went on to say that the premises name and owner had changed but that Sefer GOVTEPE was still selling illegal cigarettes and alcohol. The complainant said that the cigarettes were stored under the chopping desk in the butcher's section and that the premises also employed five staff who were not entitled to work in the UK.
11. On **2nd October 2015** I was working on the Out of Hours Licensing Enforcement Team with Claire TOMASO, Senior Environmental Health Officer and Mr MISTRY, Immigration Officer. We entered Zilan Food Centre at 18:25 and I carried out a full licence inspection with Mr Deniz ALTUN. The following conditions were being breached:
- Condition 4 All staff shall receive induction and refresher training (at least every three months) relating to the sale of alcohol and the times and conditions of the premises licence.
 - Conditions 5 All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises. These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.
 - Condition 6 A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed at the premises.
 - Conditions 7 A written record of refused sales shall be kept on the premises and completed when necessary. This record shall contain the date and time of the refusal, a description of the customer, the name of the staff member who refused the sale, and the reason the sale was refused. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.
 - Condition 8 The Designated Premises Supervisor shall regularly check the refusals book to ensure it is being consistently used by all staff.
 - Condition 10 Prominent, clear and legible notices shall be displayed at all public exits from the premises requesting customers respect the surrounding area and dispose of litter in a responsible manner. These notices shall be positioned at eye level and in a location where those leaving the premises can read them.
 - Condition 15 All tobacco products which are not on the tobacco display shall be stored in a container clearly marked 'tobacco stock'. This container shall be kept within the store room or behind the sales counter.
 - Condition 17 Prominent, clear and legible notices shall be displayed on all alcohol fridges and at all other alcohol display areas advising customers of the permitted sale of alcohol times.
 - Condition 18 All cans of beer, lager and cider must be indelibly marked to show the trading name of the shop to address the problem of street drinking and associated crime and anti-social behaviour.
 - Condition 20 A stock control system will be introduced, so that the licensee can quickly identify where and when alcoholic goods have been purchased
 - Condition 21 An ultra-violet light shall be available at the premises for the purpose of checking the UK Duty Stamp on spirit stock.
 - Condition 26 Appropriate signage will be displayed, in a prominent position, informing customers they are being recorded on CCTV.
 - Condition 27 CCTV covering areas inside and outside of the premises should be installed and maintained to police recommendations

with properly maintained log arrangements. All images will be stored for a minimum of 31 days.

Part B of the licence was not on display.

Failing to comply with any condition attached to a Premises Licence is a criminal offence, which on conviction is punishable by a fine of up to £20,000, up to six months imprisonment or both. A Part B search notice was signed by Mr Deniz ALTUN. Whilst I carried out the inspection the other officers checked the butchers area for any sign on non-duty paid tobacco and found **9x 50g packets of Golden Virginia hand rolling tobacco and 40 packets of Marlboro Gold cigarettes in a draw under the butchers chopping table. All had foreign labelling and did not bear the 'UK DUTY PAID' labelling.** The Tobacco (Manufacture, Presentation and Sale) (Safety) Regulations 2002 which requires English warnings were contravened, amounting to a criminal offence under the Consumer Protection Act 1987. When I told him what the officers had found Mr ALTUN said that he did not know that the tobacco was there and that it must have been left behind by the previous licence holder and that he was aware that the previous people had lost their licence for that reason. The immigration officer made a note of the contact details of those people working. One male claimed not to work there despite being seen stocking the shelves on our arrival. Mr ALTUN signed the inspection report, Part B search notice and seizure notice and was given a copy of each of them. I now produce a copy of these documents as **CPX12-14**. We left the premises at 19:30.

12. On 13th October 2015 the Trading Standards team were forwarded a further complaint via Crimestoppers stating that Sefer GOVTEPE of 236 Hertford Road, Enfield was selling illegal tobacco, employing illegal immigrants and that he has registered his shop in somebody else's name.
13. On 20th October 2015 at 17:20 a letter was hand delivered to Zilan Food Centre addressed to Mt Deniz ALTUN in relation to the tobacco found on 2nd October 2015. **The letter included the following warning:**
'Please consider this letter to be a warning as to your future conduct. Should further similar offences be committed at the premises, the Licensing Authority shall take immediate action in order to have the premises licence permanently revoked, as recommended by the Secretary of State guidance and or prosecute you'
The letter also included a voluntary declaration form for Mr ALTUN to sign confirming that he had since checked the whole of the premises to ensure that there were no further non duty paid products there. I now produce a copy of the letter as **CPX/15**. Whilst at the premises the officer attempted to carry out a licence re-inspection but no one there was able to assist. The officer also left an inspection report asking for the owner to contact them to arrange an alternative time and date to visit. I now produce a copy of the inspection report as **CPX16**.
14. On 29th October 2015 an email from Mr ALTUN'S Licensing Agent, Ada Group was received. Attached to the email was the **signed declaration dated 26/10/15**. I now produce the email and signed declaration as **CPX/17**.
15. On 6th November 2015 an officer revisited Zilan Food Centre at 20:35 to check the outstanding licence conditions. The following conditions were still being breached: Condition 4 – two staff on site were not mentioned in the training book. Condition 21 – The UV light was not working. I gave a further seven days to email evidence of compliance. I left the premises at 20:50. I now produce a copy of the inspection report as **CPX18**.

16. On 10th November 2015 officers from the Trading Standards Team visited the premises as part of a joint operation with officers from Her Majesty's Revenue and Customs (HMRC) looking for non-duty paid products. **The following items were found:**
71x Kasapreko Alomo Bitter - 200 ml bottles
3x Kasapreko Alomo Bitter - 750ml bottles
The items were seized by HMRC. I now produce their inspection report and Part B search notice as **CPX19 – 20.**
17. A) On 21 December 2015, Licensing Enforcement Officers (CPX, VPK, EVG) were visiting premises where intelligence had been received that the premises were selling illegal tobacco/alcohol. The Officers were working with a handler and dogs from Operation Wagtail. At approximately 10.15 the officers entered Zilan Food Centre and introduced themselves to a young Turkish looking male behind the counter. The male behind the counter gave his name as Eren GOVTEPE and when asked, confirmed that his father Sefer GOVTEPE had once owned the premises. Mr ALTUN came from the back of the premises, his hands covered in dough. Mr Eren GOVTEPE signed the search notice. **CPX/Papers/01.**
- B) A thorough search was carried out of the premises, including the rear room which consisted of a bakery, a very small office and a few shelves of stock. The office needed to be unlocked, which was done by Mr Eren GOVTEPE. There were two plastic carrier bags full of tobacco in the small office towards the rear of the premises which was a breach of the following licence condition: 15. All tobacco products which are not on the tobacco display shall be stored in a container clearly marked 'tobacco stock. This container shall be kept within the store room or behind the sales counter.'
- There was another box behind the counter for tobacco stock and all of this should have been together, the contents of the bags could have fit in the box. Mr Eren GOVTEPE also confirmed to that he had not received any training – breach of licence condition 4:
- 'All staff shall receive induction and refresher training (at least every three months) relating to the sale of alcohol and the times and conditions of the premises licence'
- The officers noted these on an inspection report which both she and Deniz ALTUN signed. A copy was left with him. **EVG/DOC/01.**
- C) During the search a male member of staff walked towards the back of the shop. The dog handler advised the officers that he saw this male pick up a coat from the rear room, and leave through the rear exit. The officers asked to see the CCTV footage of the actions of this male. Mr ALTUN did not know how to do the playback of the CCTV and asked Mr Eren GOVTEPE to assist. He tried, but couldn't show all the screens, or get the right date, so between them the officers managed to work the system and watch the male enter the rear room, have a discussion with Mr ALTUN, and then leave through the rear exit, turn left outside, then go down the alley next to 232 Hertford Rd/Internet Café then re-enter Zilan several minutes later.
- D) During the search there were several men repeatedly coming in and out of the premises and going into an internet services shop. One of the officers (CPX) was aware that on previous similar operations with HMRC, HMRC had also checked the internet services shop as there used to be a connection with that shop and the previous owners of Zilan. Officers left at 10:55. Officer entered Logitech IT Services, 232 Hertford Road, Enfield; EN3 5BL at 10:56, which has previously been referred to as the Internet Cafe. Inside the shop were three males working there. All males later confirmed they were not connected by family or business to Mr ALTUN or Mr GOVTEPE. Officers were advised that Mr

GOVTEPE is their landlord, and he owns a number of business properties in this parade and the residential flats above. They allowed the officers to check the premises but nothing was found in the main part of the shop. Behind the counter, there was a door in the back right corner, tucked behind some shelves. The door was locked. All staff at this premises stated that they did not have a key to this door.

E) At 11:05 the business owner told the officers that Zilan used the back of the shop as a storage area. He said that he was not sure what was in there but that staff at Zilan had a key for the back room. He went on to say that his landlord was Sefer GOVTEPE and he showed them a lease to that effect. An officer returned to 236 Hertford Road to ask for the keys, no one had them, but everyone said the new owner, Mr Sever GOVTEPE had them, but was in Turkey and would not be back until Wednesday.

F) The shop had CCTV so the officers asked the business owner to show them the footage from 10:15 onwards when officers had seen the male from Zilan bring something into the shop. He showed them the footage and the male could be seen handing a red piece of clothing to a male in the shop which was put behind the counter. He was also seen going towards the door at the back of the shop. Staff in the shop said that he was just getting a mobile phone, which he had left to charge at the rear of the shop but officers believed he was there too long just to be doing that and suspected he had gone into the room at the back despite saying they didn't have the key.

G) Mr Altun said he had sold the premises back to Mr GOVTEPE as he couldn't run it anymore (he had previously told one of the officers (CPX) that he was looking to sell it as he couldn't cope with it and it was harder than he thought) he was just working there now not in charge.

H) Eren GOVTEPE came into the internet shop. Officer arranged for a locksmith to attend to open the door. There were three doors into the storage area, one via the shop, one leading from a driveway to the side and one leading from an alleyway at the back of the parade of shops. The unit looked to be approximately 15m long and 5m wide. The locksmith decided to try and open the side door and as he started Eren GOVTEPE came outside and stood over him as he worked. He was less than 2 foot behind the locksmith and the locksmith turned to one of the officers and asked who he was. The officer asked Mr GOVTEPE to stand back and advised him that when the door was open he would not be going in before the officers. He did not move. This behaviour was intimidating for the locksmith. Officers did not feel comfortable with this behaviour and as Mr GOVTEPE continued to stand right behind the locksmith despite being asked not to and decided to call the police (101) at 12:10 – 12:18, reference CAD3369. They said they would try and get someone to attend to prevent a breach of the peace but that they were very busy.

I) The Locksmith appeared not to be able to open that door so moved inside to try and open the door that lead from the internet shop. He was followed by Eren GOVTEPE, and some of the officers. Mr Eren GOVTEPE continued to stand very close to the locksmith as he worked and officers asked him couple of times to give him some space so he could do his job, but he did not move. Whilst waiting for the door to be opened, the officers noticed a large silver baseball bat leaning against the counter. Whilst waiting for the door to open, officers again asked Mr Eren GOVTEPE to move aside and give the locksmith some more space, which he refused to do. He advised he was going to use the toilet. The officer advised that he should use the facilities somewhere else where he would

normally go, as he would not have got access to this toilet, given that he had no key, had they not been unlocking it.

J) When the locksmith managed to open the door, Mr Eren GOVTEPE said he was going in first and that there was nothing wrong with that. An officer warned him again that the officers needed to go in first, and if he did not comply then he would be obstructing them. Yet again they asked Mr GOVTEPE to stand back but Mr GOVTEPE refused, and managed to move towards the door. The officer told him to stop and put her hand on his arm but he shook her off, barged past the locksmith, got through the now unlocked door and closed it behind him.

K) An officer called 999 to update them and ask for assistance at 12:27 – 12:28. The dog handler pushed the door, and after a minute, the door was able to be opened and Mr GOVTEPE was standing in a corridor, near a toilet area. He said he still needed the toilet, and had just moved the trolley out of the way. He said that it wasn't against the law to use the toilet. The door that had just unlocked could only be opened about a third of the way due to boxes of fresh vegetables – aubergines, cucumbers etc being stacked in this area. The door lead into a narrow corridor, to the left and along a short corridor was the door, which lead to the side alleyway. This was blocked by a shopping trolley. There was a large walk in fridge and a toilet on the left. A further door into the main store room was along the corridor, and was locked with a padlock.

L) An officer took a photo of Eren GOVTEPE in the store area and asked him what he was doing to which he replied 'I want to use the toilet'. The officer asked him why he had waited to use the one behind a locked door which no one claimed to have the key for instead of going somewhere else. He said there was not a toilet at Zilan. They advised him to go and use the one in a nearby pub. He did not move. **Three packets of non-duty paid cigarettes (foreign labelled) were found in among one of the boxes of aubergines at approximately 12:40.**

M) After a little while Eren GOVTEPE left the internet service shop. Officers saw him carrying a large screw driver in his hand, as if he was trying to hide it up his arm. One of the officers followed him to see where he was going with it and he went into Zilan, a couple of minutes later Mr Altun was seen holding it and told the officer that he would force the end door himself. He was advised that would not be necessary.

N) At 12:55 an officer asked Mr ALTUN to come and witness the rest of the search which he did. The door was opened by the locksmith. Mr ALTUN kept popping in and out of watching the search and going back to the shop, so that he could cover the till. The end section was a large store room, no tobacco was found in this section. Shelves lined the first half of the room from floor to ceiling, which were full of bottles of wine, beer, and cans of soft drink. Towards the back of the premises, several cases of beer and boxes of water and jars of vegetables were piled up. There was a lot of stock everywhere, and access was very restricted. The store room was covered by CCTV from Zilan, and could be seen on the screen close to the serving counter. Although the dog kept indicating that there was something else in the middle section nothing could be found so a notice of seizure (1527) was completed for the three packets of cigarettes and they were placed in an evidence bag. Mr Altun signed the form and was given a copy of it.

O) At approximately 13:24 the dog continued to indicate that it could smell something around the toilet area, and this was searched. The dog handler said that it could be high up. An officer looked up and saw that there was a false

ceiling with a gap at the end. She pointed at it and said how about up there and the dog started to bark. An officer got some ladders from the storeroom and an officer went up and could see lots of bags. He took some photos and passed them down to the other officers. **There were 13 small black carrier bags each containing 10 boxes of cigarettes and 5 50g pouches of Golden Virginia hand rolling tobacco.** These were counted, photographed and placed in evidence bag. They were noted down on seizure notice 1528. Mr ALTUN was present at this time

P) At approximately 14:00 an officer was checking the alcohol in the rear area more carefully and noticed that several beers/lager had no English labelling. Due to the address on the cans, the products appeared to come mainly from Poland, Bulgaria or the Netherlands. This is in contravention of the food labelling regulations, therefore a breach of the Food Safety Act 1990. The officer advised Mr ALTUN that he must remove all goods from sale, and to obtain English labelling for the ingredients. Once labels applied to all cans, approval must be sought from an LBE officer before they can go out on sale.

Q) Mr ALTUN disappeared for a short time and reappeared with an invoice for the above beer, dated 21 December 2015. An officer took a photo of the invoice (VPK1). Mr ALTUN was asked if the invoice was for that day, and the only person with a key was in Turkey until Wednesday, then how did the stock get in this room. Mr ALTUN replied 'the same way you did'. The officer wanted to seize these goods, and called for backup with a van from Trading Standards colleagues. The officers also called the locksmith again as the only way to move the foreign labelled goods was to be through the rear door, and as no key was available they needed the door to be unlocked.

R) The following foreign labelled beers/lagers were found: 10 bottles of Desperados Red, 24 cans Perla beer, 24 more cans in a case of Perla beer and 6 loose cans of Perla beer. The officers realised that they would not be able to accommodate bagging up at this point all the cases of beer, so decided to place a sample (4 cans) of each brand with foreign labelling to an evidence bag.
Total items found in store room with only foreign labels:

7 cases (NB. 1 case = 24 cans) of Perla

5 cases Debowe

10 cases Desperados

10 cases Zywiec

4 cases Tyskie

3 cases Zubr

12 cases Lechs

12 cases Okaxim

S) An officer added info about the alcohol onto seizure notice 1528 which both they and Mr ALTUN signed. **EVG/DOC/02**. Trading Standards officers arrived with the van. Officers checked the alcohol in Zilan again and more of the same was found. Completed a seizure notice 1529 in relation to this with both they and Deniz ALTUN signed – **EVG/DOC/03**. The following beers were noted to have foreign labelling:

26 cans and 5 bottles Zywiec

21 cans and 5 bottles Tyksie

1 can Bucegi

20 cans Zubr

11 cans and 6 bottles Debowe

20 cans Okocim

10 cans Perla

12 cans Desperado

24 cans Worka
5 bottles Desperados Red

- T) Advice was given about removing goods from the shop floor and not selling until LBE approval for English labels. At approximately 14:30 an officer received a call from the police asking if they were still required. They advised they could close the call. Whilst waiting for the locksmith to open the door, officers discussed their suspicions that more tobacco was hidden, due to Mr Eren GOVTEPE'S suspicious behaviour and also the persistence of the dog's investigations in the toilet area.
- U) An officer checked this area again and noticed that the plywood wall in the toilet wobbled when pushed. Further examination revealed that there was a sliding door by the toilet door, which made up a partition wall of the toilet. When the partition was slid out, another partition sheet was found. The officer managed to slide this out, and there was a big grey safe, seemingly under a set of stairs given the shape of it locked by a padlock.
- V) At approximately 16:25, once the rear door was opened, the locksmith was asked to cut the padlock to the safe. An officer filmed the opening of the safe by the locksmith, and when the safe doors were open, a huge quantity of cigarettes, with foreign labelling was found (**VPK/2**). Photos were taken (**VPK3**) and the officers started removing the illegal tobacco into the van at approximately 17:00. The officers listed the items found on seizure notice 1533 **EVG/DOC/04**. In total, 4,547 packets of Marlboro Gold, 1 packet of Marlboro Red, 35x 50g packets of Golden Virginia HRT seized.
- W) At 19:15 the officers went back into Zilan and seized the CCTV hard drive accompanied by Mr Eren GOVTEPE. Mr Deniz ALTUN, who was now working on the till, signed the seizure notice, and said they were not his but the new owner, Mr Sefer GOVTEPE'S. The officer added the CCTV seizure to seizure notice 1533 **EVG/DOC/04** which both she and Deniz ALTUN signed. At 19:17 all officers left the premises. Officers waited for the locksmith to return to secure the building. Another locksmith arrived to secure the rear door, under the watchful eye of Mr Eren GOVTEPE.
- X) The locksmith arrived at 19:25 and left at 19:55. 19:55 – an officer completed another inspection report **EVG/DOC/05**, which Mr Altun signed and then was issued a copy. This report explained that new keys had been obtained due to us entering the premises by force and that as no one present, not either owner of 232 or 236 Hertford Road was able to give us a key to open these doors, we could not give anyone other than the proved and stated owner the key. Contact times and details were provided on the report. To date these keys have not been claimed.
18. On Wednesday 23rd December 2015 an officer noticed that the powers on the search notice had not been updated to the new legislation so a letter were written to Mr Eren GOVTEPE, Mr Deniz ALTUN and Mr ASLAN (Internet café) and hand delivered to the premises. **Letters CPX/Papers/03-05**. When the officers visited Zilan Mr Sefer GOVTEPE was seen the letters were given to him as the person in charge. **This is breach of condition 24**.
19. On 12th January 2016 Environmental Crime officers visited the premises and noted that the trading name had changed to New Hertford Food Centre Limited.
20. On 14th January 2016 Mr Deniz ALTUN surrendered the premises licence for Zilan Food Centre – LN/201500517.

21. On 20th January 2016, Transfer and Vary Designated Premises Supervisor applications were submitted by Enfield Food Store Limited. If a transfer is submitted within 28 days of a licence being surrendered, with the section ticked that the transfer takes immediate effect, the premises are permitted to continue trading until such time as the application is determined. The Vary DPS application also had the immediate effect section ticked and the proposed DPS, Mr Necip KARAGOZ, is permitted to act in that capacity until such time as the application is determined.
22. On 22nd January 2016 an officer checked the company detail on Companies House. The director of the company is Ebru GOVTEPE who is Sefer GOVTEPE's wife. I now produce a copy of the report from Companies House as **CPX/21**.
23. On 28th January 2016 an officer checked Companies House website to see who the director of New Hertford Food Store Limited is. It showed that Sefer GOVTEPE has been the director of the company since 19th October 2015 and that prior to that the director was Deniz ALTUN. **This demonstrates a breach of condition 24 of the licence.** I now produce a copy of the report from Companies House as **CPX/22**.
24. The electro register shows that Ebru GOVTEPE and Sefer GOVTEPE both live at 50 Parsonage Lane, Enfield, EN2 0AH. The register was last updated on 1st December 2015.
25. A prosecution investigation relating to the offences discovered on 21st December 2015 is underway.
26. In response to the police objection to the licence transfer application the applicant submitted three statements. One from Sefer Govtepe **CPX/23**, one from Ebru Govtepe **CPX/24** and one from Deniz Altun **CPX/25**. Sefer Govtepe states that his son began to work at the shop on 26th November 2015. **This is a breach of condition 24.** He confirms his wife took over day to day management of the business on 24th December 2015 – **this is a breach of condition 24** and Ebru GOVTEPE also confirms this. She also states that her husband has owned the business since 24th December 2014 which is another **breach of condition 24**.

Cumulative Impact Policy (CIP):

These premises are located in the Enfield Highway Cumulative Impact Policy Area.

The CIP states the core hours that should not be exceeded for each type of premises in particular locations. These are:

Sale/supply of alcohol (off supplies only): Monday – Sunday 08:00 – 24:00

The current licensed hours for these premises are in line with the CIP.

Additional Information:

DCMS Guidance (11.26) states that there are certain criminal activities that may arise in connection with licensed premises, which the Secretary of State considers should be treated particularly seriously. The list includes the sale of smuggled tobacco and alcohol (i.e. non duty paid products).

DCMS guidance (11.27) goes on to say that it is envisaged that responsibility authorities will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Conclusion:

Enfield Licensing Authority is seeking a review of the premises licence on the grounds that a non-duty paid cigarettes, hand rolling tobacco and alcohol has been found in the premises and in the premises storage unit three times in three months. The first find under this current licence was on 2nd October 2015. As a result Mr Altun was issued a warning letter on 20th October 2015. He was asked to check the whole of the premises to ensure no more non-duty paid products were there and to sign a declaration confirming that he had carried out these checks. The declaration was signed on 26th October 2015. Non duty paid alcohol was found at the premises on 10th November 2015 and a huge quantity of non-duty paid cigarettes and tobacco was found in the premises storage unit on 21st December 2015. The investigation into these alleged offences has shown that Mr Sefer GOVTEPE, his wife Mrs Ebru GOVTEPE and son Mr Eren GOVTEPE are all connected to the running of these premises which is a breach of conditions 24 of the licence.

The Licensing Authority has no confidence in the premises licence holder / designated premises supervisors and therefore yet again recommends the licence for this premises be revoked.

The Licensing Authority reserve the right to add any additional information to support this review application.

Suspension of Licence:	N
Revocation of Licence:	Y
Recommended period of suspension (max 3 months):	
<p>The conditions attached to the premises licence already include all those conditions that the Licensing Authority would seek for an off licence premises.</p> <p>There is a significant history of illegal activity at these premises.</p> <p>Having regard to all this information, and taking into account the DCMS guidance that, this leaves little option other than for the Licensing Authority to seek total revocation of the premises licence.</p> <p>The Secretary of State believes that the sale of smuggled alcohol should be treated particularly seriously and that where licence reviews are submitted and the licensing authority determines that the crime prevention objective is being undermined revocation of the licence, even in the first instance should be seriously considered.</p>

Enfield Trading Standards is seeking to review this premises licence on the grounds that the premises layout is substantially different to the plan attached to the licence. Following an extension at the premises a new licence with new plans was applied for and granted for the same address (LN/200800470) and was issued on 13th August 2008 with the extension included on the plan. Enfield Trading Standards is seeking a review of the premises licence on the grounds that the premises has been found to be selling non duty paid alcohol. The premises also has a history of offences breaching the Licensing Act 2003, namely breaching conditions.

This review is primarily based on the prevention of crime and disorder licensing objective, but also supports the protection of children from harm and prevention of public nuisance licensing objectives.

Background Information:

A new premises licence (LN/200600789) was issued to Mr Sefer Govtepe, 43 Merlin House, 2 Napier Road, Enfield, EN3 4QJ as both the Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) on 22/2/2007.

A further new premises licence application was made in June 2008 as the premises had extended the licensable area. The premises licence (LN/200800470) was issued again to Mr Sefer Govtepe, 43 Merlin House, 2 Napier Road, Enfield, EN3 4QJ as both the Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) on 13/08/2008.

To date LN/200600789 has not been surrendered although it cannot be used as the plan is no longer accurate. Trading Standards are also seeking to revoke this licence in a separate application.

Please provide as much information as possible to support the application
(please read guidance note 2)

History of Premises

The history of the premises will include information under the LN/200600789 as it is exactly the same person named on the licence, and therefore relevant to this application.

9/4/08 – Complaint alleging noise disturbance from deliveries being made late at night until early morning to the premises' storage at number 232 Hertford Road. The Enviro Crime Officer advised Mr Sefer Govtepe with assistance from an employee Besime Koker, as Mr Govtepe was unable to fully understand English. Mr Govtepe denied these allegations.

9/6/08 – Complaint received alleging shop sells out of date food and alcohol to underage children. Food officers visited and identified food displayed for sale beyond the use by dates. Advice was given.

7/11/08 – Food officers checked for counterfeit vodka, none found.

12/12/08 – Licensing Enforcement officers visited premises to carry out a full compliance inspection, and spoke to Mr Govtepe. The following conditions were found to be in breach: 6 – Insufficient raid control and training; 10 – Leave quietly sign not next to exit; 11 – No refusals book; 13 – Training records need to be kept for all staff; 15 – Drinking control signs required. 21 days were given to bring breaches into compliance, and an inspection report with advice was issued.

02/01/09 – Revisit carried out to check outstanding licence, however Mr Govtepe was not on the premises and staff requested a re-visit when manager there as they do not know where records are kept. Officers noted out of date meat in the fridge and had it removed from sale.

10/01/09 – Revisit carried out to check outstanding licence conditions. The following conditions were found to be in breach: 6 – raid control not in place but officers told it was on order; 13 – no training records; 11 – refusals book on site but not been used.

19/01/09 – Complaint received that the premises stays open all night, and that they also use 232 Hertford Road as storage. The storage doors are continuously opened and closed using shutters, which are very noisy and caused the complainant to lose sleep.

05/02/09 – As part of the Trading Standards Tobacco project, cigarettes were tested for authenticity – no problems found. Checked outstanding licensing conditions, the following were found to be in breach: 13 – training records unavailable; 11 – refusals book available but no entry since 10/1/09.

06/03/09 – Checked outstanding licensing conditions, 11 and 13 still found to be in breach. A warning letter was sent to the premises.

22/06/09 – Complaint received that raw meat from the premises is disposed of into the commercial waste bin, and creating unpleasant smells. Officers visited and established this was a problem, and advice was given.

06/08/09 – Complaint alleging that the disposal of raw meat continues to be a problem. Officers visited and saw that the raw meat was still disposed of into the commercial waste bin, and the premises was given a verbal warning.

24/08/09 – The LBE alcohol training material was sent to the premises.

28/08/09 – Complaint alleging noise disturbance from deliveries to the premises, very early in the morning.

16/10/09 – Police received information that the staff at the premises give out fake £1 coins in change and sell fake packets of rizzla. Trading Standards visited and advised. A selection of Rizla papers were purchased in order to be tested, and results showed they were genuine.

18/12/09 – Food officers visited the premises to check for counterfeit spirits. 5 x 70cl suspect counterfeit Glen's vodka found on shelf behind serving counter, and were seized under the Trade Marks Act. A formal sample was taken from one bottle and the owner of the business, Mr Sefer Govtepe, was served with a seizure notice. He said that he bought the Glen's from Dhamecha in Crown Road about a month ago. The officer informed him that he would be asked to produce invoice.

18/05/10 – Full compliance check carried out. The outstanding conditions were: 11 – no refusals book; 13 – no training records; 15 – no drinking control sign. All relevant material issued to Mr Govtepe.

03/06/10 – An attempted test purchase of alcohol using an underage Trading Standards volunteer was refused.

11/08/10 – An attempted test purchase of alcohol using an underage Trading Standards volunteer was refused.

26/11/10 – Complaint relating to overflowing bins at premises, and leaving overflow of rubbish which attracts rats. The waste contract was cancelled due to non payment of fees, and council officers identified the premises rubbish in residential bins. Advice given to Mr Govtepe.

24/01/11 – Information received from Enviro Crime Officer who suspected possible duty free cigarettes were being sold from under the counter in the premises. The officer witnessed the cashier serve a customer items from under the counter making sure they were in a black bag, which was closed.

01/ 02/11 - Trading Standards, the Police and Her Majesty's Revenue and Customs (HMRC) carried out joint visits to premises in the borough to see if non duty paid alcohol or tobacco were being sold. The visits were only made to premises with EN postcodes as the HMRC team that was involved in the operation only cover those addresses in the borough. The list was compiled using intelligence from both Trading Standards and HMRC. HMRC identified the following products as being non duty paid in Hertford Food Centre: 33.75 litres of assorted wines and 39.45 litres of assorted spirits were seized. These products were seized by HMRC. The revenue on these goods seized is £449.60.

Additionally, the premises next door but one, Internet Service, 232 Hertford Road, Enfield, EN3 5BL and its storage was also checked, as it is owned by Mr Govtepe. 235.2 litres of Vodka, 121.5 litres of various wines, 109.2 litres of Brandy and 41.7 litres of other spirits were seized as they were also identified as non duty paid. The revenue due on the goods seized at Internet Service is £5,401.40.

No receipts were produced for the goods at the time the goods were seized. The owners were given 28 days to produce the receipts for the goods seized to prove that they were bought at a wholesaler and that the duty had been paid. That period has now expired and the receipts have not been provided.

11/02/11 – As a result of the recent seizures, a full licence inspection was attempted at the premises, however, the only person present at the premises could not understand the officers, so the inspection did not take place.

14/02/11 – Further information from the same Enviro Crime Officer: that the premises and internet cafe continues to sell tax free cigarettes. The owners at these two premises are also linked to Hertford Discount Store on the same parade, and that there are more storage units at the rear of all these premises.

18/02/11 – Officers visited premises to carry out the licence inspection, and met with Mr Mehmet Govtepe, employee, however on the officers' arrival, he indicated that he was Mr Sefer Govtepe, the PLH and DPS. Conditions found to be in breach were: 5 - CCTV clock was 50 minutes later than correct time; No CCTV sign displayed; Monitor had error message 'No HDD Connected'. Mr Mehmet Govtepe could not operate the system so officers were unable to establish whether the CCTV was recording or compliant; 6 - No raid control; 11 - No refusals book; 12 - No training evident; 13 - No training records available. Mr Mehmet Govtepe stated that Mr Sefer Govtepe was on the premises daily. 14 days were given to address the non compliances, and an inspection report with advice was signed by and left with Mr Mehmet Govtepe. Further verbal advice relating to raid control was given by Martyn Fisher; Police Licensing Officer following this visit.

23/02/2011 Revisit to premises carried out as part of joint operation with HMRC, Trading Standards, and the Police. HMRC officers seized 13.6kg of shisha tobacco, and 3.15 litres of various spirits, as they were found to be non duty paid. No receipts were produced for the goods at the time the goods were seized. The owners were given 28 days to produce the receipts for the goods seized to prove that they were bought at a wholesaler and that the duty had been paid. That period has now expired and the receipts have not been provided. The goods seized amounted to total duty evaded of £1503.44.

Paul Cumberland from HMRC has produced two statements relating to the said seizures – see Appendix A and B.

11/03/11 – Officers carried out licensing revisit inspection with Mr Sefer Govtepe. The following conditions were still found to be in breach: 6 - Raid Control system not in place fully; 12 - No training carried out; 13 - Training records not completed. An inspection report was left advising a further 21 days to bring the outstanding issues into compliance.

08/04/2011 – Officers carried out licensing revisit. Checked outstanding conditions. Training carried out and records seen. Raid control seems to have been installed - smoke notes seen, there was a box near the door that the owner claimed was a camera but the officers were not 100% convinced, matter referred to police licensing officer.

13/04/11 – Trading Standards attempted a test purchase of cigarettes with child E. The child was asked his age and the sale was refused.

Additional Information:

DCMS Guidance (11.26) states that there are certain criminal activities that may arise in connection with licensed premises, which the Secretary of State considers should be treated particularly seriously. The list includes the sale of smuggled tobacco and alcohol (ie non duty paid products).

DCMS guidance (11.27) goes on to say that it is envisaged that responsibility authorities will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

If the licensing committee is not minded to revoke the premises licence completely, Trading Standards (Weights and Measures) asks that consideration be given to suspend the licence until such time that a vary Designated Premises Supervisor application has been submitted and issued and the Licensing Enforcement Team are confident that all licence conditions are being complied with. Trading Standards do not believe that the current DPS is a suitable person to be named as the DPS, given that non duty paid goods were found on the second visit, after such a short timeframe in between visits, and the history of non compliant conditions. If the licence is not revoked Trading Standards (Weights and Measures) also recommend modifying the times and conditions of the licence, as detailed below, to help to prevent crime and disorder associated with the sale of counterfeit and non-duty paid items on the premises in the future.

STATEMENT OF WITNESS: ENGLAND AND WALES ONLY

LICENSING SUB-COMMITTEE – 13 JULY 2011

Applications were made by **TRADING STANDARDS SERVICE** for review of the Premises Licences held by **MR SEFER GOVTEPE** at the premises known as and situated at **HERTFORD FOOD CENTRE, 236 HERTFORD ROAD, EN3.**

The Licensing Sub-Committee **RESOLVED** that it considers the steps listed below to be necessary for the promotion of the licensing objectives :

(1) Licence Number LN/200600789 – no step was necessary.

The Chairman made the following statement :

"In the first instance, we will deal with Licence Number LN/200600789. The licence holder and his representative indicated during the hearing that they acknowledge that the licence no longer carries weight, and, as in both the written and verbal representations from Trading Standards, is unlawful. As such, the representative indicated his client's preparedness to surrender this licence with immediate effect. Therefore, the Licensing Sub-Committee has no decision to make."

(2) Licence Number LN/200800470 – to revoke the licence.

The Chairman made the following statement :

"With regard to the current Licence Number LN/200800470, being still in operation, having read and then heard all the evidence, the sub-committee was not persuaded by the arguments given by the licence holder to the case brought by Trading Standards for the review of the licence. The panel has resolved to revoke the licence with immediate effect.

The answers that were provided to a range of questions from all the panel members were both inconsistent and unconvincing, and ran counter to the evidence of and presented by Trading Standards, who, we considered, made its case in full.

Over an extended period of time, dating back to December 2008, Trading Standards officers have made numerous and repeated attempts to assist the licence holder to comply with the conditions of the licence. Full inspection reports were provided, and were signed off on site, and follow-up advice given on all occasions. The advice was not heeded, which was of concern to the sub-committee, especially when bearing in mind that some of the same conditions were repeatedly being breached and not remediated. The first hint of any desire to comply with the licence conditions came forward only in March 2011.

Despite the fact that progress has started to be made by the licence holder, there is insufficient evidence to support this, and the history of the premises shows reluctance to accept, heed, or act upon advice.

The Licensing Sub-Committee was somewhat shocked that the licence holder is continuing to purchase and sell goods from a supplier they allege had supplied them in the past with counterfeit and non duty paid goods. This is in spite of having goods seized on two

occasions during February 2011, where the combined duty value of these goods exceeded £7,000.

Furthermore, the licence holder continued to sell non duty paid goods which he claims HM Revenue and Customs had failed to discover during its raid on 1 February 2011, even though by the time that such sales were made, he must have been aware that the sale of those goods was illegal.

The licence holder, through his representatives, continually asserted that the sub-committee needs to be presented with evidence that the duty was not paid. However, the sub-committee members were not actually presented with any evidence that the duty had been paid. In fact, the panel was shocked that invoices were not routinely kept and / or demanded from the supplier.

The licence holder also failed to demonstrate what steps he took or was taking to ensure he was only purchasing from reputable suppliers.

The Licensing Sub-Committee considered the summary point raised by the licence holder's representative relating to the Guidance at Section 6.7. However, the sub-committee is more persuaded by the guidance points 11.26 and 11.27, and considers that the licensing objective – the prevention of crime and disorder has been seriously undermined by the scale of the seizure of non duty paid goods; and that the licensing objectives have been further undermined by persistent breaches of the licence conditions.

As a result, Licensing Sub-Committee reaffirms that it has resolved to revoke Licence Number LN/200800470, and considers this decision to be both necessary and proportionate for the promotion of the licensing objectives."

The licence, or a certified copy of it, must be kept on the premises at all times and must be produced on request to any authorised officer. The summary of the licence must be prominently displayed within the premises.

The London Fire Brigade advise as follows :

The issue of capacity should be addressed in the fire risk assessment for the premises use. This does not mean that every premises must have a capacity figure. There should be evidence however that the responsible person has considered the number of persons who can be safely evacuated through the available exits.

A safe capacity figure will be expected in the following circumstances:

- (1) in premises that could potentially become overcrowded; for example bars, pubs, clubs, and other places of public assembly ;
- (2) where an engineered solution or BS 9999 has been used to increase capacity;
- (3) where capacity is risk-critical; for example where the premises use has a higher occupancy factor than that which the building was designed for.

Where applicable, capacity should normally be inclusive of staff and performers. Management should be able to demonstrate a realistic method of controlling capacity.

Should you wish to change the operation of the premises in the future by adding new licensable activities or by changing the hours or removing conditions then you will need to apply for a variation of the licence. Please contact us for further advice.

You must notify the licensing authority of any change in the name and/or address of either the premises licence holder or the designated premises supervisor.

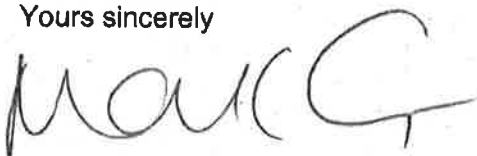

The licence is subject to an annual fee, payable on each anniversary of the licence first being granted.

All employers have a responsibility to prevent illegal migrant working in the UK. Failure to comply could lead to a penalty of up to £10,000 per illegal worker. Home Office guidance is available at

This review is primarily based on the prevention of crime and disorder, licensing objective. **The review application is to revoke the premises licence in its entirety.**

Background Information:

Please provide as much information as possible to support the application (please read guidance note 2)

Complaint and Visit History of Premises

A new premises licence (LN/200600789) was issued to Mr Sefer Govtepe, as both the Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) on 22/2/2007.

A further new premises licence application was made in June 2008 as the premises had extended the licensable area. The premises licence (LN/200800470) was issued again to Mr Sefer Govtepe, as both the Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) on 13/08/2008.

LN/200800470 was revoked on 13/07/11 following a review application (relating to the sale of non-duty paid alcohol) being submitted by Trading Standards – **See Appendix 1 and 2**

LN/200600789 was surrendered at the review hearing as it could not be used as the plan was no longer accurate.

A new premises licence application was submitted on 14/07/11 naming the Premises Licence Holder and Designated Premises Supervisor (DPS) as Mr Suleyman Erdogan. There did not appear to be any evidence to link Mr Erdogan with the premises under the old licence and a new licence was granted. Trading Standards did however make representation in relation to times and conditions – **see Appendix 3**.

Many of the same issues that lead to the previous revocation have reoccurred at this premises and it has become apparent that the previous Premises Licence Holder / DPS is still the owner of this premises and has admitted buying non-duty paid products to sell in this premises.

02/12/11 – 22:20 – 22:45 – Out of Hours Licensing Enforcement Officers (JF/CLB) visited the premises to carry out a full licence inspection with PLH / DPS. Several areas of non-compliance.

Condition 12/21 - New UV light needed as one on the premises was not working when tested.

Condition 16 - Refusals book not being used

C17/18 - Training book on premises not being used, reminded to carry out refresher training with all staff.

Whilst being on the premises officers witnessed an attempted age related sale by three females, which was refused. When they left the officers reminded the PLH to place the occurrence in the refusals book. As he did not appear to know what to do the officers showed him what to do.

13/12/12 – 09:20 – 09:30 (JF) Revisit inspection with PLH / DPS to check outstanding conditions. All Compliant

15/05/12 - Trading Standards responded to an allegation that the premises were selling grey import of Dove Essential Nutrients that can cause burns. Premises were non-compliant and 20 Dove cream cleansers were seized and signed over for destruction.

26/11/13 – Trading Standards received a complaint alleging that the premises was selling Lithuanian cigarette, alcohol and meat.

12/03/14 - Trading Standards & HMRC joint visit to check for counterfeit/duty diverted products.

Seized counterfeit back labels on 73 bottles:

5 x Smirnoff Vodka 100cl

5 x Smirnoff Vodka 70cl

10 x Famous Grouse 70cl

15 x High Commissioner 100cl

5 x High Commissioner 70cl

10 x Bells 70cl

3 x Barcardi 100cl

14 x E&J Brandy 70cl

1 x Wyborowa 700ml

1 x Wodka Zoladkowa 700ml

1 x Gorzka 700ml

1 x Sobieski 700ml

1 x De-lux Zoladkowa 700ml

1 x Gorzka 700ml

22/05/14 – Trading Standards received police intelligence that the premises were selling counterfeit alcohol and cigarettes and under aged sales.

23/05/14 – 13:05 – 13:30 - Full licence inspection carried out.

Condition 4: Fire exit not clear & bins obstructing exit

Condition 17: Refresher training not carried out every 3 months. Last recorded refresher training was carried out in May 2013.

Condition 21: Ultra violet light not available on premises.

Officers also advised on poster Condition 6 - leave quietly poster to be moved to where those leaving the premises can read it.

23/05/14 – Trading Standards age related sales test purchase carried out. Male volunteer aged 16 years and 66 days attempted to purchase alcohol. The sale was refused.

29/05/14 - Trading Standards received a further allegation that the owner called Sefer (surname not known by informant) of the Hertford Food Store, 236 Hertford Road, Enfield EN35BL sells imported tobacco and alcohol. The informant stated that the cigarettes and alcohol are from Poland and that the owner also sells to underage persons.

02/06/14 - Multi-agency operation involved Trading Standards, HMRC Living Wage and Immigration Enforcement. The premises were compliant on matters of interest to HMRC Living Wage and Immigration Enforcement. Trading Standards checked licence conditions. Condition 21 – ultra violet light was not available. The premises were provided with an Inspection Report and given 7 days to comply.

24/06/14 - 22.13 - 22.23 Out of Hours Licencing Enforcement Officers visited the premises to check outstanding conditions. Condition 21 ultra violet light equipment not available at time of inspection.

01/07/14 – Trading Standards received a complaint alleging that the premises was selling duty diverted and counterfeit products.

22/07/14 - Trading Standards age related sales test purchase carried out. Female volunteer aged 15 years 169 days Cigarettes and alcohol – no sale.

15/8/14 - 20:40 – Licensing Enforcement Officer (NJ) visited the premises and carried out a licence inspection. Unable to check Condition 13: CCTV present but not accessible. Condition 17 and 18 - Staff training records not available for inspection and therefore no proof of training taking place. Condition 20 - No sales receipts for alcohol. Several bottles checked using a UV device, no counterfeit found. Two packets of non-duty paid cigarettes seized.

15/08/14 – Non duty paid tobacco test purchase attempt - no sale made.

09/09/14 – A warning letter was sent to the premises licence holder in relation to the alcohol found at the premises in March 2014. The letter stated:

'Having carefully considered the facts of the case, Trading Standards have decided not to take any formal action against you on this occasion.

However, you should take this letter as a warning as to your future conduct. Should similar matters be brought to our attention again, it is unlikely that we shall adopt such a lenient approach'.

24/02/15 – 10:52 - 11:35 - A Licensing Enforcement Officer (CPX), two HM Revenue and Customs Officers and an Officer and dog from Operation Wagtail visited the premises to check for any counterfeit or non-duty paid tobacco or alcohol. Three non-duty paid bottles of vodka were seized along with 93 packets of Marlboro Gold cigarettes (20 cigarettes per packet), 1 Marlboro Red cigarettes (20 cigarette per packet) and 7 x 50g Golden Virginia hand rolling tobacco. All of the tobacco was found concealed in a set of drawers. The drawers appeared to contain bags of plastic bags but the dog indicated that there was something there and once a wooden panel (a false bottom to the drawers) was pushed back the tobacco was found. There were two drawers like this. **See Appendix 4 – Photos** When questioned under caution a male called Sefer Govtepe claimed to own the premises. He said that his cousin was the licence holder. Sefer Govtepe admitted that he had bought the tobacco and had originally bought 20 boxes of cigarettes, each containing 10 packets of 20 (he had therefore already sold more than half of what he had bought). He also admitted that he had built and installed the drawers containing the cigarettes. Before leaving the Licensing Enforcement Officer advised him that a licence review would be submitted and that this matter could lead to the licence being revoked. The officer noted that a Think 21 poster was on display, posters advising customers not to buy alcohol for children on display, Part B on display, No ID no sale poster on display, alcohol zone poster on display, leave quietly poster on display, CCTV signage on display.

27/02/15 - A letter was hand delivered to the premises inviting the premises licence holder in for a meeting.

03/03/15 – Licensing Enforcement Officer Charlotte Palmer and Police Licensing Officer Martyn Fisher held a meeting with the Premises Licence Holder – Mr Suleyman Erdogan. Also in attendance was Mr Sefer Govtepe and Ms Umit Yigit who they had brought along as a translator. During the meeting Mr Govtepe confirmed that he and Mr Erdogan are business partners and cousins and that the company they run is called Hertford Food Centre Limited. Mr Govtepe confirmed that he is the Director and that Mr Erdogan use to be the director of the company. Mr Govtepe claimed that the 3 bottles of vodka were given to him but that he didn't want them so put them on sale. He was advised that further visits would probably be made to the shop and to ensure that there was nothing else on sale which shouldn't be. He stated that it had all been taken. He went on to say that it had been a genuine mistake but also commented that it was because 'everything was so expensive'. Charlotte Palmer stated that they obviously knew it was wrong otherwise it would not have been hidden in secret drawers. The officers explained that a review application would be submitted and that all of the paperwork would be addressed to Mr Erdogan as the premises licence holder. He was strongly advised to get independent legal advice.

04/03/15 – Company information was checked on the Companies House website. This confirms that Mr Sefer Govtepe is the current Director and Mr Suleyman Erdogan was the director until 20/05/14. **See Appendix 5.**

Cumulative Impact Policy (CIP):

These premises are located in the Enfield Highway Cumulative Impact Policy Area.

The CIP states the core hours that should not be exceeded for each type of premises in particular locations. These are:

Sale/supply of alcohol (off supplies only): Monday – Sunday 08:00 – 24:00

The current licensed hours for this premises are:

08:00 – 01:00 Mon – Sun

Additional Information:

DCMS Guidance (11.26) states that there are certain criminal activities that may arise in connection with licensed premises, which the Secretary of State considers should be treated particularly seriously. The list includes the sale of smuggled tobacco and alcohol (i.e. non duty paid products).

DCMS guidance (11.27) goes on to say that it is envisaged that responsibility authorities will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Conclusion:

Enfield Licensing Authority is seeking a review of the premises licence on the grounds that the premises have been found to be selling alcohol with counterfeit back labels in March 2014, non-duty paid cigarettes in August 2014 and non-duty paid alcohol and tobacco in February 2015. A previous licence has already been revoked in 2011 for similar offences. The previous licence holder and the current licence holder are business partners so the previous history of the premises is relevant to this case. Despite already having lost one licence the same illegal activity has continued to take place at this premises resulting in the Licensing Authority having no confidence in those running the premises.

The Licensing Authority therefore recommends that this licence be revoked.

Suggested additional condition:

If the Licensing Committee does not deem it necessary to revoke the licence in its entirety I would recommend the hours be reduced in line with the Cumulative Impact Policy, the DPS be removed from the licence, the licence be suspended for or 3 months and the following conditions be attached to the premises licence:

- A Personal Licence holder is to be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol.
- All tobacco products which are not on the tobacco display shall be stored in a container clearly marked 'Tobacco Stock'. This container shall be kept within the store room or behind the sales counter.
- Tobacco products shall only be taken from the tobacco display behind the sales counter in order to make a sale.

The Licensing Authority reserve the right to add any additional information to support this review application.

Suspension of Licence:

N

Revocation of Licence:

Y

Recommended period of suspension (max 3 months):

The conditions attached to the premises licence already include most of the conditions that the Licensing Authority would seek for an off licence premises.

There is a significant history of illegal activity at this premises.

Having regard to all this information, and taking into account the DCMS guidance that, this leaves little option other than for the Licensing Authority to seek total revocation of the premises licence.

The Secretary of State believes that the sale of smuggled alcohol should be treated particularly seriously and that where licence reviews are submitted and the licensing authority determines that the crime prevention objective is being undermined revocation of the licence, even in the first instance should be seriously considered.
