LYRC Crises action Team	June 2015	20,000	3/7/2015	<ul style="list-style-type: none"> This project will prevent crime. The CAT will engage directly with 9 young people over 3 months at a minimum of 30hrs for those at risk of gang affiliation or specifically involved at various levels of gun, drugs, knife and gang lifestyles, offering personal support and counselling to assist them in choosing positive life options. After 3 months the young people will know they have a trusted team of people they can turn to and this will be monitored by the level of calls we receive. Building on increased confidence and trust, they will train those who have been transformed into becoming peer mentors for the project over 12 months. If they engage with 36 young people over the year 	LYRC are working with Enfield Grammar to identify young people deemed as most at risk. This is based on school intelligence of boys who either have siblings in gangs or are displaying behaviour patterns of concern. The agreed process is that the school identify 16 at risk teenagers and send letters to parents to ask for their support, a meeting and to introduce initiative to the selected children. LYRC are currently awaiting confirmation of starting date although all CAT contributors and mentors have been briefed and	£6,000
