SUBJECT TITLE OF THE REPORT							
Proposed Amendments to North Middlesex Hospital Controlled Parking Zone							
Part 1 or 2 (relevant exempt Paragraph)	Wards affected by decision	Decision taken by	Date Decision comes in to effect	Interest declared in respect of the Decision	Category of decision (i.e. Key, Non-Key, Council, Urgent)	Contact Details	Eligible for Call-in & Date to be called in by
Part 1	Upper Edmonton	Cabinet Member for Environment	Wednesday 16 November 2016	None	Non-key	Dave Oxley 020 8379 3553	Tuesday 15 November 2016
DECISION:							
<p>AGREED: Subject to no call-in being received, the following decision will come into effect on Wednesday 16 November 2016:</p> <ol style="list-style-type: none"> To leave the hours and days of operation on the North Middlesex CPZ as existing (9am-8.30pm Monday-Sunday) but to make the traffic management orders necessary to implement the following operational changes: <ul style="list-style-type: none"> Replacing the existing 'shared-use' bays in Bridport Road with Pay & Display bays, as indicated on the plan in Appendix 1; and Replacing the existing residents' parking bays at the eastern end of Bolton Road with shared-use bays, as indicated on the plan in Appendix 1. Permitting visitor parking permits to be used on match-days up to one hour before kick-off. To make the traffic management order necessary to implement the changes for pay and display bays (including shared use bays) set out in Appendix 2. To inform residents and others in the area of the Council's decision. 							
ALTERNATIVE OPTIONS CONSIDERED:							
<p>Do nothing – this option would mean that residents and their visitors would be left with the status quo and several operational issues relating to the current CPZ not being addressed.</p> <p>Controlled Parking Zone with alternative hours / days of operation – the traffic orders could be part made, for instance to reduce the hours/days of operation but not implement the changes to the shared use and pay and display bays etc. This is not recommended as it does not make efficient use of kerb-side parking.</p>							
REASONS FOR RECOMMENDATIONS:							
<p>The proposed changes with regard to the on-street parking restrictions will benefit the residents, businesses within the NMH CPZ, as well as visitors to the hospital, by better utilising the underused residential parking. Changes to the current days and times of operation of the NMH CPZ are not recommended due to relatively low 18% response rate, which falls well below the 40% threshold set by the Enfield CPZ Charter.</p>

SUBJECT TITLE OF THE REPORT							
Acceptance of the Football Foundation Grant for 3G Pitch							
Part 1 or 2 (relevant exempt Paragraph)	Wards affected by decision	Decision taken by	Date Decision comes in to effect	Interest declared in respect of the Decision	Category of decision (i.e. Key, Non-Key, Council, Urgent)	Contact Details	Eligible for Call-in & Date to be called in by
Part 1	Southbury	Director for Regeneration and Environment (Ian Davies)	Wednesday 16 November 2016	None	Key Decision LD4379	Matthew Watts 020 8379 5430	Tuesday 15 November 2016
DECISION:							
AGREED: Subject to no call-in being received, the following decision will come into effect on Wednesday 16 November 2016: 1. To accept the grant via the signing of the grant agreement.							
ALTERNATIVE OPTIONS CONSIDERED:							
Not to accept the offer of funding and not to proceed with the installation of the 3G AGP at Enfield Playing Fields.							
REASONS FOR RECOMMENDATIONS:							
1. Subject to meeting the grant conditions; acceptance of the grant would facilitate the following benefits: <ul style="list-style-type: none"> • Help to further develop grass roots football with Enfield at a time when sports participation is in decline, • Support the Council's wider public health objectives by providing a high quality facility for people to exercise • Generate revenue that would be invested back into the grass pitches to improve their quality, and • Address a deficiency of artificial grass pitches within the borough that has been identified by the sport's national governing body.
