M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

The information provided in this box is solely for information only and not intended to be converted into conditions on the licence.

The Lamb has the benefit of an existing premises licence, number LN/200501732.

The existing premises licence permits licensable activities from 10:00 hours to midnight on Monday to Sundays. Opening is permitted from 8am and continues until for 30 minutes after the end of licensable activities.

The purpose of the new premises licence application is to seek an additional one hour of trading on Friday and Saturdays, additional non standard timings and to update the premises licence to ensure that it is suitable for the style of operation at the premises.

A new and robust operating schedule is proposed. The applicant does not propose any change to the hours of operation on Sundays to Thursdays. The application does seek permission for licensable activities to continue until 01:00 hours the following day on Fridays and Saturdays, with close 30 minutes thereafter. Additional non standard timings to those already permitted by the premises licence are also sought.

The applicant is seeking later hours on Fridays and Saturdays in part following requests from our customers, who want to continue their night in a safe, supervised and comfortable environment in particular, when entertainment is offered. In addition, the experience of the premises and of Stonegate is

that the later hours sought will allow a longer wind down period and a more gradual dispersal which can be managed and contained.

The premises underwent a significant investment and refurbishment in late 2016 to improve the quality and customer experience. The operating schedule of the existing premises licence contains some outdated conditions along with other conditions which are still suitable for the style of operation however the wording of them is not clear. Much of the current operating schedule is replicated and offered as new conditions in boxes b) to e) below. However, new conditions are also offered which bolster the operating schedule ensuring it is robust, clear, appropriate and enforceable. These include in particular conditions regarding last entry and CCTV.

Prior to submission of the application, we contacted the Police and Licensing Officers of Enfield Council for their comments. Their comments have been taken into account in considering and drafting this application.

In particular, the applicant proposes to keep the existing last entry time of midnight when the premises trades until 1am. This reinforces the purpose of the application which is to keep our existing customers to allow them to enjoy their evening and supervise a controlled dispersal, rather than attract a new clientele.

Annemarie Hunt, the DPS, has been the manager at the premises for some time and works closely with the management team at Stonegate and the responsible authorities to ensure that the premises are promoting the licensing objectives at all times.

We have considered the impact of the new premises licence application and in particular note that the premises fall within the Edmonton cumulative impact area. However, during our discussions with the Council Officers they indicated that there are no concerns with the premises from a crime and disorder perspective. The low level of incidents attributed to the premises, strong management and the purpose of the application to benefit dispersal indicates that the proposed operation will continue to promote the licensing objectives. In addition, new conditions regarding last entry will ensure that this application actually supports the cumulative impact policy.

Stonegate Pub Company Limited have in place an extensive licensing manual detailing both company policies appropriate across the whole estate, along with procedures in place at a local level to ensure the premises operates to the highest standard and promotes the licensing objectives. These include policies regarding social responsibility, underage sales, and procedures to prevent crime and disorder and public nuisance.

The plans attached to this application are those attached to the existing premises licence. There has been no change to the layout of the premises.

The premises has also successfully used Temporary Event Notices to trial the later hours and no concerns have been raised.

In the event that this new premises licence is granted as applied for or in an acceptable form, the intention will be to surrender the existing premises licence number LN/200501732.

b) The prevention of crime and disorder

1. A CCTV system shall be installed at the premises and maintained in good working order and used at all times when the premises are open for licensable activities. Any CCTV footage shall be held for at least 28 days and shall be made available to an officer of the Licensing Authority or Police on reasonable request.
2. An incident log book (which may be electronic) shall be kept on the premises and made available on request to an authorised officer of the Council or Police which will record the following:-
 - a. Any incidents of disorder
 - b. Any seizures of drugs or offensive weapons

- c. Any ejections of patrons
- d. Any complaints of noise nuisance from residents

3. The premises shall maintain a written dispersal policy, which shall be made available to the Police or an authorised officer of the Council upon request.
4. The premises shall maintain a written drugs policy, which shall be made available to the Police or an authorised officer of the Council upon request.
5. Save for on New Year's Eve, when the premises are open for the sale of alcohol beyond midnight, there shall be no new admission to the premises after midnight, save for customers who have temporarily left the premises e.g. to smoke.
6. The need for door supervisors will be assessed by way of risk assessment and cognisance will be taken of any police advice.
7. Alcoholic drinks shall not be removed from the premises in open containers save for consumption in any external area.

c) Public safety

We understand our obligations under existing legislation and take our responsibilities seriously.

d) The prevention of public nuisance

1. Reasonable steps will be taken to recognise the rights of local residents and notices will be displayed at the premises exits requesting customers to leave quietly and reminding them that they are in a residential area.
2. When regulated entertainment in the form of live music or DJ led entertainment is taking place, staff will monitor noise both internally and externally.
3. When regulated entertainment in the form of live music or DJ led entertainment is taking place, doors and windows will be closed except for access or egress.
4. Customers will not be permitted to take their drinks into the front external area of the premises after 23:00 hours Mondays to Saturdays and after 22:30 hours on Sundays.
5. No waste or recyclable materials, including bottles, shall be moved or placed in the front external area between 11 pm and 7 am the following day.

e) The protection of children from harm

1. A proof of age scheme such as Challenge 21 will be operated at the premises where the only acceptable forms of identification are photographic identification cards such as a driving licence or passport.
2. A log (which may be electronic) shall be kept detailing all refused sales of alcohol. The log shall include the date and time of the refusal and the name of the member of staff who refused the sale. A copy of the log or electronic report shall be made available upon reasonable request.
3. All bar staff to receive appropriate training in relation to alcohol sales prior to commencing their

duties. This will include the premise licence conditions, underage sales policy and other relevant licensing matters. Training documents (which may be in an electronic format) shall be made available to an authorised Police Officer or Council Officer upon request.
