History

I have researched Police crime and intelligence systems relating to this venue and can find no events of any concern to Police that would affect the granting of the new licence. The venue has applied for and held approx 10 temporary events, running until 02:00, within the last year without incident.

Cumulative Impact Policy

London Borough of Enfield

Licensing Act 2003

Licensing Policy Statement (Fifth Edition 28th January 2015)

- 9.21 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.
- 9.22 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.

This premise is within Enfield Boroughs Cumulative Impact Policy area. Hours sort are not within the limits set out and as such, section 9.22 refers.

In summary I wish to make representation on the following:

- Prevention of crime & disorder

As the venue is within the CIP the Police have to object to the hours applied for but would agree to the licence being granted with hours in line with the CIP.

However, should the committee agree to this application and the licence were granted in full or part, I suggest that the following conditions be attached to the licence, as set out below, to further promote the licensing objectives. I have considered the applicants substantial operating schedule when making these requests.

CCTV

CCTV is an essential ingredient in deterring crime and gathering evidence if crime is committed. Although CCTV is discussed in the operating schedule, insufficient detail has been provided to ensure its quality and integrity. Police therefore request the following condition is applied to the premises licence to ensure quality performance.

A digital CCTV system must be installed in the premises complying with the following criteria:

1. Cameras must be sited to observe the entrance and exit doors and floor areas.
2. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
3. Cameras overlooking floor areas should be wide angled to give an overview of the premises.
4. Provide a linked record of the date, time, and place of any image.
5. Provide good quality images.
6. Operate under existing light levels within and outside the premises.
7. Have the recording device located in a secure area or locked cabinet.
8. Have a monitor to review images and recorded picture quality.
9. Be regularly maintained to ensure continuous quality of image capture and retention.
10. Have signage displayed in the customer area to advise that CCTV is in operation.
11. Digital images must be kept for 28 days.
12. Police or authorised local authority employees will have access to images at any reasonable time.
13. The equipment must have a suitable export method, e.g. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy. If this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Immediate copies must be made available to Police or authorised local authority employees on request.

An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

If these conditions were accepted in full I would withdraw my representation.
