4.1 PLANNING APPLICATIONS AND APPLICATIONS TO DISPLAY ADVERTISEMENTS DEC

On the Schedules attached to this report I set out my recommendations in respect of planning applications and applications to display advertisements. I also set out in respect of each application a summary of any representations received and any later observations will be reported verbally at your meeting.

Background Papers

- (1) Section 70 of the Town and Country Planning Act 1990 states that the Local Planning Authority shall have regard to the provisions of the development plan, so far as material to the application, and to any other material considerations. Section 54A of that Act, as inserted by the Planning and Compensation Act 1991, states that where in making any determination under the Planning Acts, regard is to be had to the development, the determination shall be made in accordance with the plan unless the material considerations indicate otherwise. The development plan for the London Borough of Enfield is the Unitary Development Plan (UDP).
- (2) Other background papers are those contained within the file, the reference number of which is given in the heading to each application.
