Mad Husky Ltd shall have in place a suitable plan as produced by its medical provider, Quad Medical.

Awaiting Quad Medical Plan

In brief, Mad Husky Events Ltd will be employing a fully qualified medical provider with vast amounts of experience specialising in Festival attendees

The contracted medical company will provide the following staffing and equipment

51st State Festival

Staffing level of 21 made up of;

- Doctor
- Nurses
- Paramedics
- EMT's
- First Aid and responders
- Ambulances

Moondance Festival

As above with staffing level representative of the required numbers according to the capacity

There will be a mini-hospital welfare area with direct access to Lymes Avenue for emergency access. There will be two ambulances supplied. The area will be made up to provide welfare for anyone who becomes unwell during the show or needs to rest.

All medical incidents are recorded and a medical incident report will be completed for each patient.

The local hospital is Barnet Hospital and is aware of the event taking place on the planned days.
