Importance: High

Dear Ellie

Please see my clients email below and the link to the entire Event Management Plan with 24 Reports .

As discussed I will send you tomorrow morning a document we have prepared for the Committee and those making Representations with 5 Reports and a Plan attached to be

Included in the Report and agenda and sent to those parties making Representations in advance of the Hearing .

I will bring a couple of copies of the entire EMP to the Hearing .

Please confirm receipt of this email , I am providing this in case the Committee wish to see the entire EMP , please note that the Parks Authority have confirmed with my client that

This link has been sent to those making Representations

Kind Regards

Lisa

Good morning Lisa

I have emailed each file over to Selma at the council as they are not able to access dropbox. Selma is going to forward the documents out to all the council officers.

The link below is a live link to all the EMP files for 2017.

[Mad Huskey Festival- Trent Park August 2017 Event Safety File](#)

Yesterday, at the SAG meeting Esther Hughes who works for the council as the team leader for Environmental health and alongside Victor is meeting with Ellie today to go through the licence conditions and reorganise them so they are clear.

I requested they come back to us immediately with any queries today to ensure we can make the amendments prior to committee.

Please let me know what is best to collate our evidence for the representations

Talk soon
