Agenda - Part: 1	Item: 8
Subject: Dispensations granted by the Monitoring Officer and Councillor Conduct Committee – Annual Update 2016/17	
Wards: Not ward specific Key Decision No: N/A	
Cabinet Member consulted: Not applicable	

1. EXECUTIVE SUMMARY

This report is an annual update, providing information to the Councillor Conduct Committee, on the dispensations granted in relation to the declaration of disclosable pecuniary interests in 2016/17.

2. RECOMMENDATIONS

To note that during the municipal year 2016/17, the Monitoring Officer and the Councillor Conduct Committee had granted the dispensations listed in section 3.5, 3.6 and 3.7 of the report.

3. BACKGROUND

- 3.1 The Councillors Code of Conduct requires that members register any disclosable pecuniary, other pecuniary and non-pecuniary interests in the Register of Members Interests. If a councillor has an interest in a matter under discussion at a meeting of the authority and is aware of that interest, it

must be disclosed at the meeting. If they have a disclosable pecuniary interest they must:

- Not participate or participate further, in any discussion at the meeting.
- Not participate in any vote, or further vote, taken on the matter at the meeting.
- Leave the room until the conclusion of the matter under discussion.

If the member has a disclosable pecuniary interest in a matter coming before a meeting of the authority, they can make a written request to the Monitoring Officer beforehand for a dispensation, which if granted would allow them to participate in the discussion and vote.

3.2 A dispensation may be granted in the following circumstances:

- (a) Where members of the decision making body have disclosable pecuniary interests in a matter that would “impede the transaction of the business”.
- (b) That without the dispensation, the representation of different political groups on the body conducting the business would be so upset as to alter the outcome of any vote on the matter.
- (c) That the authority considers that the dispensation is in the interest of persons living in the authority’s area.
- (d) That the authority considers that it is otherwise appropriate to grant a dispensation.

Any grant of dispensation must specify how long it will last, up to a maximum of 4 years.

3.3 Dispensations under (a) and (b) above shall be decided by the Monitoring Officer, with the right of appeal to the Councillor Conduct Committee. Those in (c) and (d) shall be considered by the Councillor Conduct Committee, after consultation with the Independent Person(s).

3.4 This year we continued using the form for recording dispensations which makes the process of agreeing and recording them run more smoothly. The Councillor Conduct Committee were consulted on and approved the design of the form at their meeting held on 2 December 2015.

3.5 The Councillor Conduct Committee (24 May 2016) granted a dispensation to Councillor Bernadette Lappage for the municipal year 2016/17 to cover the period when she was Mayor of Enfield. This was in relation to her

disclosable pecuniary interest concerning her husband's position on the North London Waste Authority. The dispensation was agreed on the basis that although the Mayor did not normally vote at Council meetings, having to leave the meeting as chair of the Council meeting could impede the transaction of business. The dispensation was therefore granted to allow her to remain in the position of chair when items relating to the North London Waste Authority were discussed.

3.6 In 2016/17 dispensations were granted by the Monitoring Officer in relation to the following items of Council business:

Council Meeting 9 November 2017 Motion 12.5 Motion in the name of Councillor Sarah Doyle on the Women's State Pension Age.

The Monitoring officer granted a dispensation on the basis that sufficient members had disclosable pecuniary interests in the issue that not allowing dispensations would impede the transaction of the business of the meeting. The dispensation enabled the following councillors to take part in the discussion on this motion and vote.

Council Meeting 6 April 2017 Motion 10.10 in the name of Councillor Orhan and Motion 10.8 in the name of Councillor Alessandro Georgiou on school funding.

The Monitoring Officer granted a dispensation to all members as so many had disclosable pecuniary interests relating to schools that not to do so would have meant that the transaction of business would have been impeded. The dispensation allowed all members to take part in the discussion on school funding and vote.

- 3.7 Standard dispensations were also allowed in relation to the Budget Report 2017/18 and Medium Term Financial Plan discussed at the 28 February 2017 Council meeting. Under guidance issued by the Department of Communities and Local Government members were not to be required to declare a Disclosable Pecuniary Interest (DPA) in relation to the budget or setting of the Council Tax. This was on the basis that Council Tax liability would apply to the borough's population as a whole, with councillors not having any unique position in that regard.

The requirements within Section 106 of the Local Government Finance Act 1992 would, however, still apply, which required any Member who was two or

more months in arrears on their Council Tax to declare their position and not vote on any issue that could affect the calculation of the budget or Council Tax. No declarations in this respect were made at the meeting.

At this meeting it was also noted that the Councillor Conduct Committee (May 2013) had also granted a dispensation for all members in terms of the declaration of Disclosable Pecuniary Interests relating to the setting of housing rents.

Members also had a standard dispensation in relation to Members Allowances.
