**Type of Application:**                      **Vary Premises Licence**

### **The Application**

This is an application to vary the premises licence to amend the licensing hours and also to submit the correct plan for the current restaurant

Opening Hours	Monday to Sunday 07:00 - 05:00
LNR	Monday to Sunday 23:00 - 05:00

### **Location**

This venue is situated within a busy road. There are residential properties above the venue and in nearby streets.

### **History**

I have researched Police crime and intelligence systems relating to this venue with a negative result. However, the Licensing Authority have received several noise complaints from members of public.

### **Cumulative Impact Policy**

London Borough of Enfield

### **Licensing Act 2003**

Licensing Policy Statement (Fifth Edition 28<sup>th</sup> January 2015)

- 9.21 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be

granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.

- 9.22 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.

This premises is within Enfield Boroughs Cumulative Impact Policy area. Hours sort are not within the limits set out and as such, section 9.22 refers.

I have considered the application without a new operating schedule being proposed and if this application were granted, as requested, the effect could be detrimental to the Licensing objectives.

**In summary I wish to make representation on the following:**

- Prevention of crime & disorder

In view of the CIP, Police are objecting to the proposed hours for the opening time and Late Night Refreshment (LNR)

In view of the complaints of excessive noise received by the council and the locality of the restaurant I believe it would be detrimental to the wellbeing of the local residents should this restaurant be granted the later hours. It would appear the PLH/DPS do not appreciate the concerns of the community, as a whole, nor do they appear to understand the importance of complying with the regulations regarding licensing as they have breached their licensing conditions more than once.

Therefore Police do not have confidence in the PLH/DPS to promote the licensing objectives.
