

Appendix 11 - Petition to suspend PEDSA Club Premises Certificate

PETITION TO SUSPEND CLUB PREMISES LICENSE

The following members of Ponders End and District Smallholders Association [PEDSA], 82A Church Road, Falcon Fields, EN3 4NX, have no confidence with the Clubhouse Management fulfilling their duties in compliance and governance with the association rule book and the Cooperative & Benefit Act 2014.

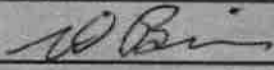

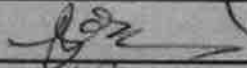

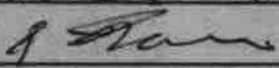

Our concerns are that the PEDSA should not hold a club premises license for the following reasons:

1. Annual Returns have not been sent to the FCA for the last 10 years which is a statutory compliance for every association;
2. Annual Returns for 2016 Accounts have not been published;
3. The obligatory 2016 Annual General Meeting was not held.
4. The association is operating without the financial means to meet its expenses. [*See attached unapproved Statements for 2015*]

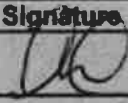

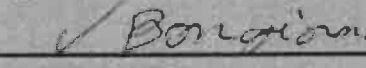

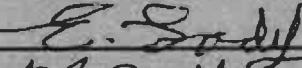

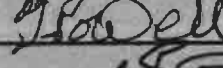

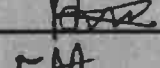

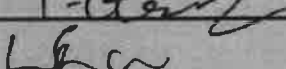

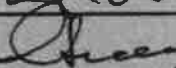

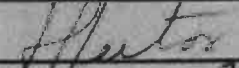

We are therefore asking that the Alcohol Licensing Authority at Enfield Council, suspend the club premises licence until such time, the association complies with FCA regulations and can prove that it is a financially viable business capable of meeting its financial commitments, demonstrated by up to date accounts and a cashflow.

Date: 29th April 2017
