Dear Ms Bradford

Thank you for your application to amend your rules. We have 15 working days to review the application.

As you are the new secretary I wanted to bring to your attention that we issued a notice before cancellation on 6 January 2017, as they society has failed to submit their annual return and accounts since 31 December 2013. Please see attached. The letter states that we intend to cancel the society Monday, 13 March 2017. We have not yet received a response.

If the society would like to remain registered, please can you respond with an action plan for submitting the outstanding annual return and accounts and paying any outstanding periodic fees.

Please respond by close of business 16 March 2017.

Regards
