

Annex 4

POLICE REPRESENTATION

Name and address of premises: Blue Water
11 Chase Side
Southgate
N14 5RP

Type of Application: New Premises

Worksheet number: WK/217019299

The Application

This is an application for a premises licence to provide late night refreshment (LNR) as follows;

	Monday to Sunday
LNR	23:00 – 04:00
Opening hours	11:00 – 04:00

Location

This venue is situated within a very busy high street near to Southgate Tube Station. There are a number of residential flats above the shops in the street.

History

I have researched Police crime and intelligence systems relating to this premises for the last twelve months with a negative result.

Cumulative Impact Policy

London Borough of Enfield

Licensing Act 2003

Licensing Policy Statement (Fifth Edition 28th January 2015)

- 9.21 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours within the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.
- 9.22 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is **implicit** in a cumulative impact policy.

This premise is within Enfield Boroughs Cumulative Impact Policy area. Hours sort are outside the limits set out and as such, section 9.22 refers.

Where the hours applied for exceed those specified in the CIP there is a presumption that the application will be refused.

As outlined in the Cumulative Impact Policy, this area is already is of concern in relation to crime and disorder and public nuisance. I am of the firm belief that if this premises were to be permitted to remain open and provide late night refreshment until 04:00 hours seven days a week in this location, it would very likely lead to increased incidents of crime & disorder and public nuisance.

Police therefore object to the granting of this licence application in its entirety.

In summary I wish to make representation on the following:

- Prevention of crime & disorder
- The prevention of public nuisance

If this application were granted in full or part, I would recommend that additional conditions be attached to the licence, as set out below, to further promote the licensing objectives.

CCTV

CCTV is an essential ingredient in deterring crime and gathering evidence if crime is committed; therefore Police request the following condition is applied to the premises licence to ensure quality performance.

Condition 1

A digital CCTV system must be installed in the premises complying with the following criteria:

1. Cameras must be sited to observe the entrance and exit doors both inside and outside, the alcohol displays, and floor areas.
2. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
3. Cameras overlooking floor areas should be wide angled to give an overview of the premises.
4. Provide a linked record of the date, time, and place of any image.

5. Provide good quality images.
6. Operate under existing light levels within and outside the premises.
7. Have the recording device located in a secure area or locked cabinet.
8. Have a monitor to review images and recorded picture quality.
9. Be regularly maintained to ensure continuous quality of image capture and retention.
10. Have signage displayed in the customer area to advise that CCTV is in operation.
11. Digital images must be kept for 28 days.
12. Police or authorised local authority employees will have access to images at any reasonable time.
13. All staff engaged in the sale/supply of alcohol shall be trained to operate the CCTV system and download images/footage upon request by Police or authorised local authority employees.
14. The equipment must have a suitable export method, e.g. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy. If this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Immediate copies must be made available to Police or authorised local authority employees on request.

LNR

Last orders to be accepted by 03:50 hours.

A member of staff shall stand at the entrance to the premises from 03:50. Their role will be to;

- Advise customers of the time of the last food order
- Prohibit the entry of any further customers into the premises.
