Subject: Alcohol license oakwood park Cafe representations

Hi,

I am the resident of [REDACTED] Sheringham avenue N14 4UJ. I back onto oakwood park. I am very unhappy with the application by the new owner of the cafe to obtain a licence to sell alcohol in the park. It seems ludicrous to think selling alcohol in a park would ever be a good idea..there have been several incidents in the park recently and safety has been a concern for all the residents here.

Please do not allow the owner to obtain an alcohol license

I am writing this on my neighbours behalf aswell she is elderly and was very upset too at the prospect of alcohol being sold in a park. She is resident of [REDACTED] Sheringham avenue

Thank you
