I understand that the new owner of the Cafe in Oakwood Park - Ozgur Celebi - has applied for an alcohol licence for this particular Cafe.

I do hope that this licence will not be granted. This Cafe overlooks a children's playground with children turning up at weekend to play football at the side of the Cafe as well. Not a good idea!

Our house actually backs on to Oakwood Park and occasionally we hear foul language with my husband telling these youngsters to stop it. Can you imagine what this will be like after consuming alcohol. Also late at night there is quite a bit of screaming coming from the Copse - that is without alcohol! Often wonder whether we should be contacting the police on these occasions!

Please stop and think before granting this license.

Thank you - Mrs Jean Hardy

No my objections still stand.

Have any of you been to this park on a summers day when the Cafe is packed out and families are either sat on the grass outside or on the picnic tables? NO I BET YOU HAVEN'T.

This gentleman says alcohol will only be consumed within the premises - what a lot of bunkum - there are some weekends when you cannot get in to buy a coffee let alone MAKING someone consume the alcoholic drink he has just purchased.

Has anyone been around during evenings and weekends when youths - whether alcohol fuelled or not, are dancing on the top of the Greenkeepers Buildings? How do you think CCTV is going to stop youths some way of finding a way of breaking in to the Cafe premises?

As I said before - MY OBJECTION STILL STANDS.

Yours Mrs Jean Hardy
