

POLICE REPRESENTATION

Name and address of premises: Kalamis Fish Restaurant
112 High Road
Enfield
EN3 4ES

Type of Application: Review of a premises licence

The Application

This is an application by the Licensing Authority to review the premises licence for the above venue with a view to revocation.

The Police fully support the application being brought as the continued behaviour of the Premises Licence holder, Mr Duzgun, could seriously undermine the licensing objectives.

Police Representation

I do not have any further information to add to the application to strengthen it, as, each time I have had reason to visit the premises or have dealings with Mr Duzgun or the venue, I have been in the company of the Licensing Authority and therefore all relevant information has been included in the application by them.

I would, however, wish to confirm that the Police no longer have any confidence in Mr Duzgun being able to comply with the licensing conditions due to his proven lack of compliance previously, the fact that he has appeared to ignore very detailed advice and has also lied in a PACE interview carried out by the Licensing Authority. All of this behaviour shows a clear disregard for the law and undermines the Licensing objectives. The onus is on Mr Duzgun to promote the licence objectives and he is clearly failing to do so.

The Police feel that this measure is wholly proportionate and reasonable and an appropriate measure to promote the licensing objectives, and reduce the risk of crime, disorder, public safety and nuisance.
