Dear Ellie,

My objection is on the grounds that this could well result in a public nuisance.

I cannot provide evidence because no one is selling alcohol to take away at that time in this area.

However, this is a residential area: there are flats above these shops and houses and a small block of flats in the very secluded road behind: Queens Avenue and Trinity Court; many are occupied by young families and elderly people.

Off sales until 2.00am every night of the week is, in my opinion, excessive. Moreover, no other nearby retailers sell for off-site consumption at this time of night so it will attract people from a wide area who may have already been drinking and therefore be inconsiderate of residents.

I would therefore like the committee to consider this application.

Regards,

Dinah

Dear Rose,

I cannot support this application and wish to object to it.

The hours applied for seem to be excessively long, much longer than any other local business of which I am aware.

I can see no need for alcohol to be available for  
sale at these hours and think it inappropriate in a residential area.

Please let me know if you need any further information.

Regards,

Dinah Barry
