AGREED: that the following decision will come into effect on Wednesday 7 March 2018, subject to not being called in:							
<ol style="list-style-type: none"> 1. That approval is granted to award the contracts to the bidders specified in Part 2 of this report for a period of 36 months (2018 to 2021), with an option to extend for a further two consecutive 24 months (total 48 months: 2021-2023 and 2023-2025, subject to satisfactory performance in accordance with the contract). 2. The quality scores and financial information can be found in Part 2 of the report. 							
ALTERNATIVE OPTIONS CONSIDERED:							
<ol style="list-style-type: none"> 1. Consideration was given to the total decommissioning of all accommodation based services for Young People, this would have a dramatic effect on the homeless figures within the borough. There would also be an impact on the vulnerable young people who fall below the threshold for statutory services but would find themselves at risk of child exploitation, gangs and general anti-social behaviour. 2. Providing accommodation without support would deliver greater efficiencies but leave young people at risk as mentioned above and also reduce their life opportunities without the support into Education, Employment and Training. There would also be greater risk of homelessness due to tenancy breakdown as they would not have the support for benefit maximisation and tenancy sustainment. 							
REASONS FOR RECOMMENDATIONS:							
<ol style="list-style-type: none"> 1. The contract award maximises both accommodation and support available within the budget envelope and delivers the savings identified within the Medium Term Financial Plan. 							
BACKGROUND
