<p><b>AGREED:</b> that the following decision will come into effect on Tuesday 8 May 2018, subject to not being called in:</p> <ol style="list-style-type: none"> <li>That approval is granted to award the contract to the bidder as specified in Part 2 of the report for a period of 36 months (2018 to 2021), with an option to extend for a further two consecutive 24 months (total 48 months extension: 2021 – 2023 and 2023 – 2025, subject to satisfactory performance in accordance with the contract).</li> <li>Further information, the quality scores and financial information can be found in Part 2 of the report.</li> </ol>							
<b>ALTERNATIVE OPTIONS CONSIDERED</b>							
<ol style="list-style-type: none"> <li>Consideration was given to the total decommissioning of all non-statutory, low level preventative support. This would in turn yield further savings but would mean that vulnerable people may end up entering statutory service at a point of crisis rather than being assisted earlier through a support plan of prevention.</li> <li>Total removal of floating support would also impact upon the work being undertaken in Enfield in implementing a plan in accordance with the Homelessness Reduction Act 2017.</li> </ol>							
<b>REASONS FOR RECOMMENDATIONS</b>							
This new innovative approach is aimed at improving the outcomes for people that need support to live in the community independently. The new model will also ensure that the Council provides much needed services within its restricted budget.							
<b>BACKGROUND</b>							
Please note that a copy of the Part 1 report is available via the Decision list link on the Council's Democracy pages. As the Part 2 report contains exempt information, it will not be made available to the press or public.
