M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

1. The event organisers have operated these type of events in many other locations previously and deliver safe and enjoyable events. The licensing objectives are always paramount in the event planning and delivery stages.
2. An Event Safety Management Plan, Risk Assessments, Crowd Management Plan and Alcohol Management Plan have been written and the organisers welcome input from the local responsible authorities. These documents have been written with the four licensing objectives in mind.
3. The event site has been designed around reducing the possibility of nuisance caused by attendees and an Event Site Plan has been submitted with this application to highlight this.
4. The event location is in an area that is self contained and largely out of the way and designed for entertainment purposes so the ability of the organisers to meet the four licensing objectives are made that very much easier.
5. The ESMP is a working document and subject to SAG review.

b) The prevention of crime and disorder

A challenge 25 policy shall be operated at all times.

No member of staff shall be permitted to sell alcohol until trained in the operation of the challenge 25 policy.

Any person who appears to be under the age of 25 who attempts to buy alcohol shall be challenged to provide age verification in the form of a passport, photo driving licence, or a PASS accredited card. Where proper verification is not provided the sale shall be refused.

A record of the refusal shall be kept in a refusals book, identifying the member of staff who refused the sale.

Polycarbonate, shatter-to-safe, plastic, paper or other inherently safer types of container shall be used.

All bottled drinks shall be decanted into plastic vessels unless the bottles are also plastic.

The security policy shall include provision for searching bags and clothing as appropriate, at access points. All alcohol shall be removed from those attending the event prior to entering the premises

There shall be no use of discount vouchers for the purchase or obtaining alcoholic drinks at any time throughout the event

Lighting will be installed to provide adequate coverage of the event site

c) Public safety

There shall be SIA security and stewards on site at all times when licensable activities take place at the premises; the numbers of which will be risk assessed as per the anticipated audience.

All security staff shall wear high visibility clothing at all times agreed by the Licensing Authority.

A register of the security staff shall be kept recording names, SIA badge number and contact details.

The event will be ticketed and all customers will be issued with a wristband

There will be radio communication between event management staff, security staff and security control via event radios.

An incident log will be kept in security control and used to record any incidents of disorder as soon as practicable.

d) The prevention of public nuisance

No person will be allowed to bring alcohol into the event or leave the area of the event with an open vessel of alcohol.

A professional waste management company will be employed to ensure the site and surrounding area is clear of any event waste.

All noise sources will be strictly monitored and controlled, with sound systems designed to reduce off-site noise.

e) The protection of children from harm

The event is strictly an over 18's event and the organisers operate to a Challenge 25 policy for entry and bar service, therefore having two safety measures to prevent under 18 attendance. Valid ID is required for entry if requested (if customers look under 25 years old) and these are (1) a current, in-date passport and (2) a current and in date driving licence. The event does not accept photocopies or expired documents.

This policy and process is clearly stated on the event's website and on social media.
