

LONDON BOROUGH OF ENFIELD

Audit Progress Report
25 February 2019

INTRODUCTION

Background

This report is intended to provide the Audit and Risk Management Committee with an outline of our progress against our proposed work for 2018/19.

The Local Audit and Accountability Act 2014 makes the Comptroller and Auditor General for the National Audit Office responsible for the preparation, publication and maintenance of the Code of Audit Practice.

The Code sets out what local auditors are required to do to fulfil their statutory responsibilities under the Act:

Audit of the financial statements

- to be satisfied that the accounts present a true and fair view, and comply with the requirements of the enactments that apply to them
- to be satisfied that proper practices have been observed in the preparation of the accounts

Value for money arrangements

- to be satisfied that the organisation has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources

Reporting

- issue an audit plan that sets out how the auditor intends to carry out their duties
- report the findings of the audit to those charged with governance
- to express an opinion on the accounts
- the opinion on the organisation’s arrangements to secure economy, efficiency and effectiveness in the use of resources
- to certify the completion of the audit
- issue an annual audit letter highlighting the results of the auditor’s work.

Progress to date

We have assessed whether the arrangements put in place by the Council will allow us to complete our work by the expected deadlines and whether there are any issues that are likely to have a significant impact on our ability to provide unmodified audit reports and opinions.

This is included as a ‘RAG’ assessment in the report:

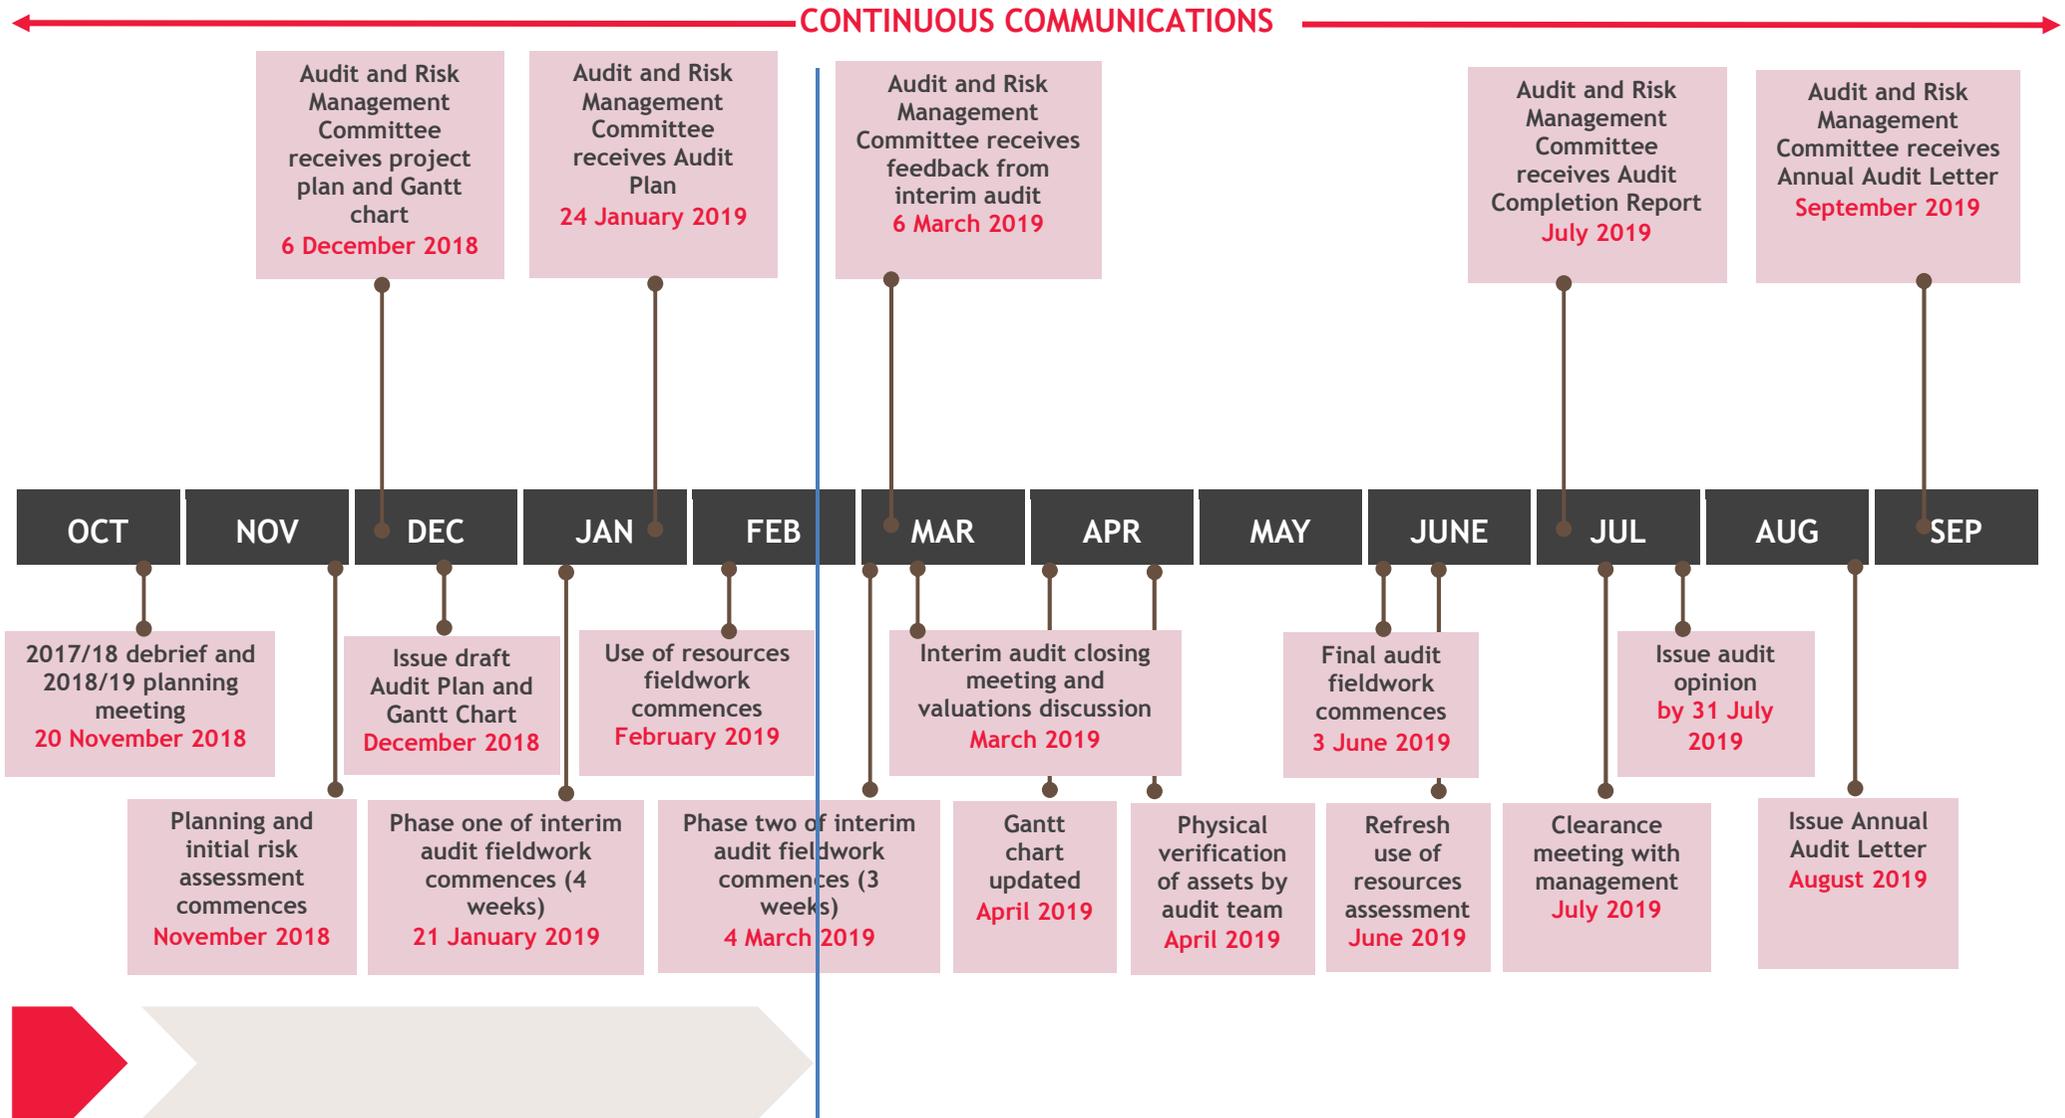

ASSESSMENT		EXPLANATION
RED		Unlikely to be able to meet reporting deadlines, significant concerns over governance or finance, or expected modification of audit report or opinion.
AMBER		Some concerns around meeting reporting deadlines, some concerns over governance or finance, or potential risk of modification of audit report or opinion.
GREEN		On target to meet deadlines and no current concerns over governance or finance.
	TBC	Work not yet started or sufficiently progressed to include a ‘RAG’ assessment
