Good morning,

Following contact through Facebook, I am writing re the above event. We are planning on having our daughter's 6th birthday party at the fair as we live opposite. For security reasons and logistics, we would like to prebook their circus tickets and any other items that are available. Kindly advise

Many thanks,

Good Morning

Thanks for your enquiry , we would love to be a part of your daughters special day.

We are not taking advance bookings however we can organise something for your group.

How many adults and children will be coming and roughly what time ?

Would they all like access to the childrens circus and donkey rides ?

Good afternoon,

Can I confirm this is for the Cockfosters event in the Saracens Grounds please? If so, we would be arriving towards at the start, 10/10.30am whilst it shouldn't be too busy. It would also depend what time the circus shows are as I would plan accordingly. Donkey rides would be great, and front row seats for the circus would be great. Could they perhaps mention my daughter's birthday?

There will be approx 2 adults and 8 children.

Looking forward to hearing from you!

I am a resident of Green road in Southgate.

I have just been informed by Enfield Council of your application for this event.

This will be a boost to the community.

I am interested in participated as a small stall holder. I do fashion jewellery and accessories.

Kindly send me the relevant details.

Regards

xxxx
