Premises: Drum Sheds / Meridian Water, Units 4, 5, 6 & 9 Orbital Business Park, 5 Argon Road, Edmonton, London, N18 3BY

The London Fire Commissioner (the Commissioner) is the fire and rescue authority for London. The Commissioner is responsible for enforcing the Regulatory Reform (Fire Safety) Order 2005 (The Order) in London.

With reference to the application dated 15/03/2019, as shown on the plan provided, the application has been examined and **the Commissioner will make a representation** to the Licensing Authority.

The Applicant has been informed, by copy of this letter, of this representation.

The items that are of concern to this authority are detailed below:

- **The Commissioner has not received all of the information required and has not therefore been able to form a judgement as to whether the public safety objective of the Licensing Act has been adequately addressed.**
- **The applicant has not shown that the number of people to be accommodated can be safely evacuated in an emergency.**

The representation may be withdrawn if all of the matters detailed above are addressed to the satisfaction of the Commissioner. The Commissioner must be advised of the completion of the work at least 5 working days before the committee hearing date, so that an inspection can be arranged.

If you are dissatisfied in any way with the response given, please send an email to FSR-AdminSupport@london-fire.gov.uk, quoting our reference 32/205151/DL.
