

## OUR VENUES

THE VENUES WE OWN ARE FILLED WITH THE SAME ENERGY AS THE SPACES WE MANAGE - WE BUY THE FREEHOLD OR SIGN THE LEASE OF PROJECTS WE BELIEVE IN, OFFERING SIMPLE PROPOSITIONS.

With everything from wedding venues, ticketed cultural centres, event spaces, festival sites and concert arenas in our portfolio, we're always on the lookout for exciting new developments. We're happy to work in partnership and often back our clients' venues by taking on fixed term leases. We consult honestly and with integrity and are known for our enduring collaborations.

"We held our Autumn Winter 2018 Press Day at Fifty Six Brook Street - a fantastic space in a really convenient location for journalists. It's great that the venue has so many large rooms; we were able to present each collection in its own dedicated space."
