Health in All Policies

a manual for local government

“An approach to public policies across sectors that systematically takes into account the health implications of decisions, seeks synergies, and avoids harmful health impacts in order to improve population health and health equity.”

WHO, 2013

It is the way in which Enfield Council as an organisation is working toward achieving the goals of the Joint Health and Wellbeing Strategy

What we've been working on...

SL4

SL5

Eat Well

Place

Limit the number of unhealthy food outlets near schools

Include health outcomes in the use council commercial stock
