a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

The Dmmuk will use the services of local and current online promotions. The facilities for current use are adequate and will not need additional requirements as the times are extended for up to 1½ hrs only

b) The prevention of crime and disorder

The Dmmuk will have adequate Members as required to ensure prevention. The functions are family based and community based

c) Public safety

There will not be additional persons coming to events outside the current capacity. Chaperons will be available to ensure the safety of public attending.

d) The prevention of public nuisance

There will be no increase in people attending. The Dmmuk Committee members ensure all people are within the premises so there is no likelihood of nuisance

e) The protection of children from harm

These family events are attended by children with their parents. As such they normally leave early to ensure their children are in bed on time. In any event where children are present, the Committee members are also present to protect the children from harm. The children are not allowed without parents or guardians
