

ASSOCIATE CABINET MEMBER, ENFIELD NORTH, REPORT:
Cllr. Ahmet Hasan

I'm Cllr. Ahmet Hasan was re-elected as a councillor on May 3, 2018, I was appointed to the position of Associate Cabinet Member (Enfield North). I have been in this position for almost 1,5 year.

I have been working at the Enfield Council since 2002. I don't have a budget in my capacity as an ACM, and no appointed officer who directly serves me. As an ACM, I do not make executive decisions and have no voting rights in Cabinet meetings. I attended all the meetings in the last one and a half year and expressed the problems of the Enfield North area. I have always supported the works that benefit the people of the region.

I have been a council member for many years and my experience has helped me to continue for my new post. Our duty as ACM's is to bridge the gap between the public and the Council. As always, I continued to protect the rights of especially vulnerable people who could not reach the authorities and could not explain their problems.

*I went to all my survey appointments.

*I attended festivals and events in my area and met with wide range of people.

*I attended the meetings of the Friends of Park. I followed the problems of parks in Enfield North.

*I've enlightened and communicated to the residents about the cycle lane developments.

*I've worked on the use of the Enfield Highway Library for the public.

*I have been committed to holding Area Ward Forum meetings every 3 months.

*Along with the Chief Executive and other senior officers I have arranged walkabouts in Enfield Highway. We conveyed the problems that could not be solved until today.

PLAN FOR THE NEXT MONTHS:

- I will assist in the preparation, promotion and participation of public meetings in the Enfield North area.
- I will discuss with the councillors and officials more questions about what is needed to solve the safety and security problems in Enfield North.
- I am to maintain a continued dialogue with Enfield North residents, in order to inform on any developments and changes affecting Enfield North.
- I will continue to work on the ongoing opening of the library and for more GP's.
- Cleaning the streets will be my first priority as usual.
- I'm going to raise the parking problems in the Enfield North area to the cabinet and the officers.
- I am planning the Enfield Area Ward Forum where all ward members will attend.
- I aim to continue to raise spatial issues relating to residents and local communities.
