Dear Premises User

Please find, attached to this email, your Temporary Event Notice. You will note that Section 10 of the Notice ('Acknowledgement') has been completed by the Council.

This acknowledged Temporary Event Notice is the Council's authorisation for your event (subject to any Counter Notice being issued by the Police or Council).

Your event is now licensed and you may proceed to provide the licensable activities on the date(s) and between the times and for the maximum number of people detailed in Section 3 of the Notice at the premises detailed in Section 4 of the Notice.

You must keep a copy of this acknowledged Temporary Event Notice on display at the premises throughout your event. If the Notice is lost you must pay the statutory fee of £10.50 for a duplicate to be sent to you. These legal requirements are set out below.

Please be advised that if you are playing music in your business – to staff or customers – it is a legal requirement to obtain permission from the copyright holders. Two organisations exist to help make sure you are correctly licensed to play the music you want. PPL collects royalties on behalf of performers and record companies. PRS for Music collects royalties on behalf of songwriters, composers and music publishers. In most instances, a licence from both organisations is needed to ensure all copyright holders are correctly paid for the use of their music. If music is to be played during your event, please contact PPL and PRS for Music to obtain the right licences for you. Please visit ppluk.com and prsformusic.com for more information on music licensing or call PPL on 020 7534 1095 and PRS for Music on 0800 068 4828.

Yours sincerely
Licensing Team

Dear Mrs Aydin

Further to my telephone conversation just now, I now attach the objection notice on behalf of Environmental Health, to ALL of the Temporary Event Notices applied for.

We discussed whether you would like to take the matter to a hearing, to which you declined.

You agreed to withdraw the Temporary Event Notices, which you will do now by return email to me, confirming that the above TENs are now withdrawn. The email below will no longer apply.

Kind regards

Dear Elli,
Further to our telephone conversation today I am replying to your email.

I am kindly requesting for you to reassess (2 hours extend) the TENs cancellation for 24th, 25th and 31st. I am willing to accept cancellation for 27th, 28th and 29th.

I briefly would like to explain the issue on the 6th December. I booked a very famous musician and a singer from Turkey to take stage at Dosthane. People got excited however, my team and I did everything possible to keep the noise in. Due to previous problems I have experienced and reported to the police I believe this complaint was made deliberately.

I have invested for 24th, 25th and 31st. I am now fully booked on those dates, shopping has been done, staff rota has been finalised. Cancellation on those dates will mean a huge business loss for me.

Once again I am kindly requesting for you to look in to this case and support a woman who is trying her best to keep standing in a male dominated sector.

Thank you in advance for your time and kind approach to this case.

Look forward to hearing from you soon.

Yours sincerely,
Songul Aydin

Dear Mrs Aydin

It is the decision of the Environmental Health to object, I simply facilitate the process and passed on the message.

Unfortunately, financial implications is not a licensing objective that can be taken into account when granting or refusing TENs under the Licensing Act 2003.

TENs are not an automatic grant, therefore there should not have been a presumption that they would be granted. Perhaps another year, you should apply for the TEN before you even consider the bookings.

I am sorry, but there is no negotiation on the TENs on behalf of Environmental Health – the objection to them all remains in place. If you want to pursue this, you can attend a hearing next Wednesday morning, to put your case forward and the Licensing Sub-Committee will determine the TEN applications.

Please respond by lunchtime today so the appropriate arrangements may be made.

Kind regards

Ellie

Dear Mrs Aydin

Thank you for your email and confirming that you wish to take your objected TEN applications before the Licensing Sub-Committee.

The hearing starts at 10.30am on Wednesday 18 December. There is an application that will be heard before yours, so I don't expect your application to commence until at least 11am. Please arrive and wait outside the council chamber, Civic Centre, Silver Street, Enfield, for 11am, and I will let you know when it is your turn.

Please find attached the procedure of a hearing.

I will provide the TEN applications, Environmental Health objection and our correspondence in a report for the Licensing Sub-Committee. You will have the opportunity to present your application.

You mention a £10.50 fee below? You have already paid the £21 TEN fee per application, therefore I am unsure what the £10.50 is required for?

Kind regards

Ellie Green
