

# Annex 3

## POLICE REPRESENTATION

**Name and address of premises:** Fresh Food Centre  
220-222 Hertford Road  
Enfield  
EN3 5BH

**Type of Application:** New Premises Licence

### The Application

This is an application for a new premises licence for the supply of alcohol as follows;

Supply of Alcohol	24 hours a day everyday
Opening Hours	24 hours a day everyday

### Location

This venue is situated within a parade of shops with residential properties above on a busy thoroughfare with similar properties opposite.

### History

I have researched Police crime and intelligence systems relating to this venue with a negative result.

### Cumulative Impact Policy

London Borough of Enfield

### **Licensing Act 2003**

Licensing Policy Statement (Fifth Edition 28<sup>th</sup> January 2015)

9.21 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for

variations of those authorisations for hours within the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will generally be granted, subject to consideration of any representations about the way in which the application will promote the licensing objectives.

- 9.22 Any applications for new premises licences and/or club premises certificates and/or provisional statements and any applications for variations of those authorisations for hours outside the limits set out (referred to as Core Hours) for premises and/or clubs inside the cumulative impact policy areas will, when subject to relevant representations, be subject to the presumption against grant that is implicit in a cumulative impact policy.

This premise is within Enfield Boroughs Cumulative Impact Policy area. Hours sort are not within the limits set out and as such, section 9.22 refers.

I have considered the application and operating schedule proposed and if this application were granted, as requested, the effect could be detrimental to the Licensing objectives.

**In summary I wish to make representation on the following:**

- Prevention of crime & disorder

In view of the CIP, Police are objecting to the proposed hours for the sale of alcohol but would agree hours that are permitted, namely 08:00 to 00:00

If this application were granted in full or part, I suggest that the following conditions be attached to the licence, as set out below, to further promote the licensing objectives.

1) CCTV is an essential ingredient in deterring crime and gathering evidence if crime is committed. Police therefore request the following condition is applied to the premises licence to ensure quality performance.

A digital CCTV system must be installed in the premises complying with the following criteria:

- a. Cameras must be sited to observe the entrance and exit doors both inside and outside, the alcohol displays, and floor areas.
- b. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
- c. Cameras overlooking floor areas should be wide angled to give an overview of the premises.
- d. Provide a linked record of the date, time, and place of any image.
- e. Provide good quality images.
- f. Operate under existing light levels within and outside the premises.
- g. Have the recording device located in a secure area or locked cabinet.
- h. Have a monitor to review images and recorded picture quality.

- i. Be regularly maintained to ensure continuous quality of image capture and retention.
- j. Have signage displayed in the customer area to advise that CCTV is in operation.
- k. Digital images must be kept for 31 days.
- l. Police or authorised local authority employees will have access to images at any reasonable time.
- m. Have a member of staff trained in operating the CCTV at the venue during times open to the public.
- n. The equipment must have a suitable export method, e.g. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy. If this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Copies must be made available to Police or authorised local authority employees on request.

### **Public Spaces Protection Order**

Signs shall be prominently displayed on the exit doors advising customers that the premises is in a Public Space Protection Order Area (or similar) and that alcohol should not be taken off the premises and consumed in the street. These notices shall be positioned at eye level and in a location where they can be read by those leaving the premises.

If the change of hours and conditions are agreed I would withdraw my representation.
