DECISION							
<p>AGREED: subject to not being called in:</p> <ol style="list-style-type: none"> To approve the contract award to "Contractor A" for heating pipe work replacement and associated works to Oakthorpe Primary School as further detailed in Part 2 of the report. To note and approve total scheme expenditure of £416,149.23 which includes heating pipe work replacement works, professional and technical costs (as detailed in Part 2 of the report). To note an Operational Decision dated 11th May 2020 approved enabling works to the domestic hot water system and building fabric in the sum of £141,600.00 these works needed to be carried out prior to the start of the main contract. 							
ALTERNATIVE OPTIONS CONSIDERED							
<ol style="list-style-type: none"> To do nothing this could result in a school closure leading to a loss of statutory school days for Enfield pupils, this in turn could result in court action and damage to the council's reputation. There are no other options that will address the safeguarding, security and safety concerns. 							
REASONS FOR RECOMMENDATIONS							
<ol style="list-style-type: none"> CMFM and Stace The Borough's Quantity Surveyors have advised that the tender from Contractor "A" is compliant and is the most economically advantageous tender. Works will ensure that "the school" is functional from a heating and hot water perspective and minimises risk to school closure in colder months. 							
BACKGROUND							
Please note that a copy of the Part 1 report is available on the Council's democracy pages. The Part 2 report contains exempt information and will not be available to the press or public.
